[57] **CLAIM**

The ornamental design for a terminal box, substantially as shown and described.

DESCRIPTION

FIG. 1 is a view from one side of a terminal box embodying my design, the opposite side thereof being a mirror image of that shown;

FIG. 2 is a view from one end of the terminal box of FIG. 1, the opposite end thereof being a mirror image of that shown; and

FIG. 3 is a top plan view of the terminal box.
