[57] CLAIM

The ornamental design for a modular storage unit having pull-out shelves or similar article, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a modular storage unit having pull-out shelves or similar article showing my new design with the lower shelf partly pulled out; and FIG. 2 is a perspective view of an alternate embodiment of the modular storage unit having pull-out shelves or similar article. The side and bottom not shown in FIGS. 1 and 2 are mirror images of the side and top surfaces shown. The rear surfaces are plain and unornamented except for the separation lines between the components corresponding to those shown.
