[57] CLAIM

The ornamental design for a case for a printing calculator, substantially as shown and described.

DESCRIPTION

FIG. 1 is a view in perspective of a case for a printing calculator showing our new design;
FIG. 2 is top plan view thereof;
FIG. 3 is a front elevational view thereof;
FIG. 4 is a right side elevational view thereof; and
FIG. 5 is a rear elevational view thereof. The bottom of the calculator case is plain and conventional.
