[57] CLAIM

The ornamental design for a support for use with electronic computer units, as shown and described.

DESCRIPTION

The several figures are illustrations of my new, original and ornamental design for a support for use with electronic computer units.

FIG. 1 is a perspective view of a support for use with electronic computer units showing my design; and FIG. 2 is a perspective view of a modified form of the design.

The face of the panel not shown in FIG. 1 is plain and unornamented while the sides of the support now shown are like the sides shown.
