[57] CLAIM

The ornamental design for a combined container closure and article holder, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a combined container closure and article holder showing our new design, with a container and razor being shown in broken lines for illustrative purposes only;

FIG. 2 is an enlarged perspective view;

FIG. 3 is a top plan view;

FIG. 4 is a side elevational view, the opposite side being a mirror image thereof; and

FIG. 5 is a front elevational view.
