[57] CLAIM

The ornamental design for pants, substantially as shown and described.

DESCRIPTION

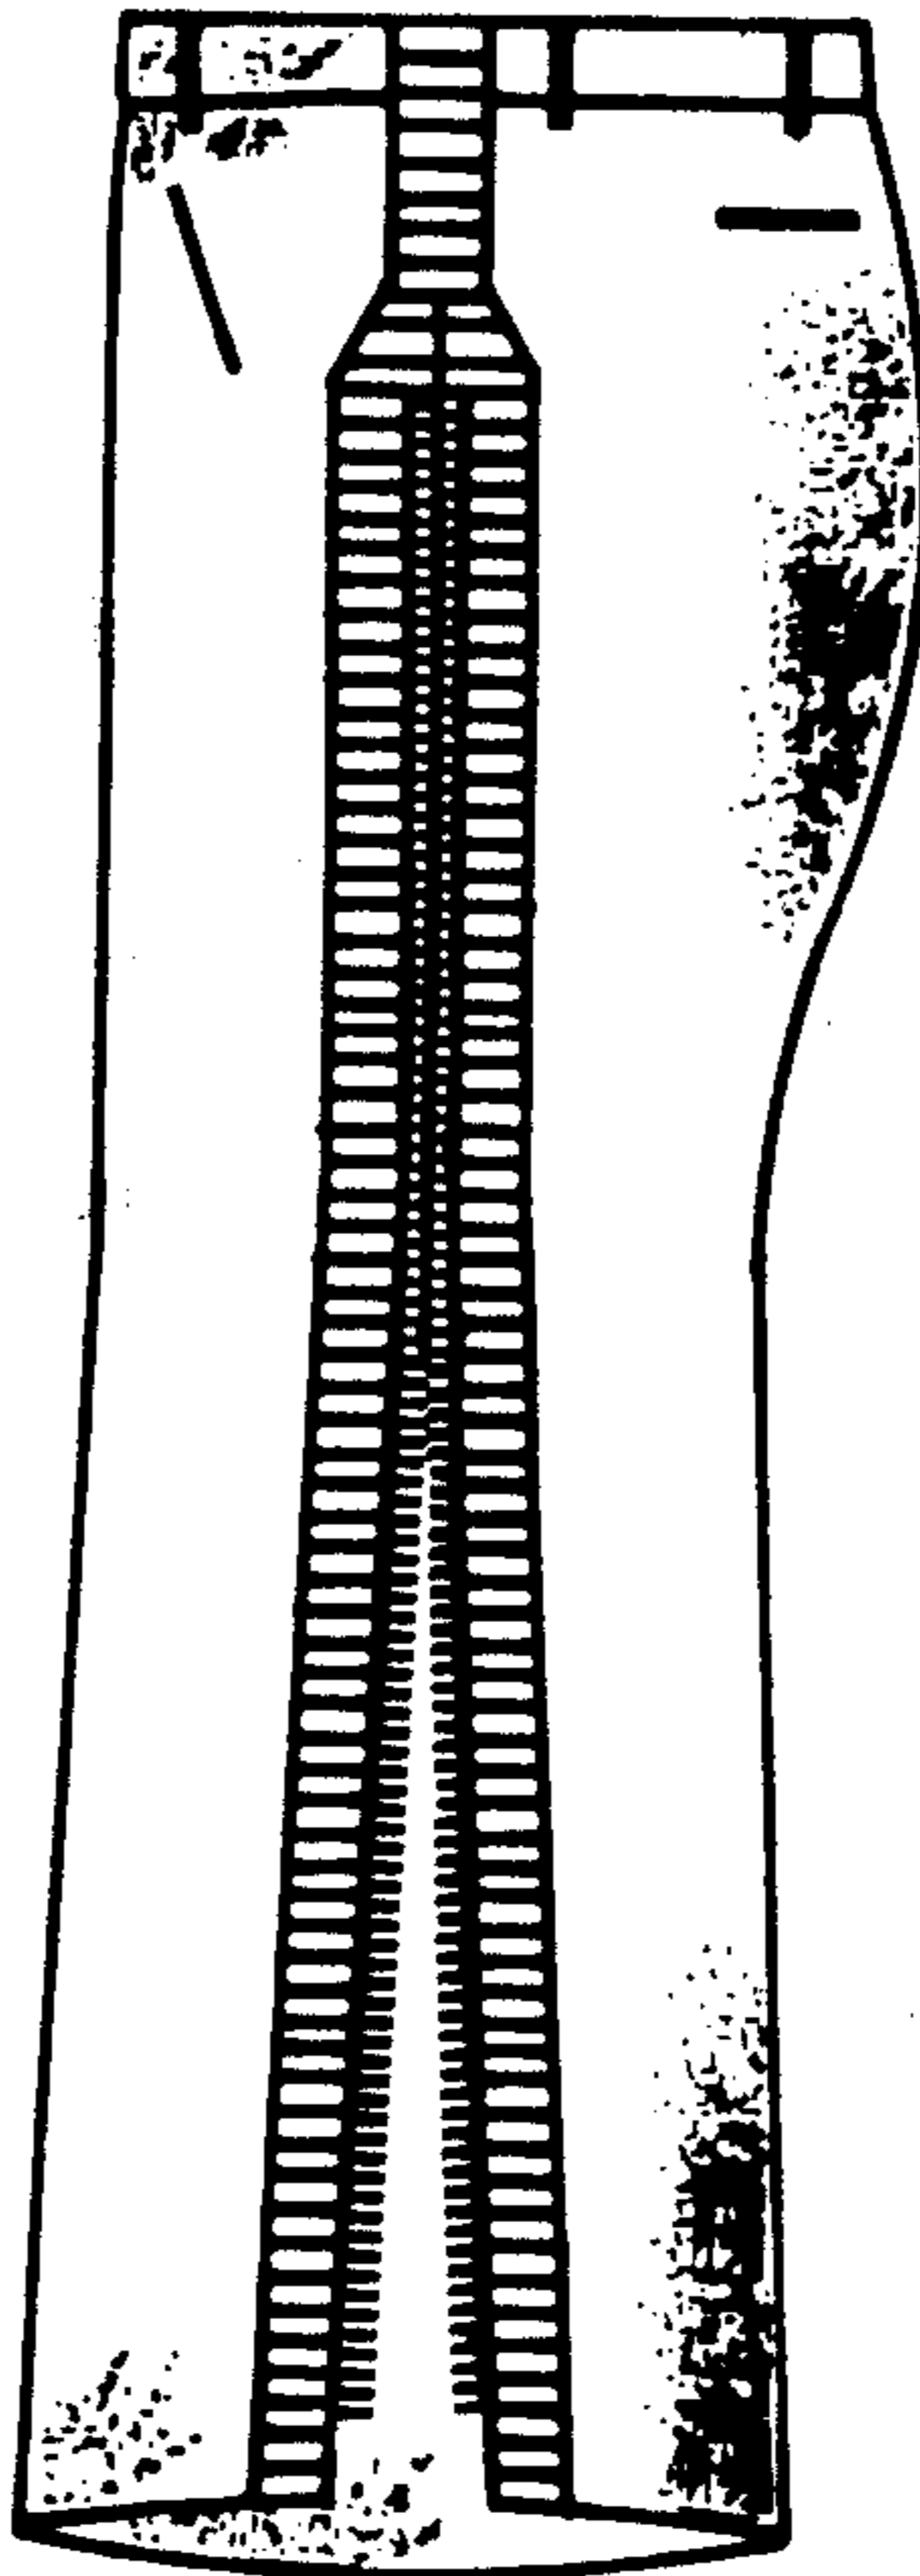

FIG. 1 is a front elevational view of pants showing my new design;

FIG. 2 is a rear elevational view;

FIG. 3 is a right side elevational view, the left side being a mirror image thereof; and

FIG. 4 is a view similar to FIG. 3 with the slide fastener in partially opened condition.

The belt loops and front and rear top pocket trim are of fabric which contrasts in tone from that of the pants legs.
