[57] CLAIM

The ornamental design for a digital entry programmable scanning radio receiver or the like, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a digital entry programmable scanning radio receiver or the like showing my new design;

FIG. 2 is a right side elevational view, the left side being substantially a mirror image thereof; and

FIG. 3 is a top plan view.

The rear and bottom of the receiver are plain.

FIG. 1

FIG. 2

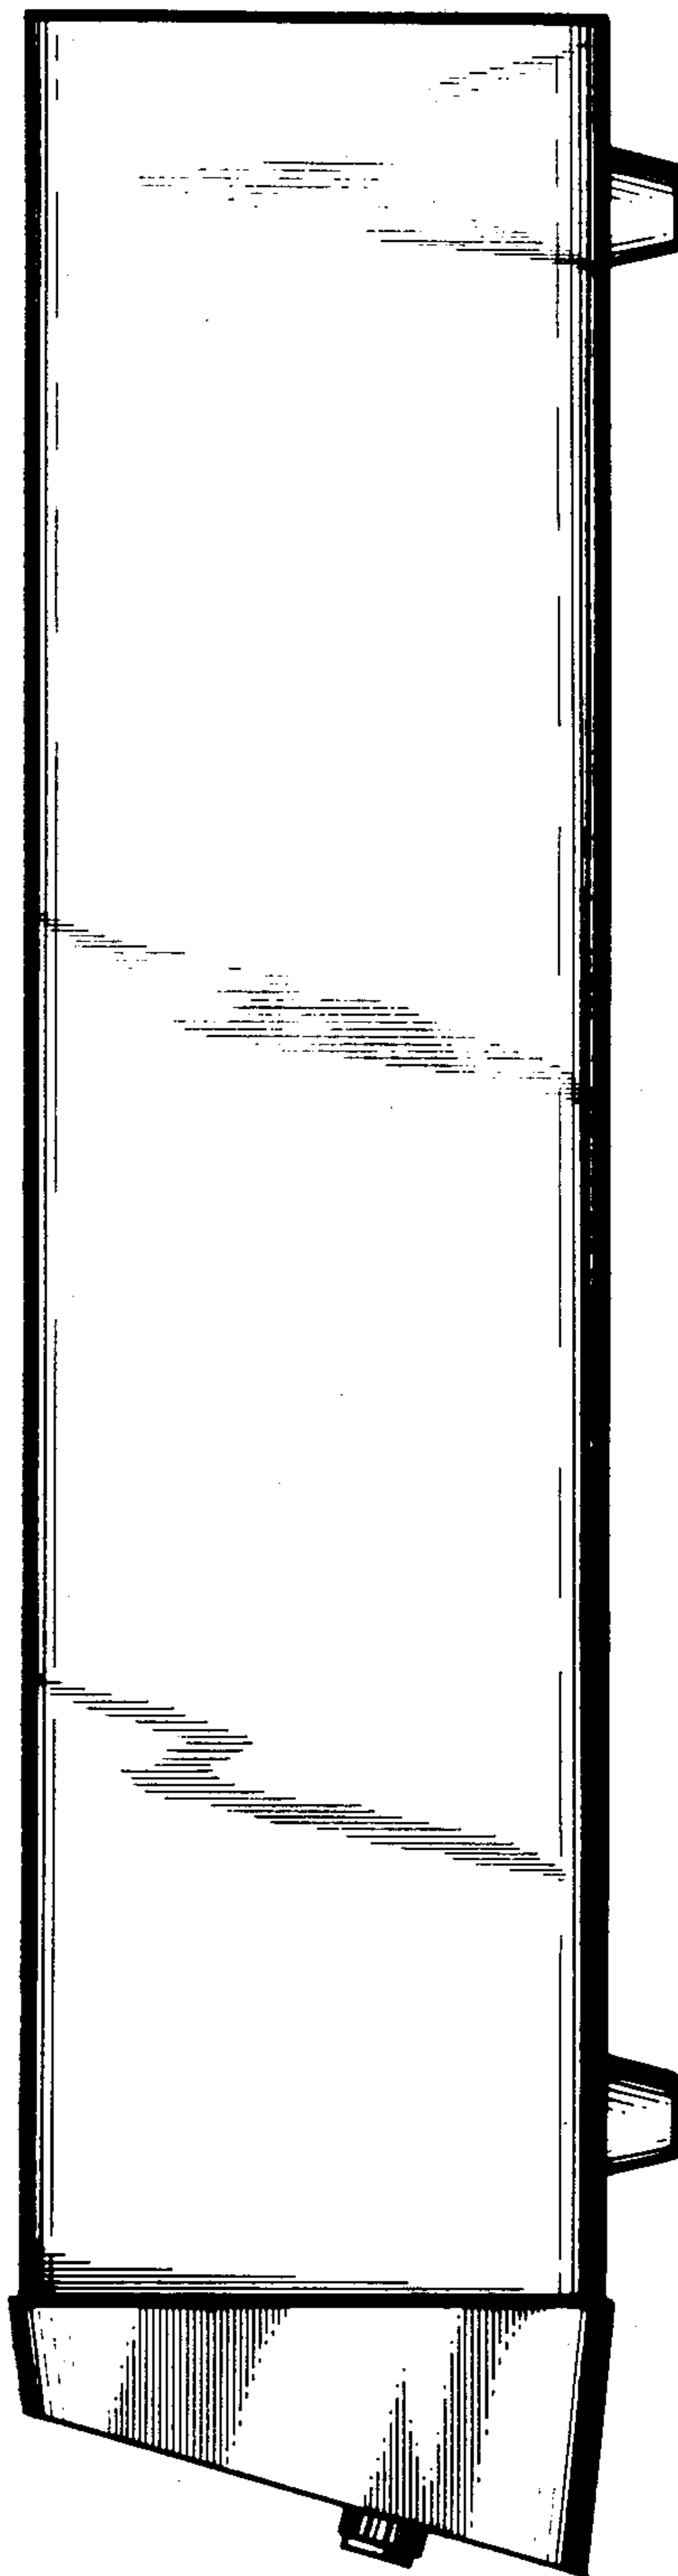

FIG. 3
