[57] **CLAIM**

The ornamental design for a combined tool cart and work table, as shown.

DESCRIPTION

FIG. 1 is an elevational view of one side of a combined tool cart and work table, showing my new design, the hinged drop leaf being shown in folded, or vertical, mode, the opposite side being a mirror image thereof when the hinged drop leaf on the opposite side is in folded mode;

FIG. 2 is a top plan view thereof with the hinged drop leaf on one side in folded mode and the hinged drop leaf on the opposite side being in unfolded, or horizontal, mode;

FIG. 3 is an elevational view of the right end thereof, the left end being a mirror image of the right end shown herein; and,

FIG. 4 is a transverse sectional view thereof taken on the line 4-4 in FIG. 2, showing both of the drop leaves in horizontal mode and illustrating the longitudinal well in the top of the table.
