[57] CLAIM

The ornamental design for a necklace made of woven beads, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a necklace made of woven beads showing my new design on a reduced scale;

FIG. 2 is an elevational view of the portion indicated in FIG. 1;

FIG. 3 is an elevational view of the portion indicated in FIG. 1, the upper part being folded over and the unseen side being a mirror image thereof;

FIG. 4 is an elevational view of the portion indicated in FIG. 1;

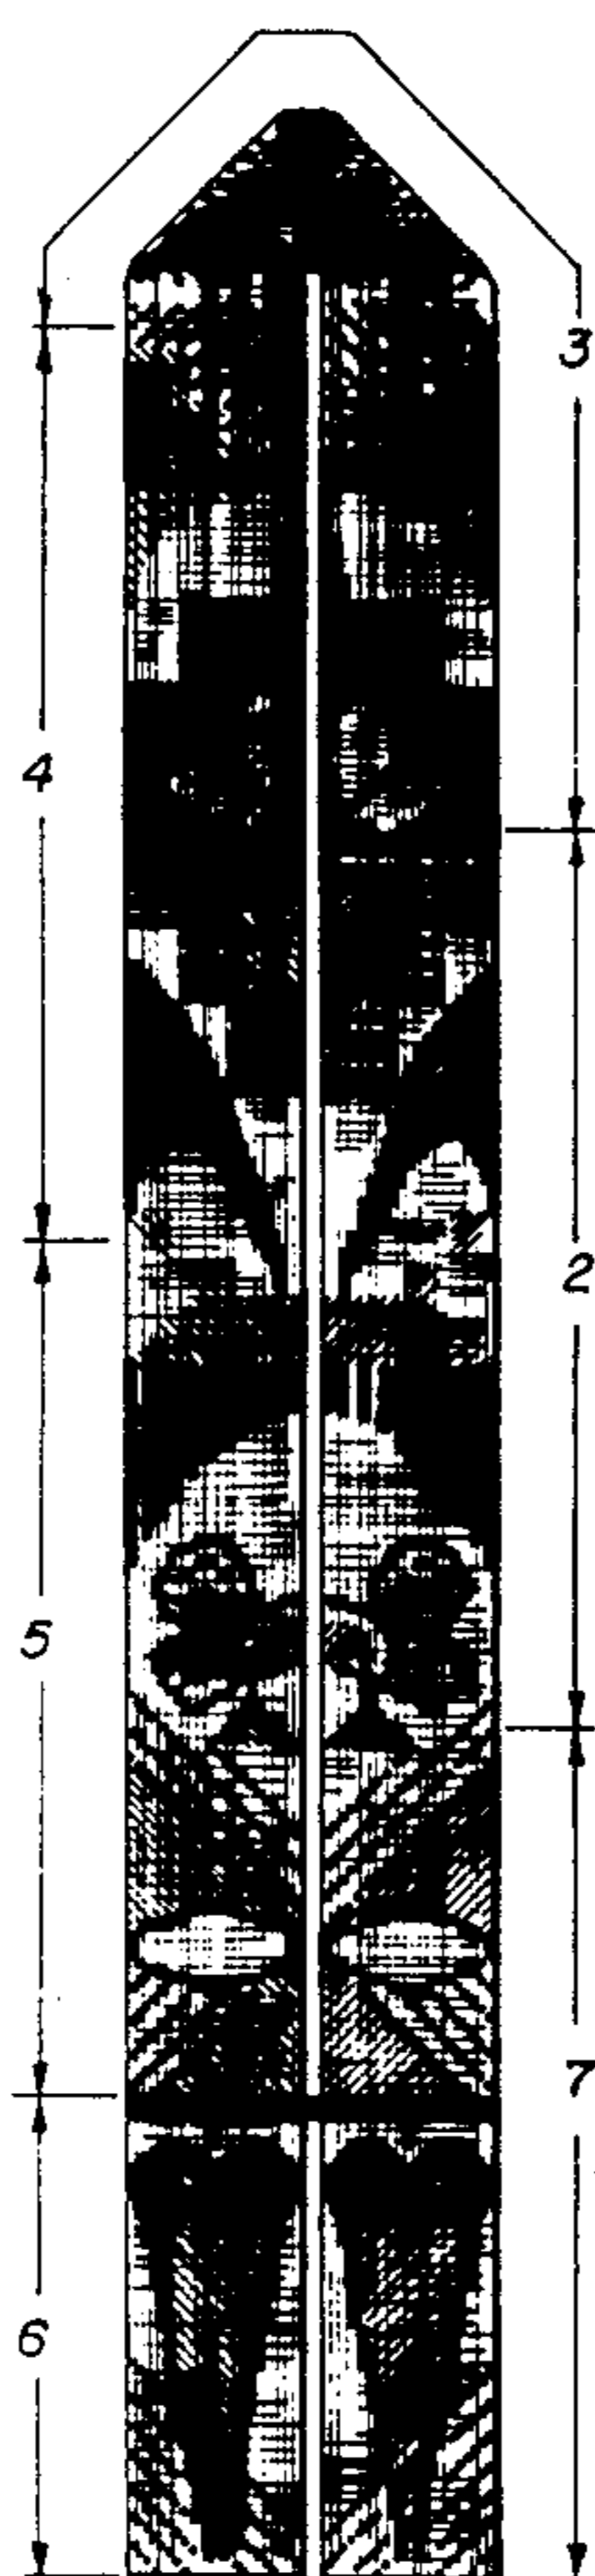

FIG. 5 is an elevational view of the portion indicated in FIG. 1;

FIG. 6 is an elevational view of the portion indicated in FIG. 1;

FIG. 7 is an elevational view of the portion indicated in FIG. 1; and

FIG. 8 is a right side elevational view, the left side being a mirror image thereof and the back of the unfolded necklace being identical to the front.

The drawing is lined for the colors brown, black and white.
