[57] **CLAIM**

The ornamental design for a starting fluid valve assembly for diesel starting systems, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of our new starting fluid valve assembly for diesel starting systems; FIG. 2 is a front elevational view thereof; FIG. 3 is a side elevational view thereof; FIG. 4 is a rear elevational view thereof; and FIG. 5 is a bottom plan view thereof. A side elevational view taken from the side opposite that shown in FIG. 3 is essentially a mirror image thereof.
