[57] CLAIM

The ornamental design for a safety rail for sliding panels, substantially as shown.

DESCRIPTION

FIG. 1 is a front perspective view of a safety rail for sliding panels showing my new design; FIG. 2 is a rear perspective view thereof; and FIG. 3 is an enlarged elevational view thereof partially in section and with a portion broken away for convenience of illustration, it being understood that the broken line showing of the sliding panels is for illustrative purposes only.

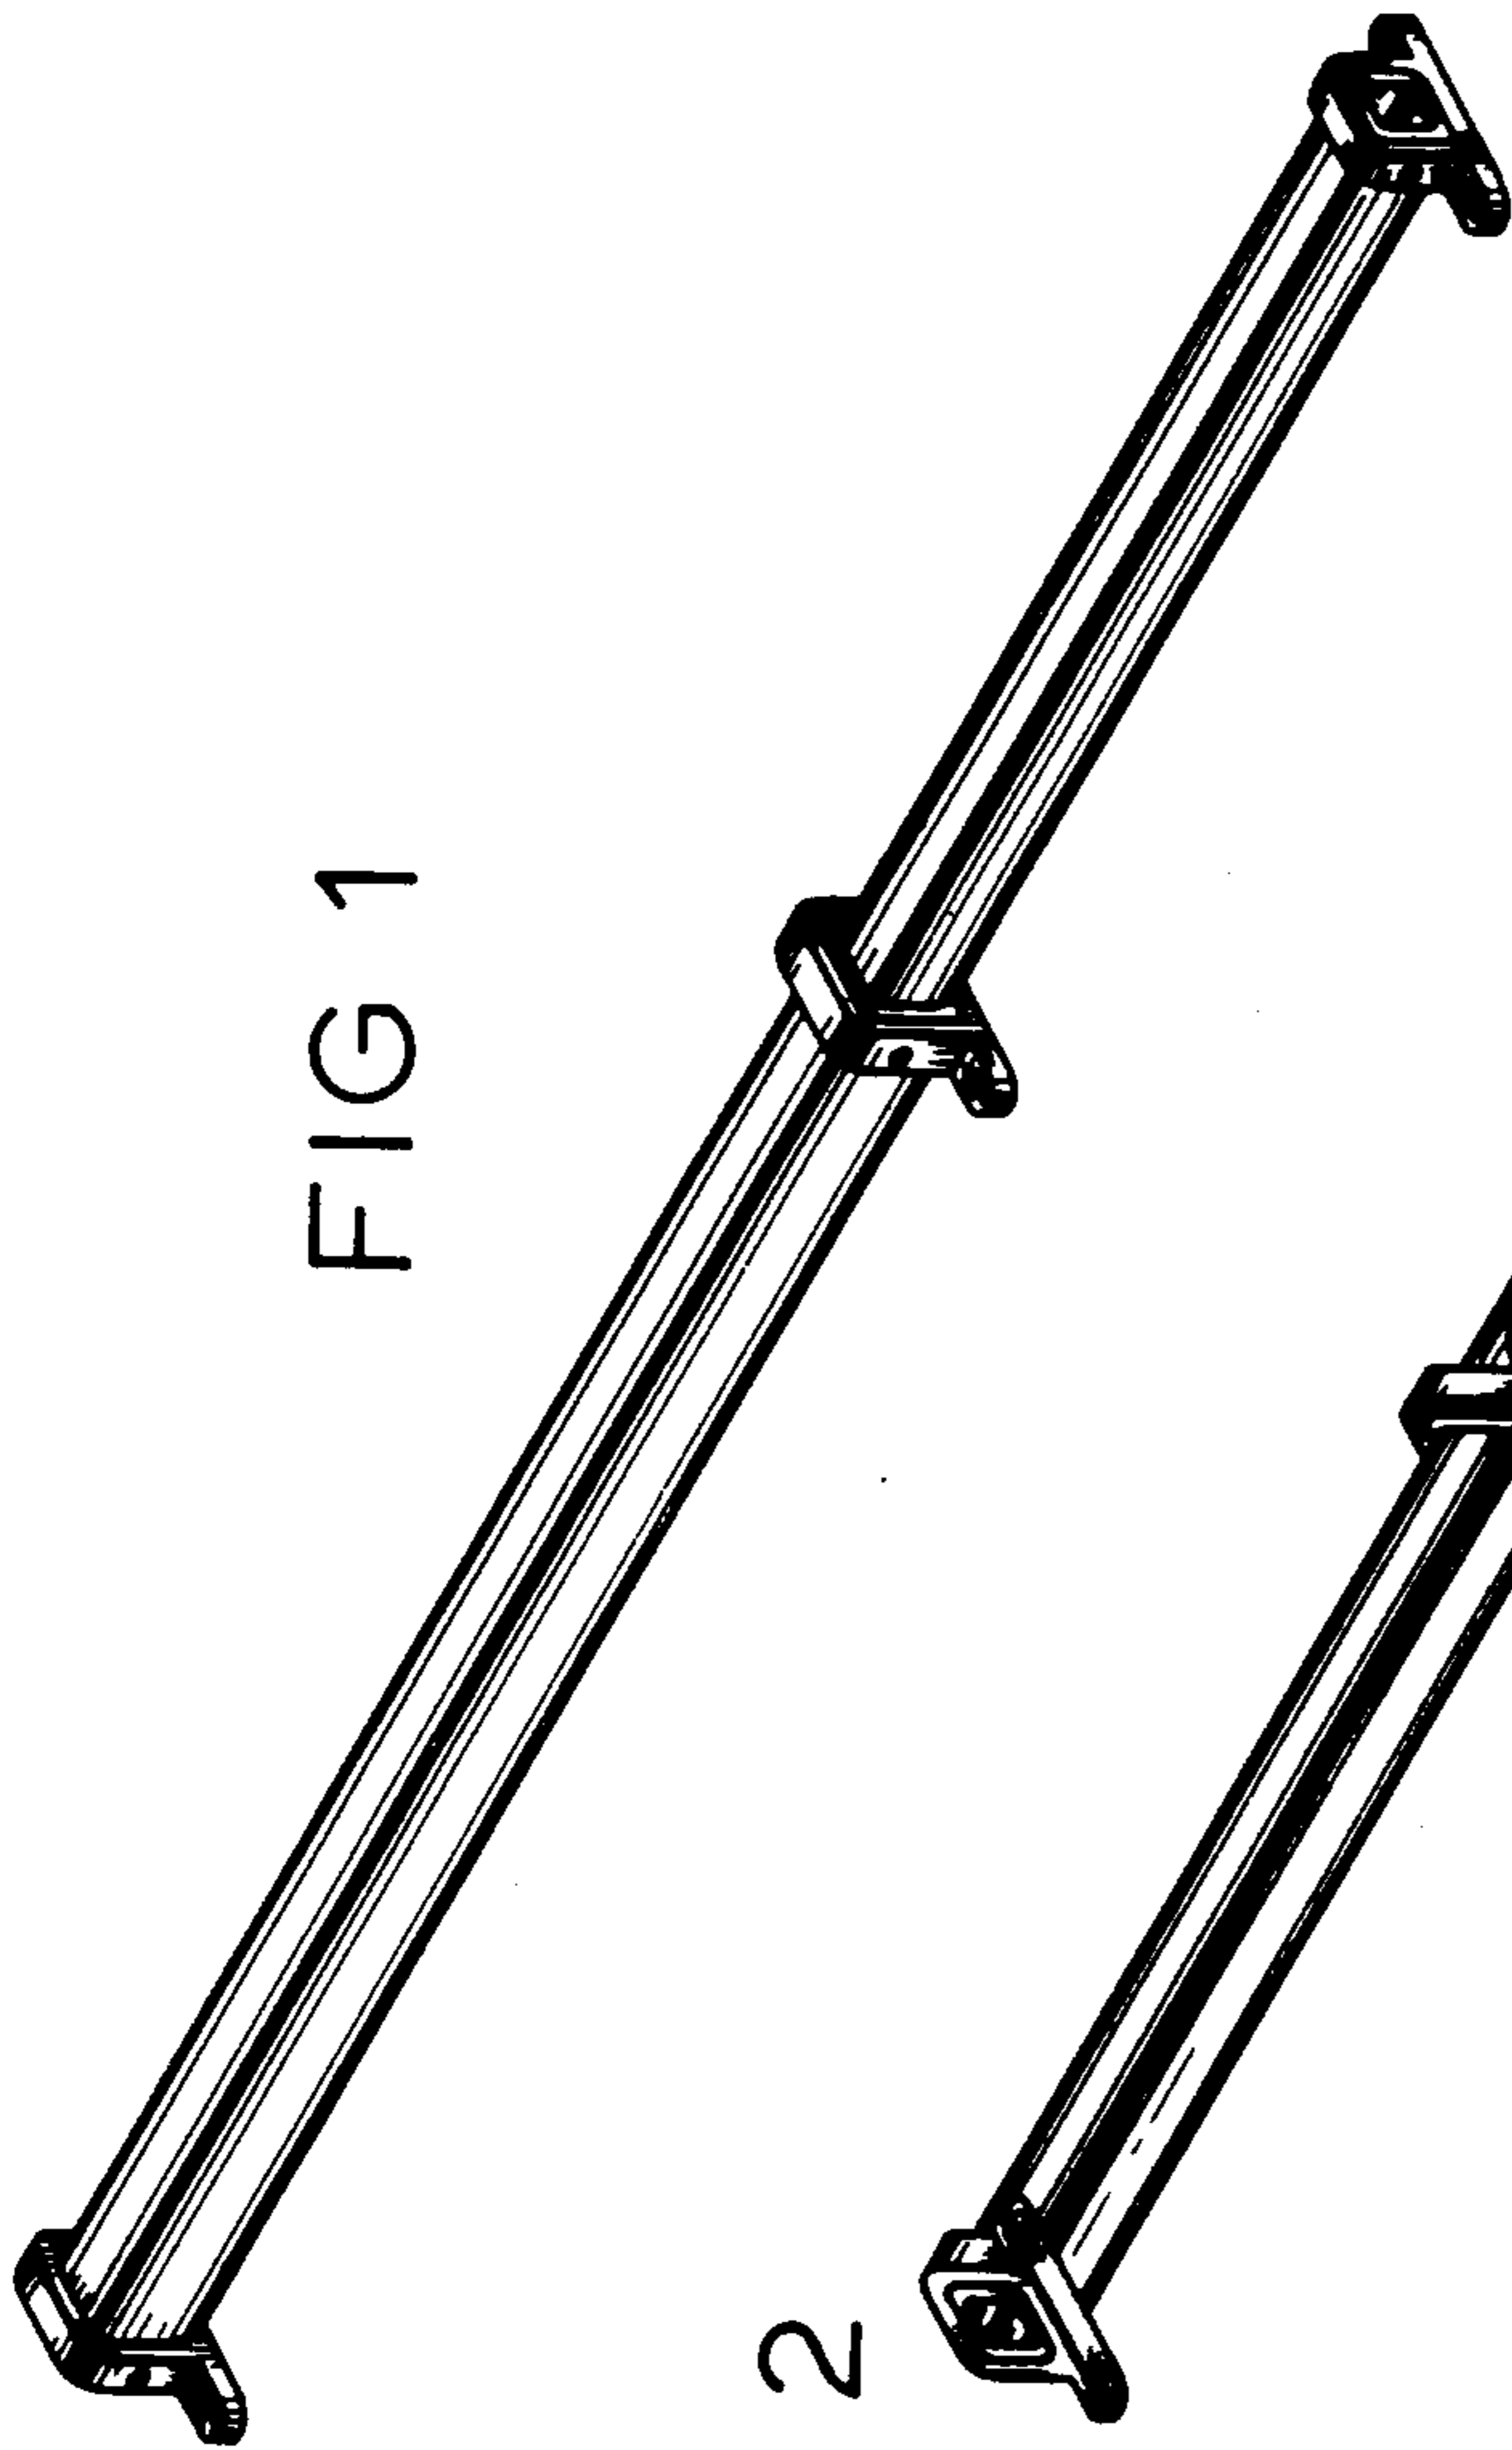

FIG 1

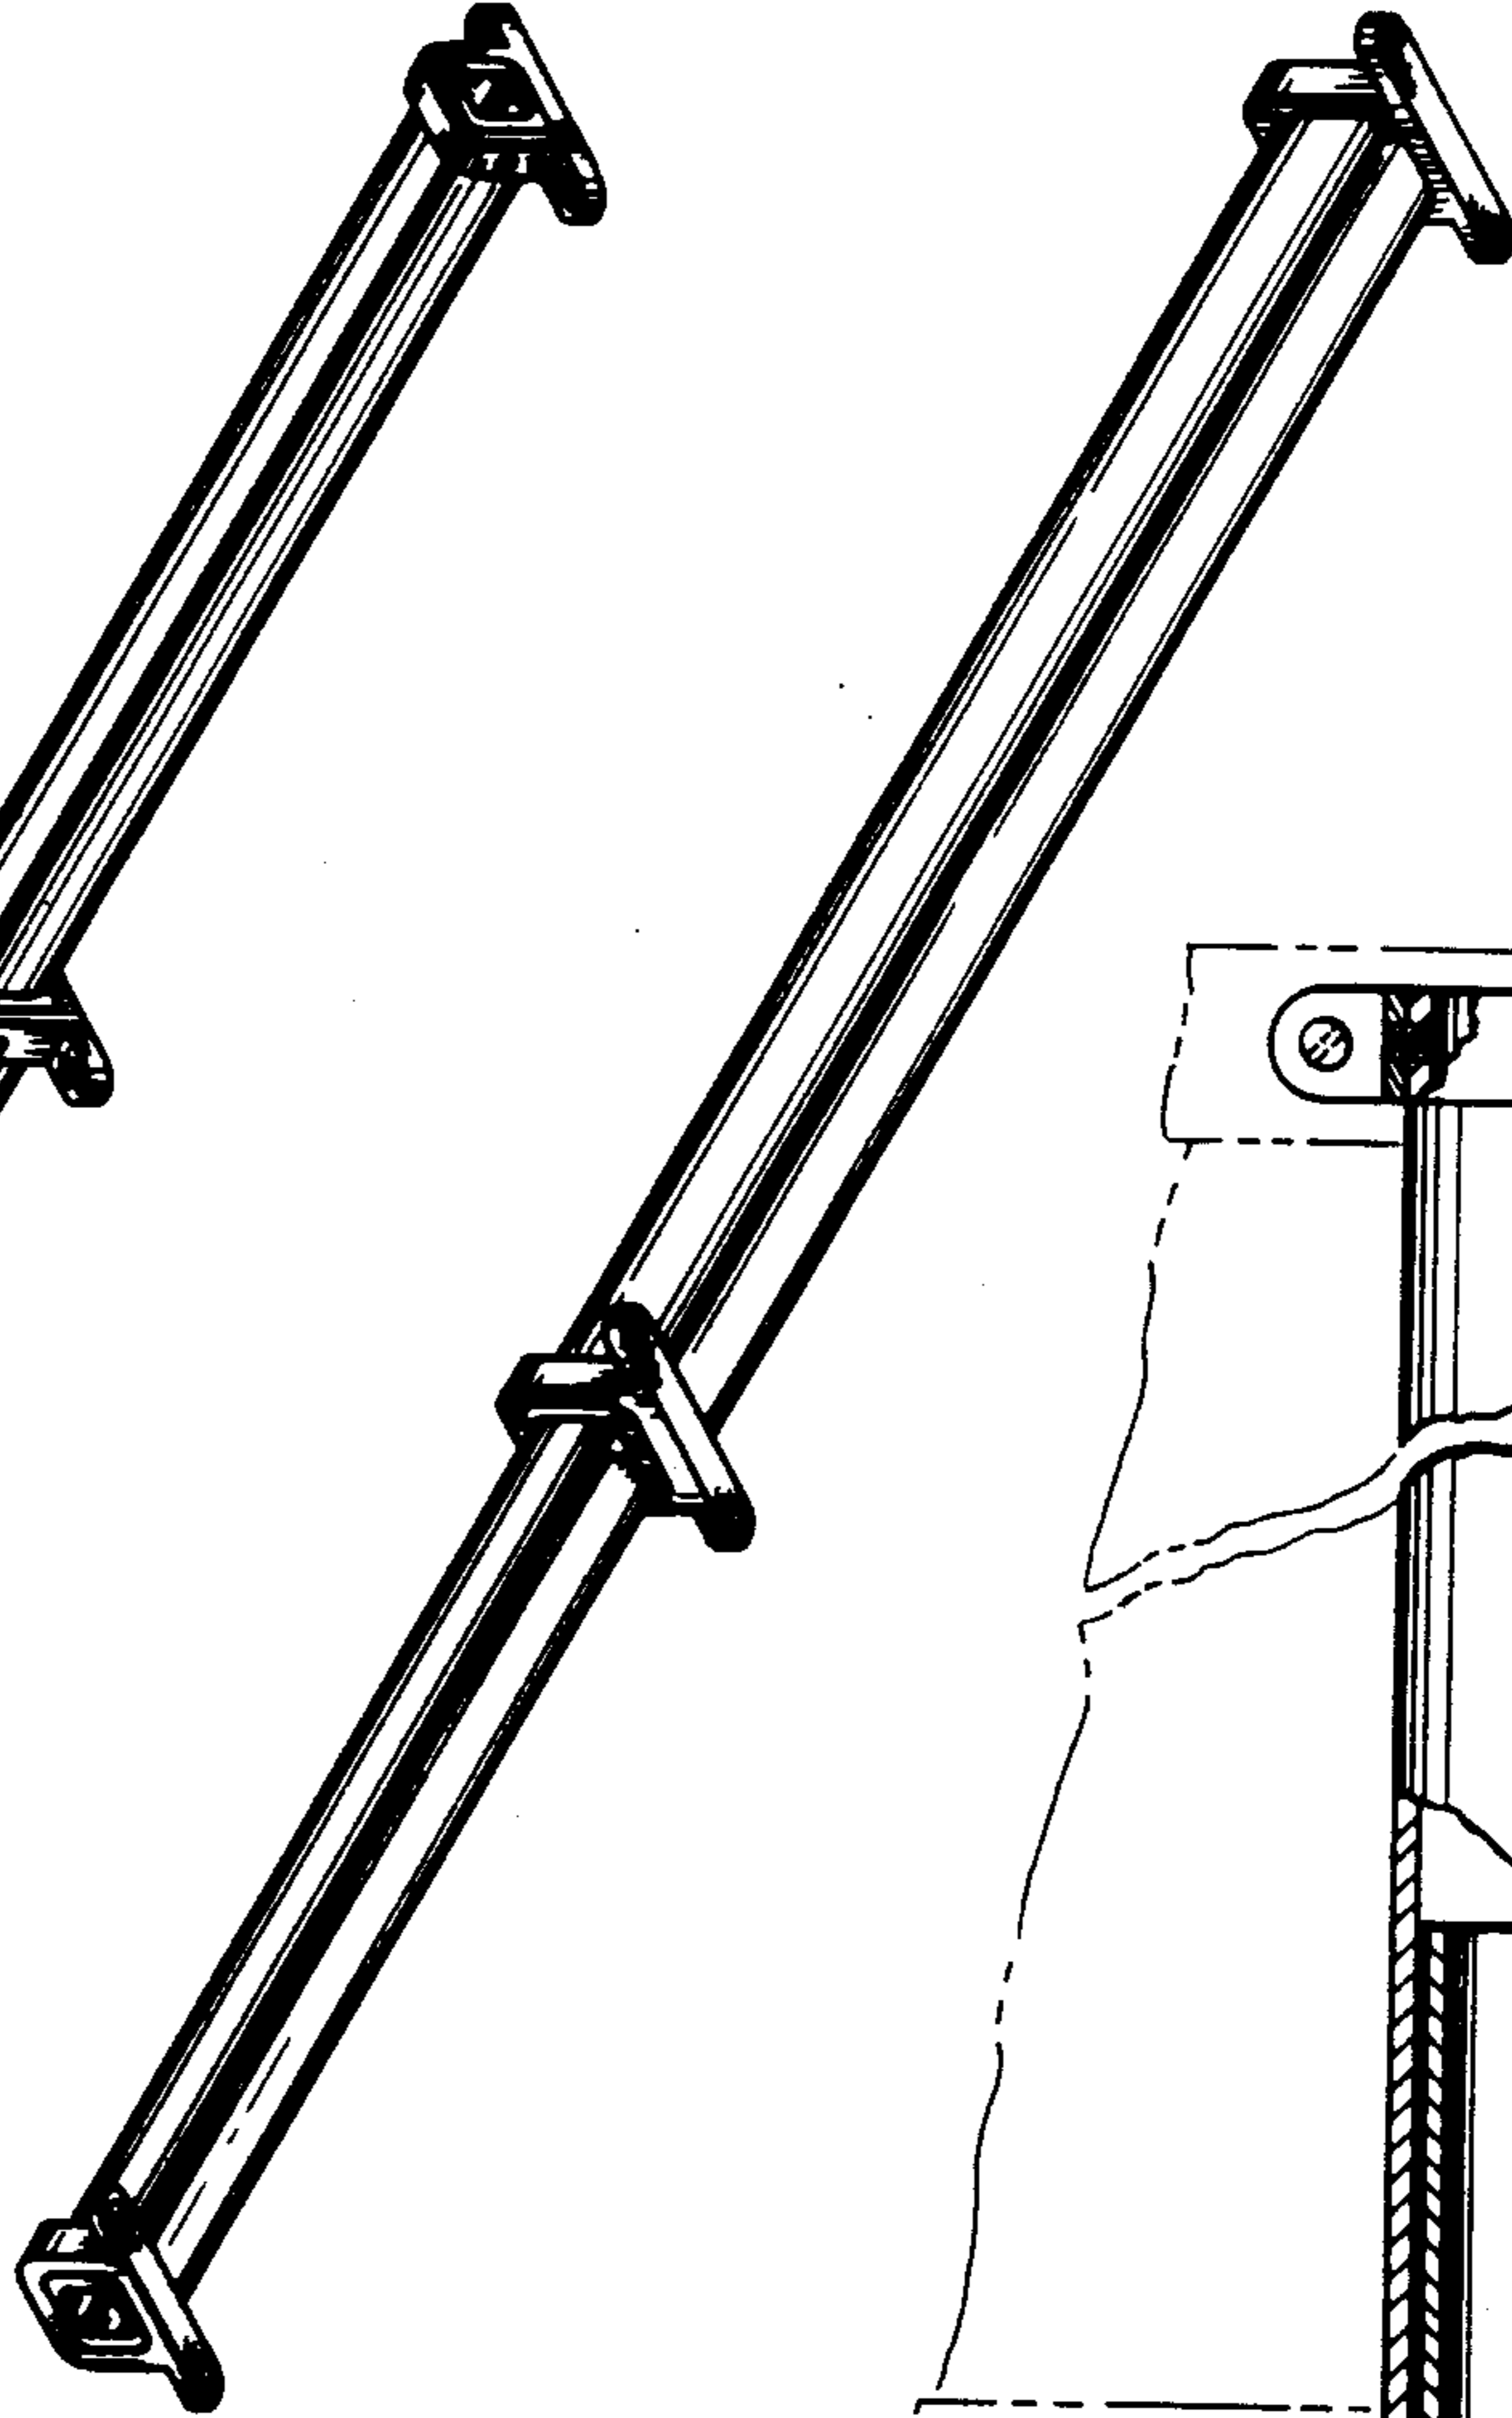

FIG 2
