## [57] CLAIM

The ornamental design for a bus body, substantially as shown and described.

## DESCRIPTION

FIG. 1 is a perspective view of the bus body according to our new design;  
FIG. 2 is a front elevational view thereof;  
FIG. 3 is a rear elevational view thereof;  
FIG. 4 is an elevational view of one side thereof; and  
FIG. 5 is an elevational view of the other side thereof.  
The top of the bus body is substantially plain and unornamented. Also, the broken lines in the drawings are for illustrative purposes only.
