[57] CLAIM

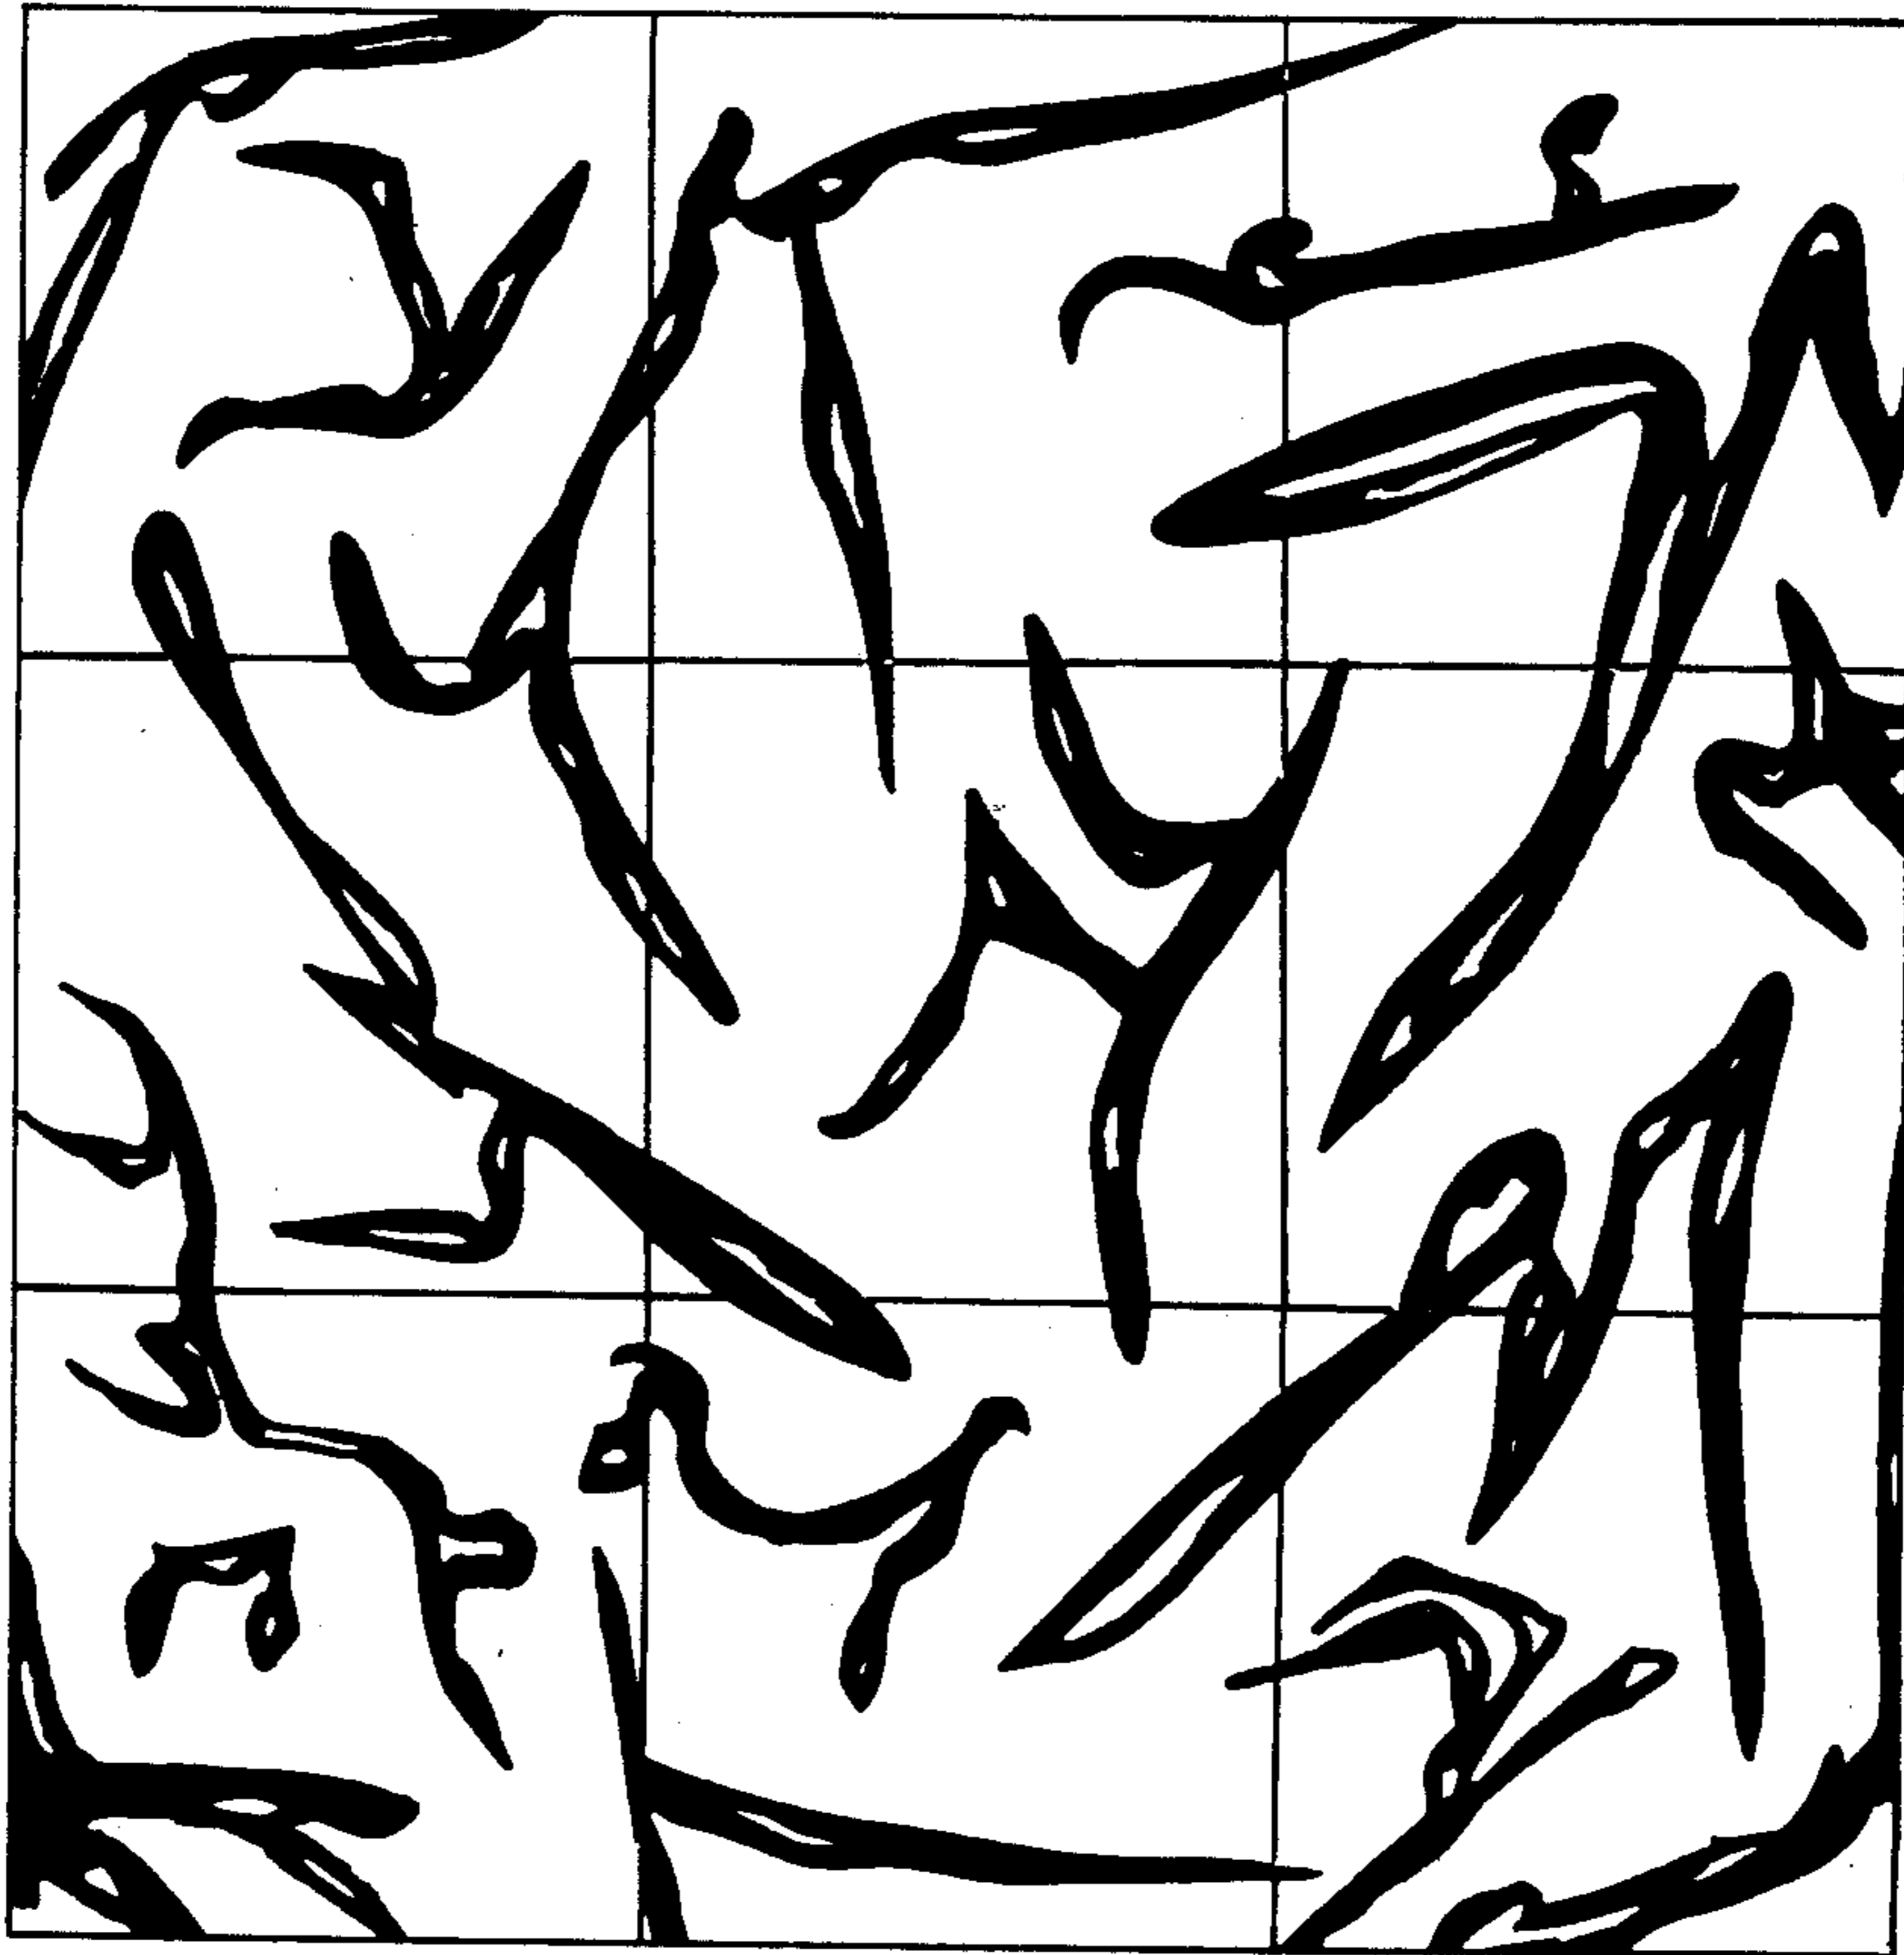

The ornamental design for a educational and/or therapeutic game set or similar article, substantially as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of the educational and/or therapeutic game set or similar article showing my new design; and

FIG. 2 is a side view thereof.

The game set comprises a plurality of squares bearing individual designs which, when selectively juxtaposed to one another form the larger abstract design depicted in FIG. 1.
