[57] **CLAIM**

The ornamental design for a hot air hand drier cabinet, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a hot air hand drier cabinet showing my new design;

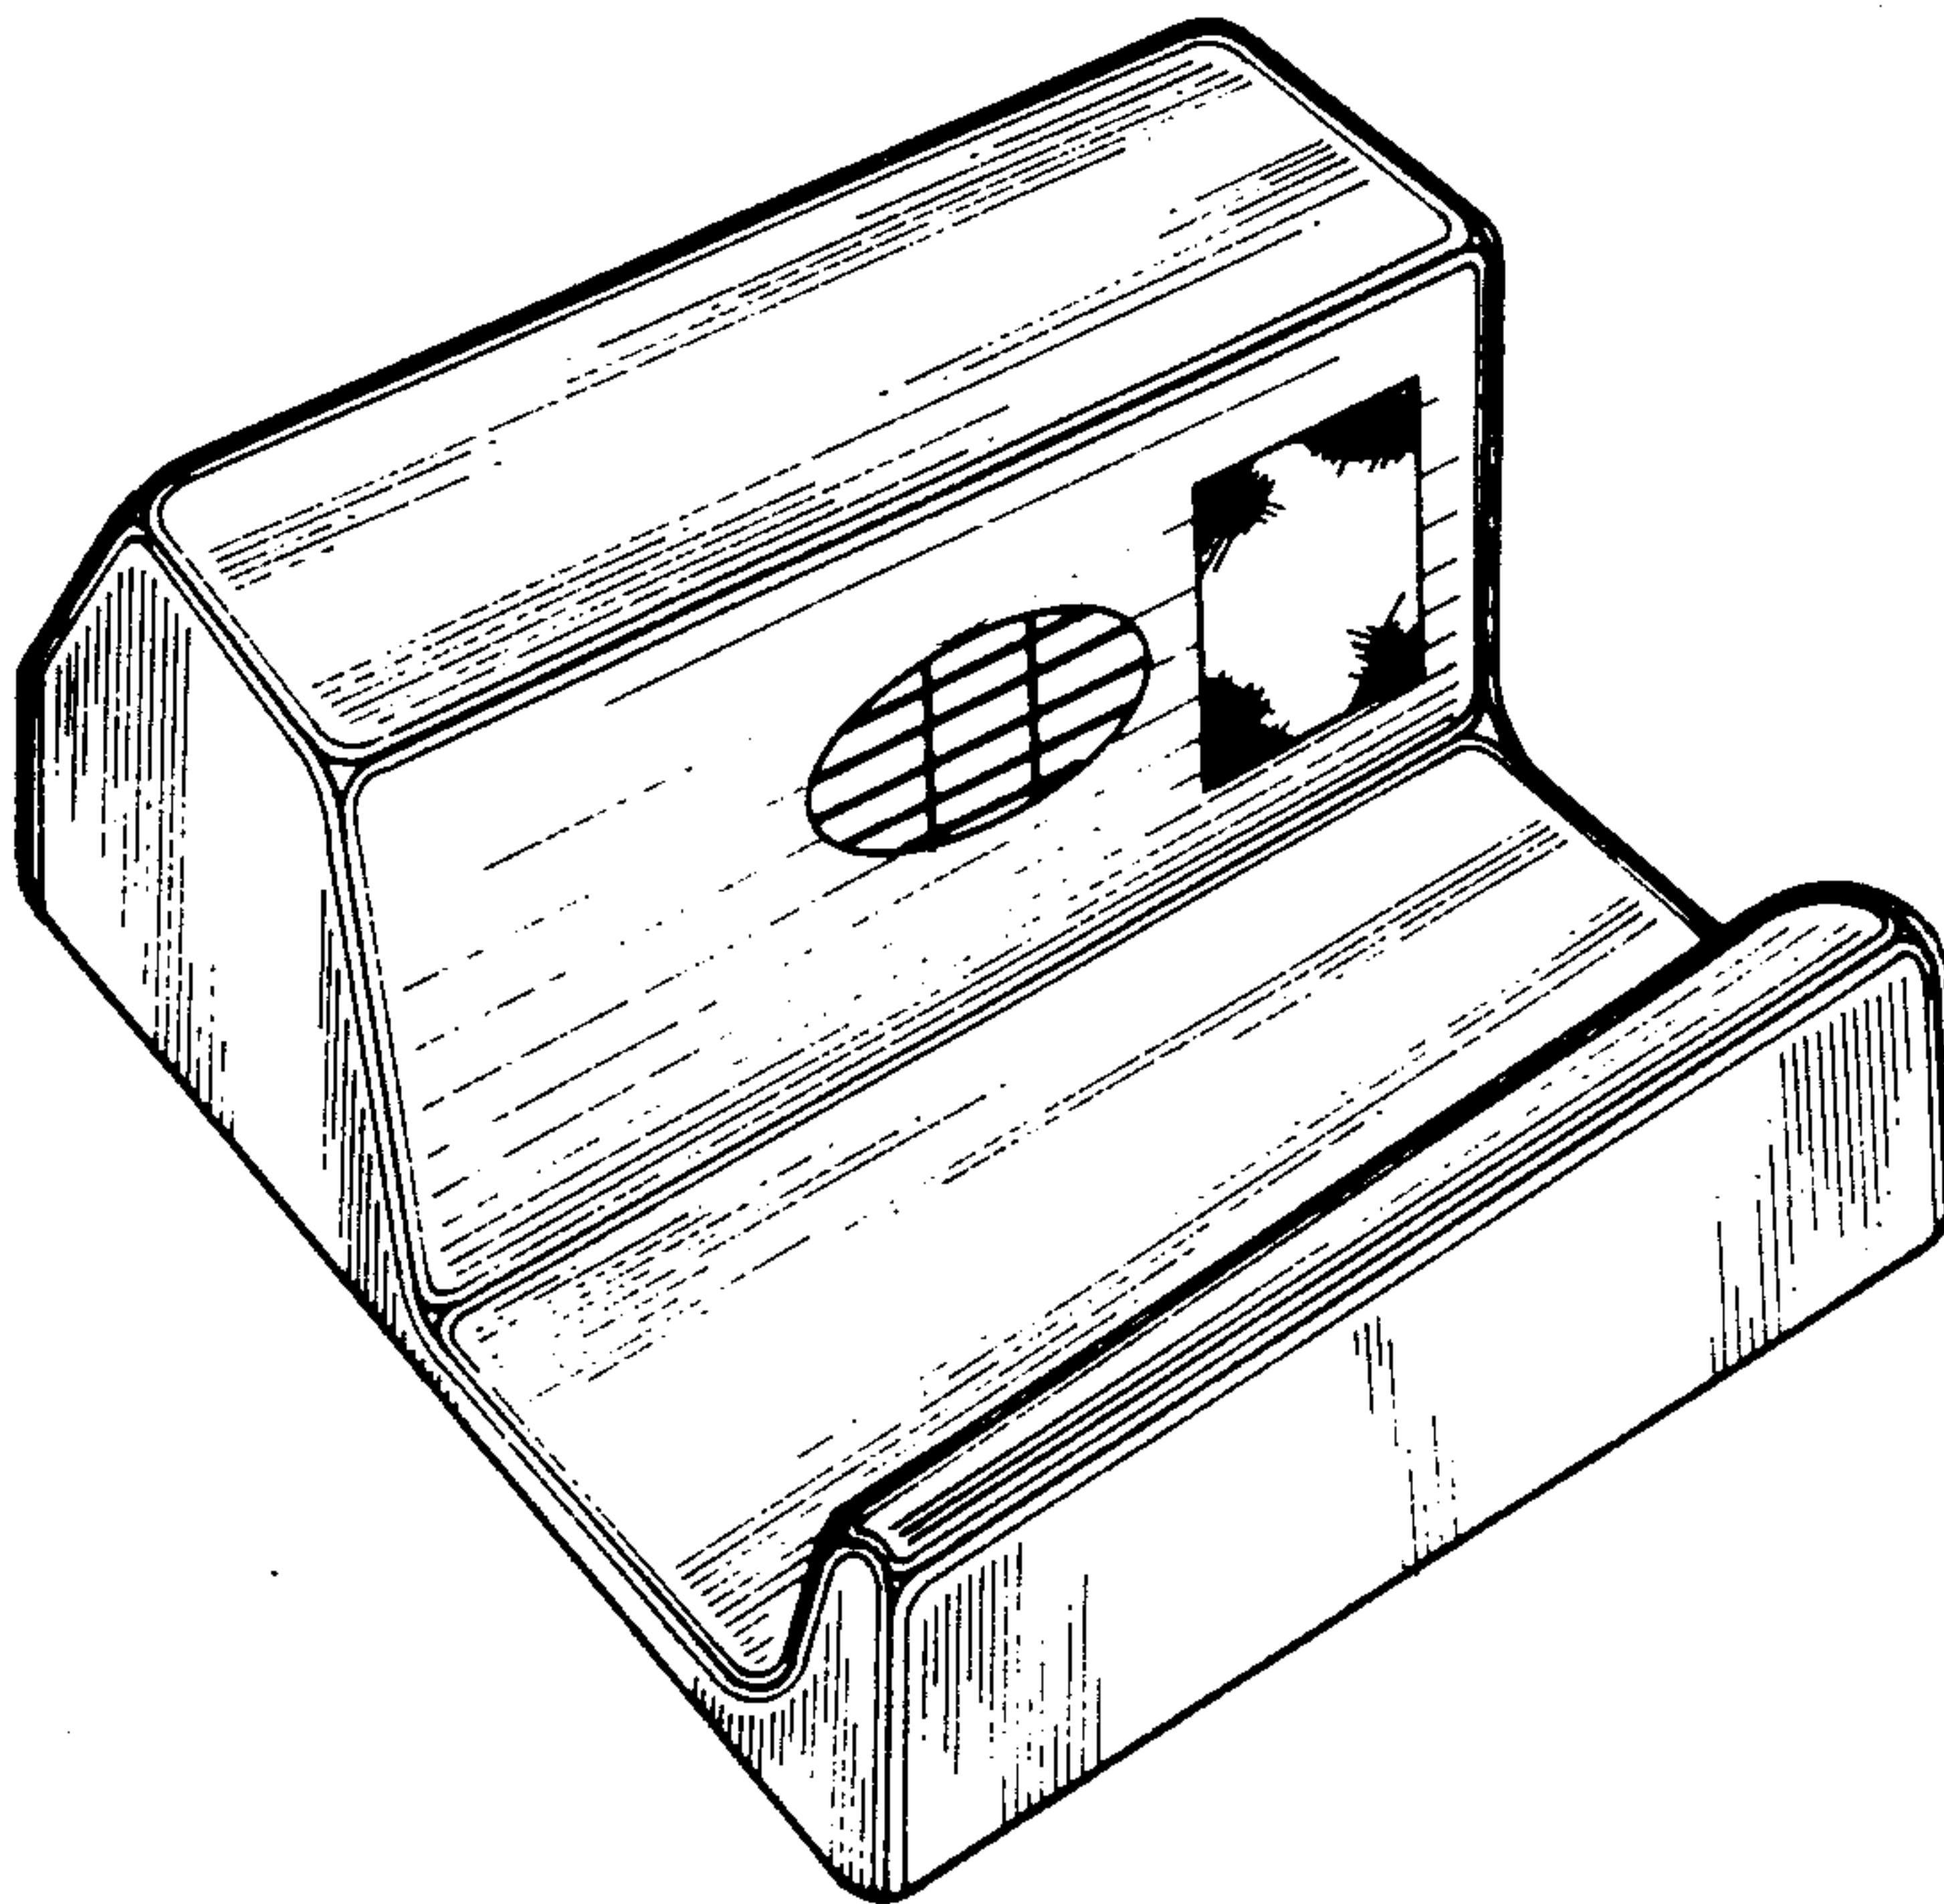

FIG. 2 is a bottom left perspective view thereof;

FIG. 3 is a bottom right perspective view thereof;

FIG. 4 is a top plan view thereof;

FIG. 5 is a right side elevational view, the left side being a mirror image thereof.

The grill pattern which is shown fragmentally in FIGS. 1-3 is understood to repeat continuously across the indicated area. The rear of the device is substantially plainer and unornamented.
