[57] CLAIM

The ornamental design for a perpetual calendar, as shown.

DESCRIPTION

FIG. 1 is a front elevational view of a perpetual calendar, showing my new design, the rear elevational view being unornamented except for the grommets; and FIG. 2 is a left side elevational view, the right side elevational view being a mirror image thereof. The arrangement of the abbreviated week day designations shown in FIG. 1 is for illustrative purposes only.
