[57] **CLAIM**

The ornamental design for a water injected cooling tower, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of a water injected cooling tower showing my new design;
 FIG. 2 is an elevational view taken from one side thereof, the opposite side being the same as the side shown;
 FIG. 3 is a top plan view thereof; and
 FIG. 4 is an elevational view taken from one end thereof, the opposite end being the same as the end shown.
