[57] CLAIM

The ornamental design for a tachograph indicator card,
as shown and described.

DESCRIPTION

FIG. 1 is a plan view of a tachograph indicator card
showing our new design.
FIG. 2 is an edge view thereof, which is identical from
any side.
FIG. 3 is a bottom plan view thereof.
The characteristic feature of the design resides in the
"S" shaped aperture disposed radially outward from the
circular central aperture of the indicator card.
