[57] **CLAIM**

The ornamental design for a clock radio or similar article, as shown and described.

**DESCRIPTION**

FIG. 1 is a top plan view of a clock radio or similar article showing my new design, with the partially shown pattern of parallel rows of top recesses being continuous;  
FIG. 2 is a right side elevational view thereof;  
FIG. 3 is a left side elevational view thereof;  
FIG. 4 is a front elevational view thereof; and  
FIG. 5 is a rear elevational view thereof.
