[57] **CLAIM**

The ornamental design for an underwater console attaching slate board, as shown and described.

**DESCRIPTION**

FIG. 1 is a rear elevation of an underwater console attaching slate board, showing my new design; FIG. 2 is a front elevation thereof; FIG. 3 is a side elevation thereof; and FIG. 4 is an elevation of the side opposite FIG. 3. FIG. 5 is an end elevational view, and FIG. 6 is an end elevational view taken from the end opposite to that of FIG. 1 and with the slate being turned over.

The broken lines are shown for illustrative purposes only.
