CLAIM

The ornamental design for a vehicle tire, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a vehicle tire showing our new design, it being understood that the tread design is repeated throughout the circumference of the tire, the opposite side being substantially the same as that shown;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a side elevational view thereof; and

FIG. 4 is an enlarged sectional view thereof taken along line 4-4 in FIG. 2.

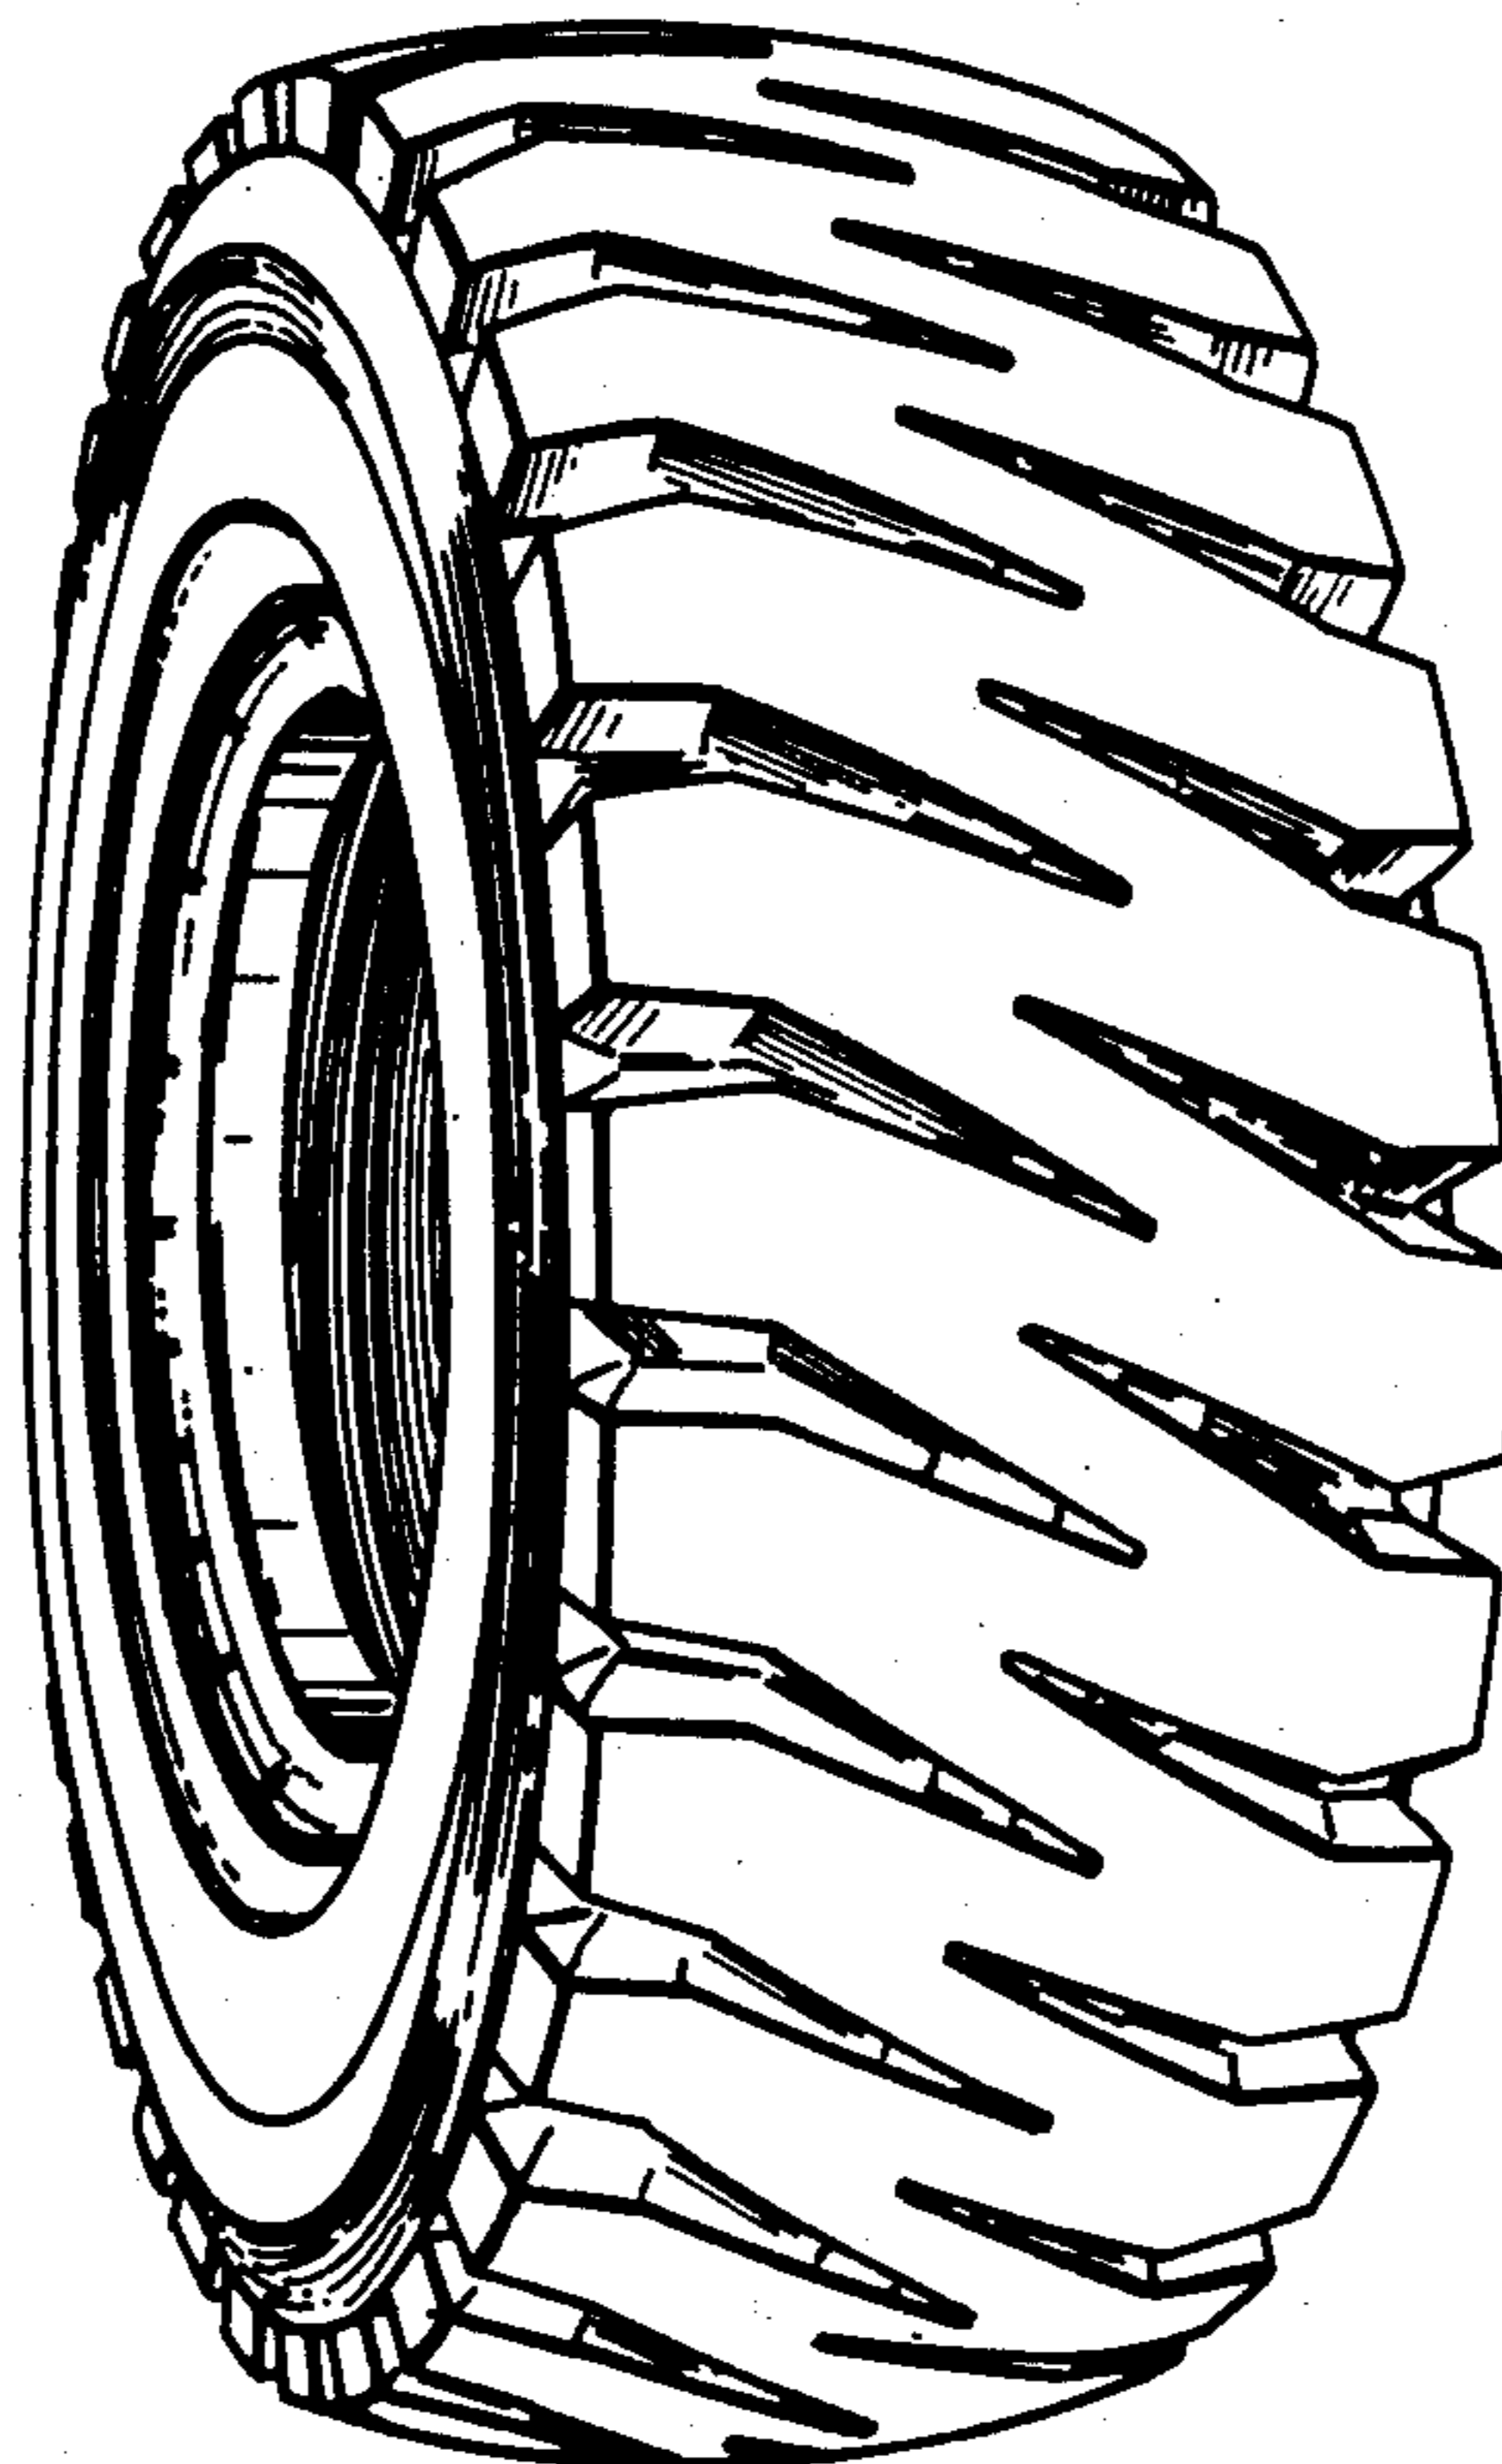

FIG. 3

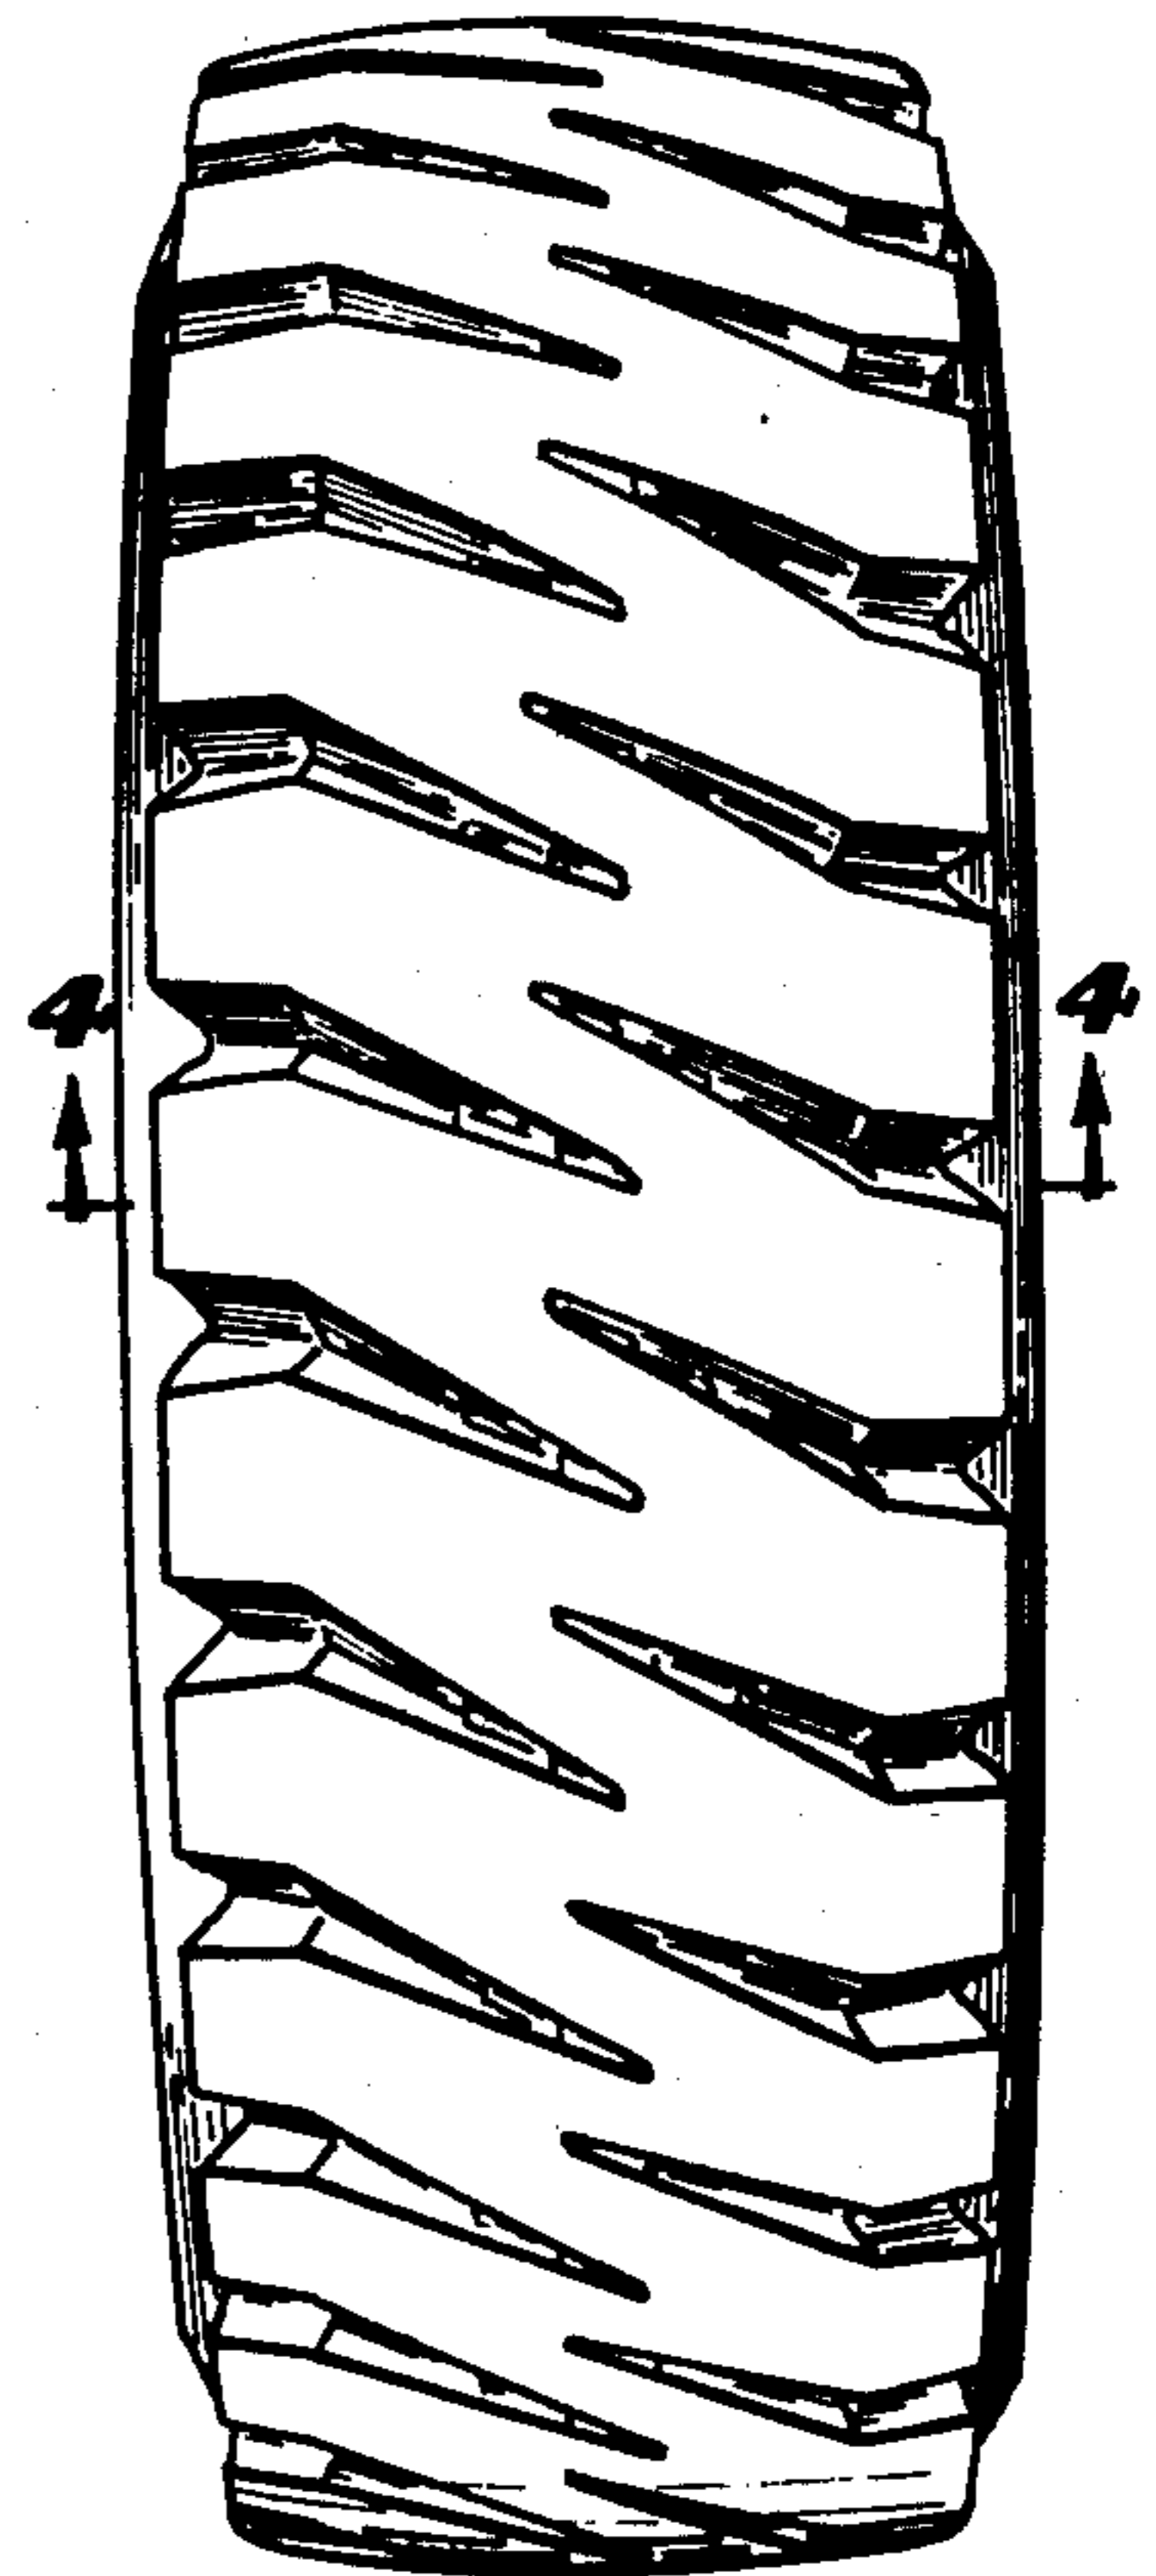

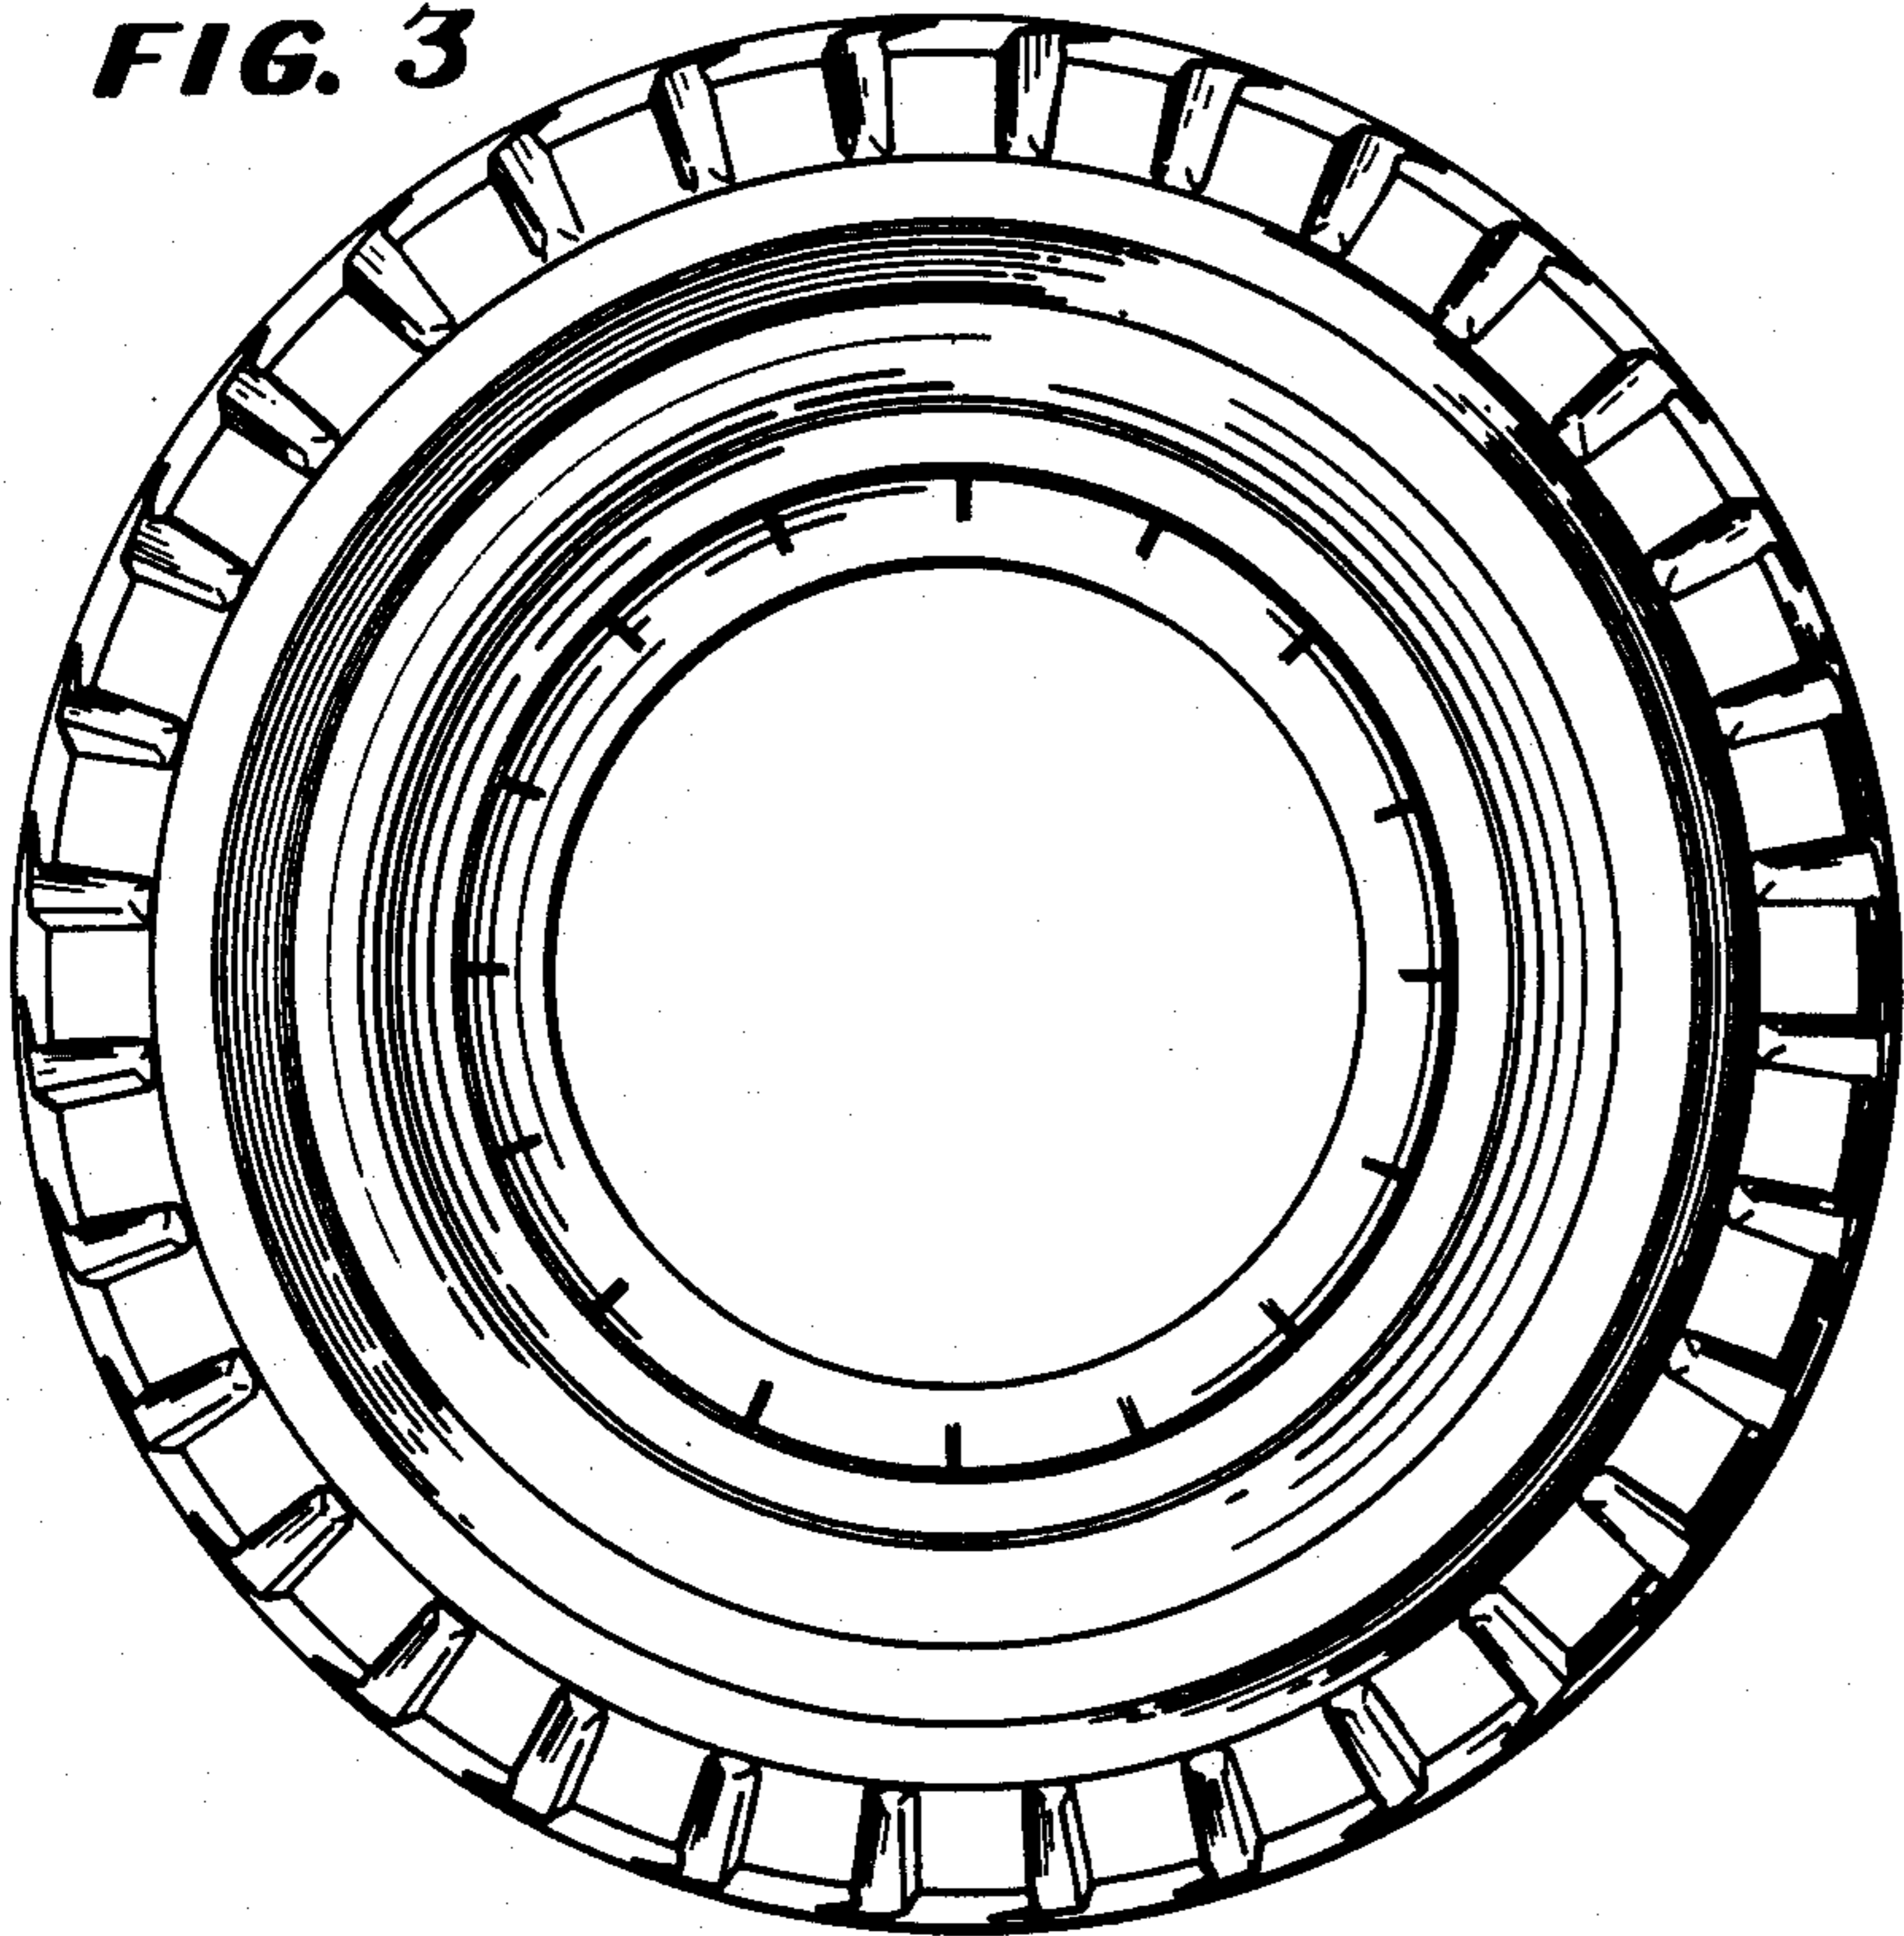

FIG. 2

FIG. 1
