Primary Examiner—James M. Gandy
[57] CLAIM

The ornamental design for a spinner for bike hub, as shown and described.

[45]

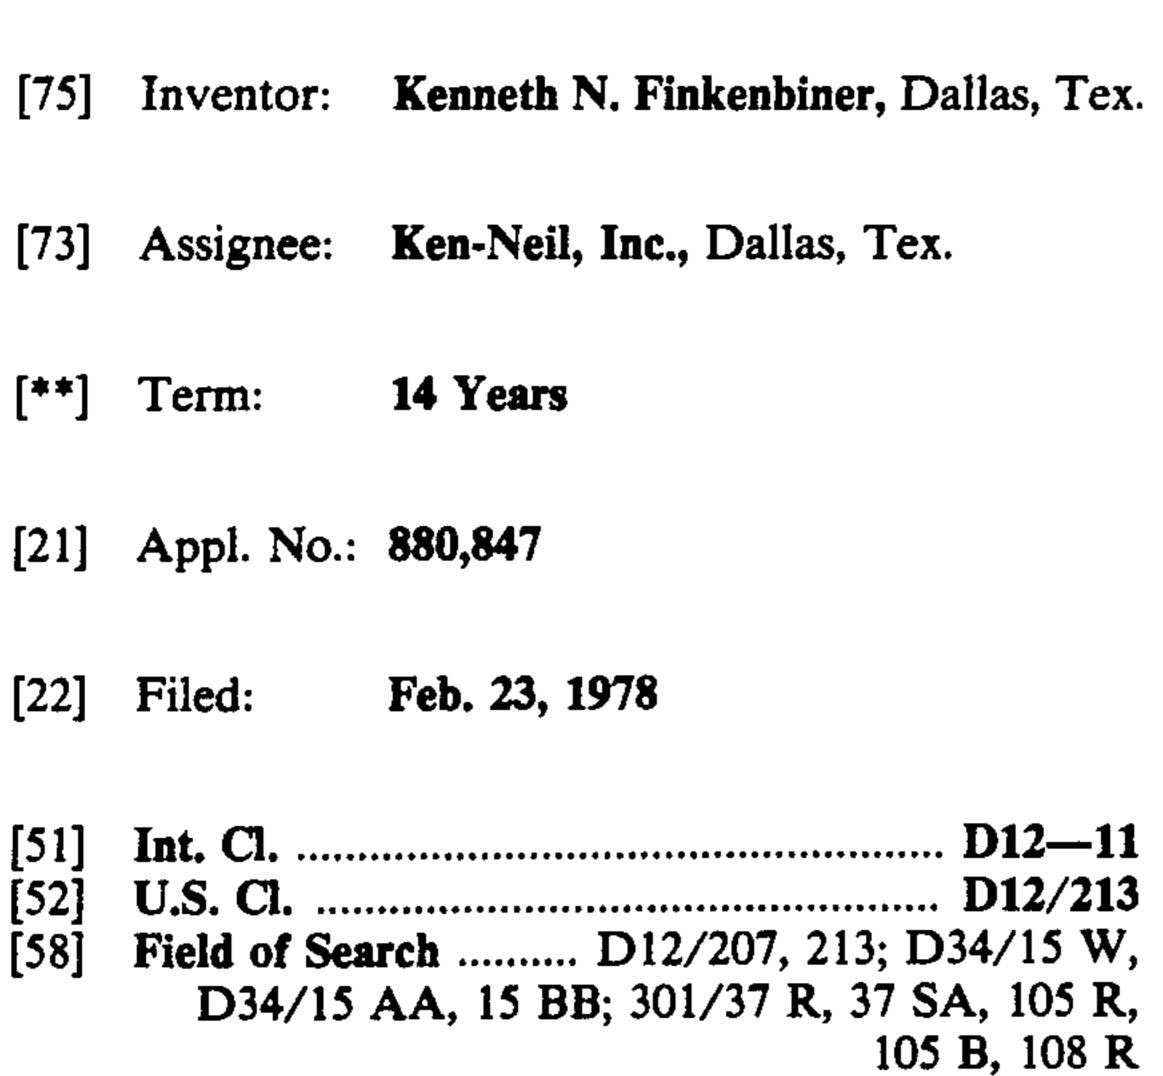

## DESCRIPTION

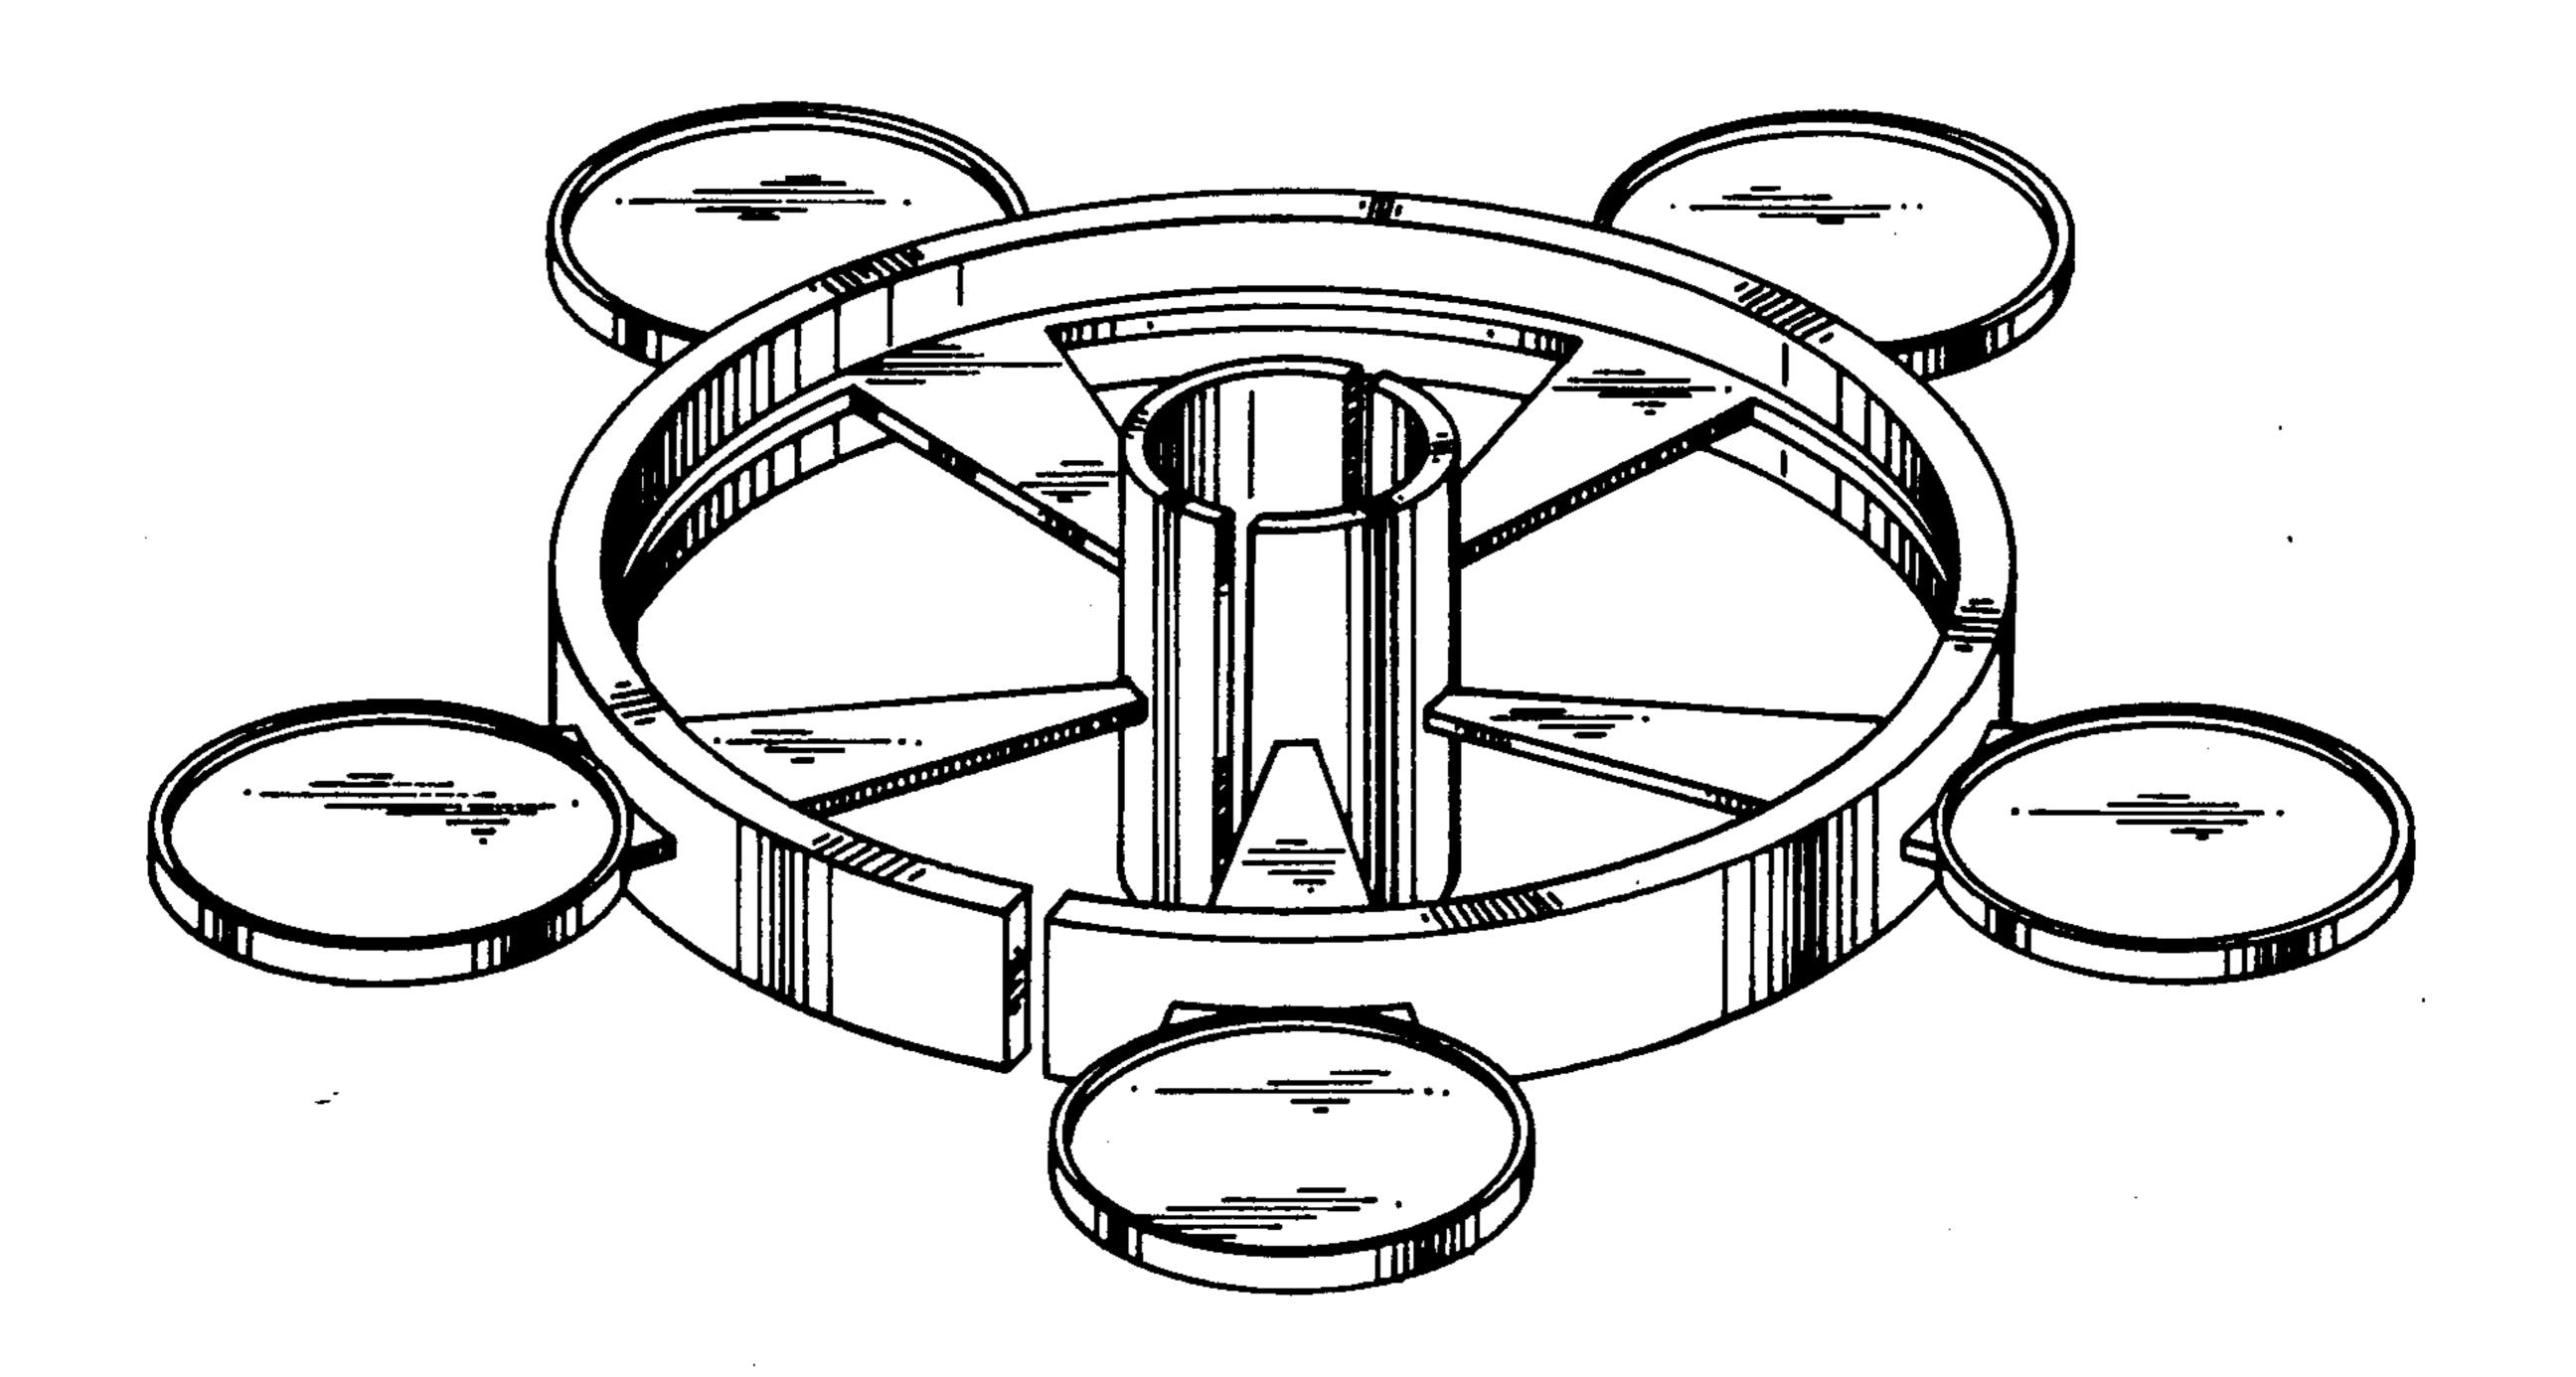

FIG. 1 is a perspective view of a spinner for bike hub showing my new design;

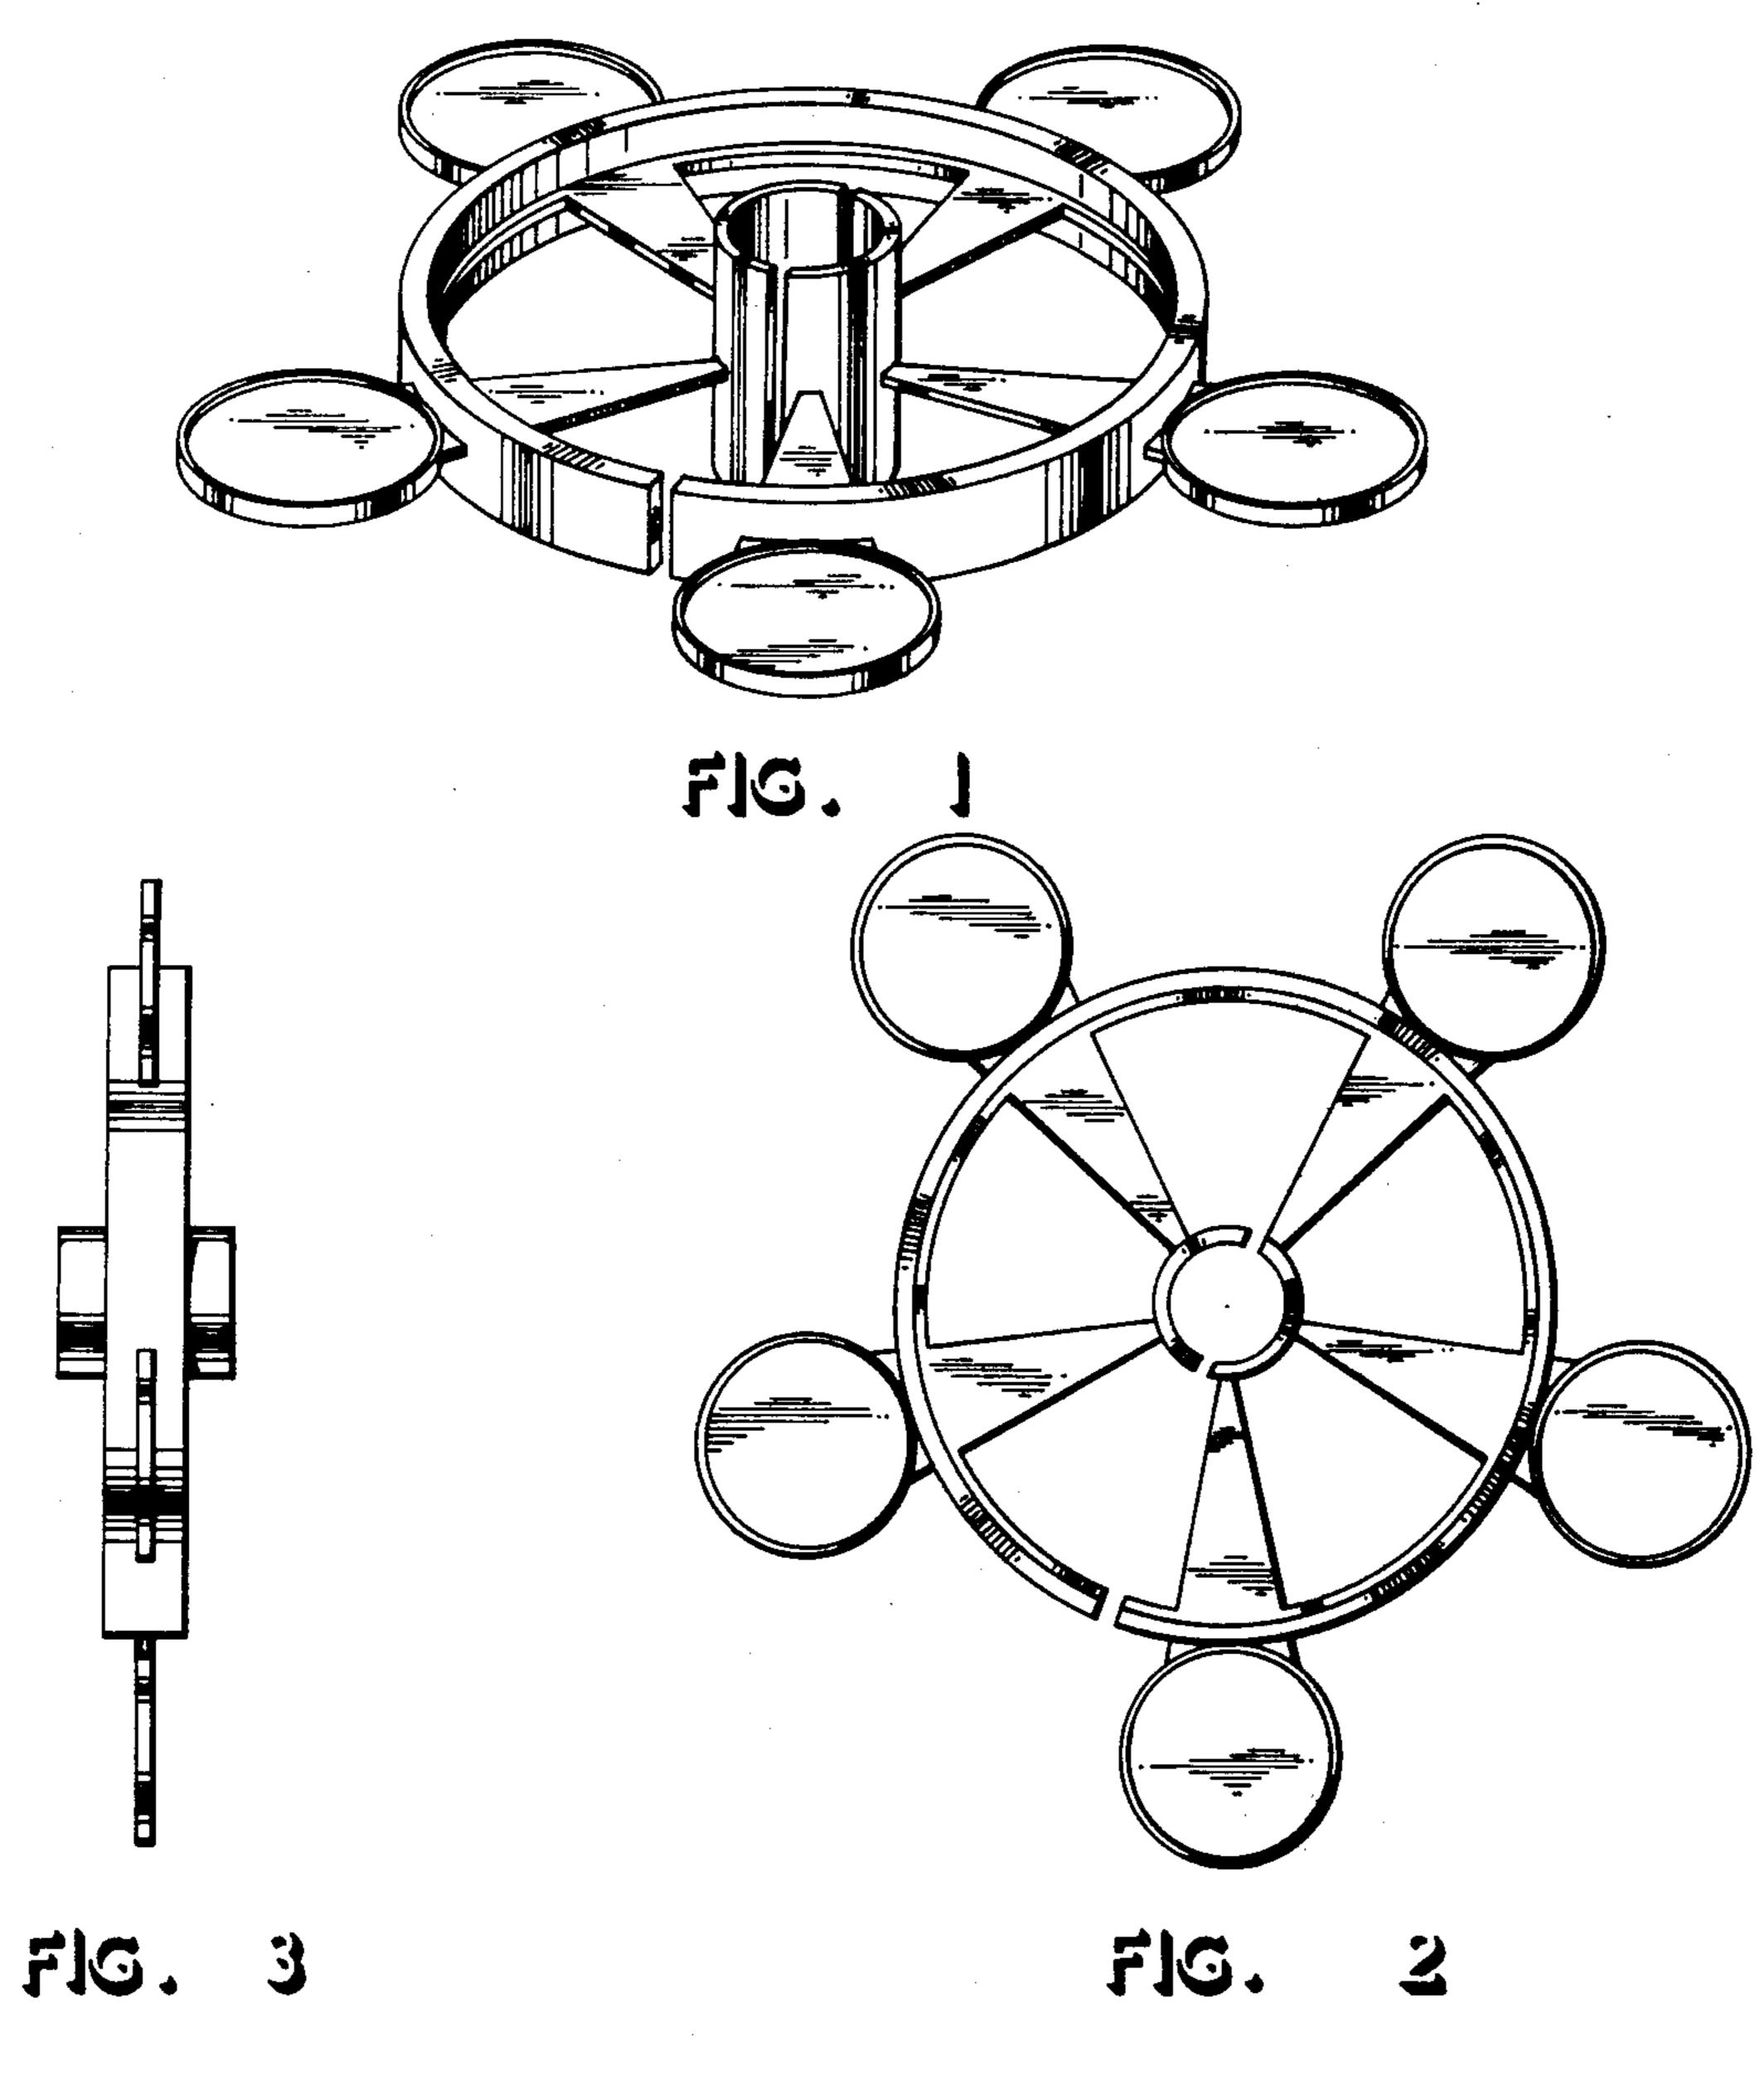

FIG. 2 is a side elevational view thereof, the opposite side being a mirror image of the side shown herein;

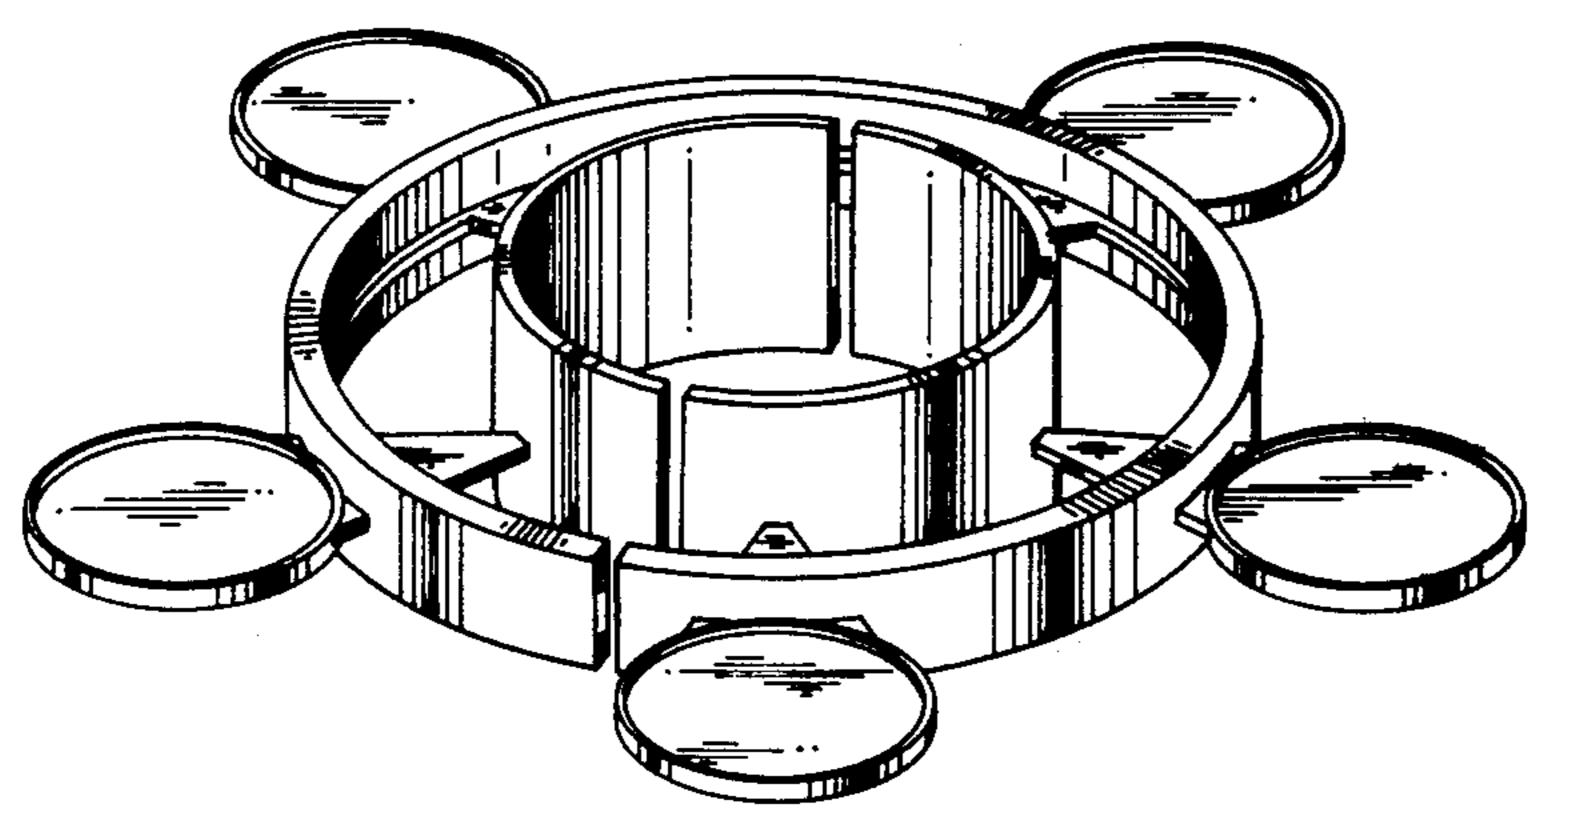

FIG. 3 is an end elevational view thereof; and FIG. 4 is a perpsective view of a spinner for bike hub showing a second embodiment of my new design, the

differences being in the enlarged central hub adapter and the reduced length of the spokemembers.
