[57] CLAIM

The ornamental design for a milling machine control panel, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a milling machine control panel showing my new design, the housing being shown in broken lines for illustrative purposes only;

FIG. 2 is a front view thereof, the rear being flat and unornamented;

FIG. 3 is a top view thereof.

FIG. 4 is a side elevational view taken from the right of FIG. 2.
