[57] CLAIM

The ornamental design for a bottle drainer, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the bottle drainer showing my new design;  
FIG. 2 is a rear perspective view thereof;  
FIG. 3 is a partially cutaway perspective view of the rear thereof, particularly illustrating the removable upper and lower bottle support structures;  
FIG. 4 is a bottom view thereof; and  
FIG. 5 is a top view thereof, illustrating the alignment of the upper and middle removable bottle support structures.
