[57] **CLAIM**
 The ornament design for a collimator spud, as shown and described.

DESCRIPTION
 FIG. 1 is a perspective view of the collimator spud showing my new design;
 FIG. 2 is a side view showing the spud inserted in the muzzle of a firearm barrel;
 FIG. 3 is a side view thereof;
 FIG. 4 is an end view thereof; and
 FIG. 5 is a side view of another embodiment of the design for a larger bore firearm.
 The muzzle shown in dotted lines in FIG. 2 is for illustrative purposes only.
