[57] CLAIM

The ornamental design for a garbage can enclosure, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a garbage can enclosure, showing my new design and shown with the doors closed;

FIG. 2 is another front perspective view thereof, but shown on a slightly smaller scale and with the doors open;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a side elevational view, the opposite side being a mirror image thereof.
