[57] **CLAIM**

The ornamental design for a photoflash lamp unit, as shown and described.

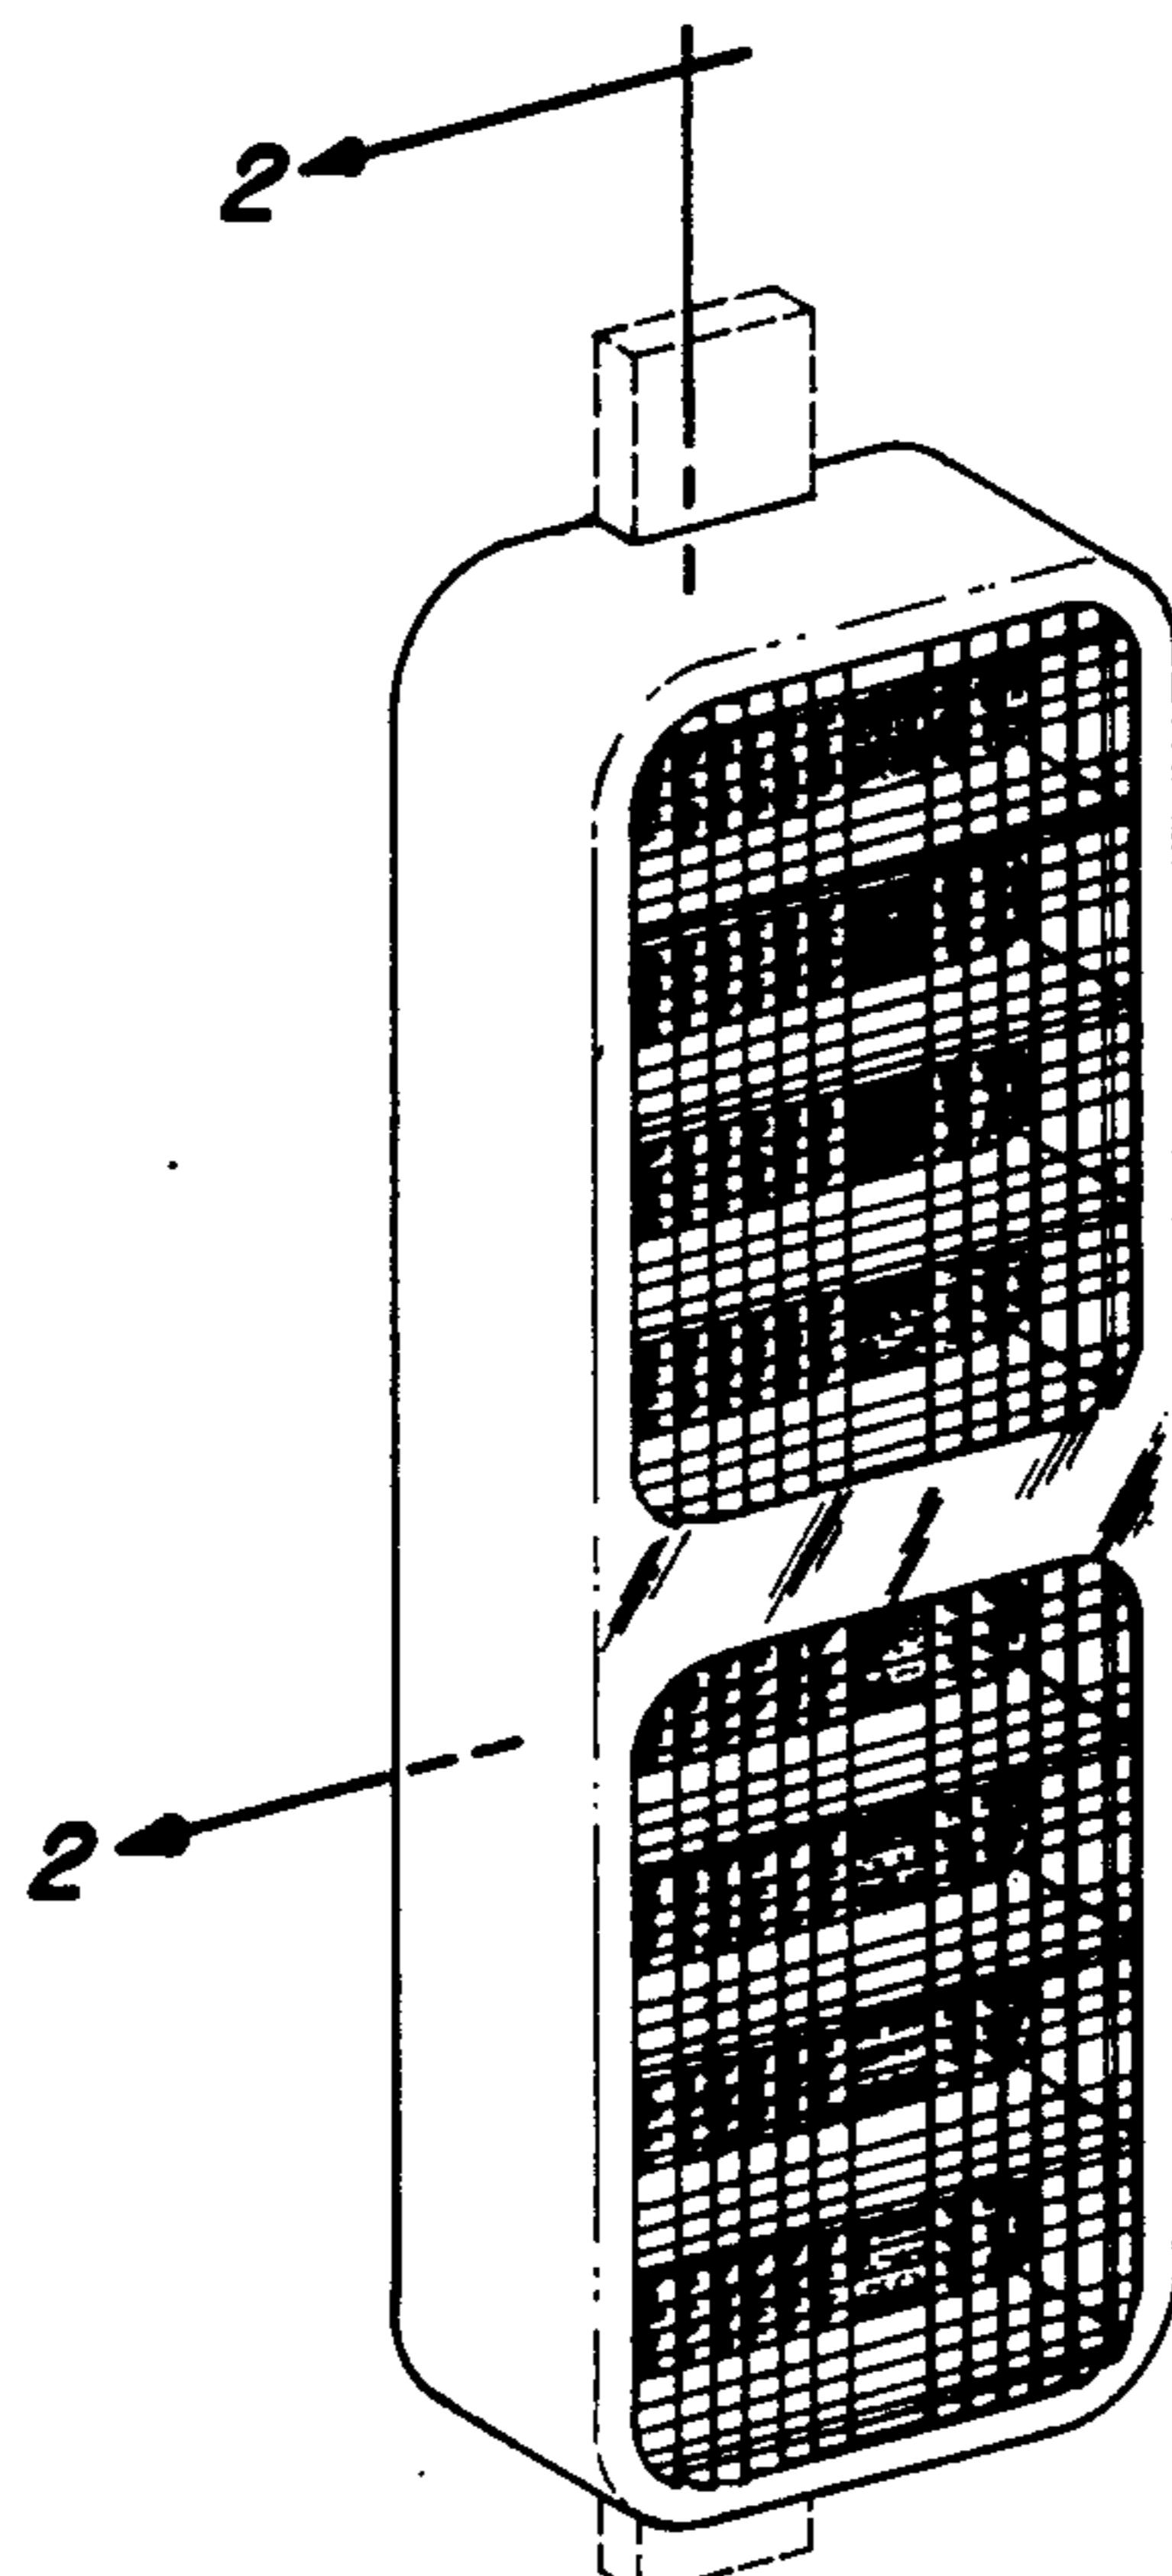

DESCRIPTION

FIG. 1 is a perspective view of a photoflash lamp unit showing my new design.

FIG. 2 is a fragmentary cross-sectional view taken on the line 2—2 of FIG. 1.

The broken line disclosure of the end connectors is for illustrative purposes only and forms no part of the claimed design.

The side and the end of the device which are not shown are identical to the side and end which are shown. The rear of the device is substantially planar and unornamented.
