[57] CLAIM

The ornamental design for a freight retaining panel for a railroad car, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a freight retaining panel for a railroad car showing my new design; FIG. 2 is a right side elevational view thereof, the left side being a mirror image of the right side as shown; FIG. 3 is a rear elevational view thereof; and FIG. 4 is a top plan view thereof, the bottom being a mirror image of the top as shown.
