[57] CLAIM

The ornamental design for a dispensing box for sheet material, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a dispensing box for sheet material showing my new design; FIG. 2 is a top plan view thereof on a reduced scale; FIG. 3 is a front elevational view thereof; and FIG. 4 is an end elevational view thereof. The rear wall is the same in appearance as the front wall and the end not seen is the same in appearance as the end shown. The bottom is plain and unornamented.

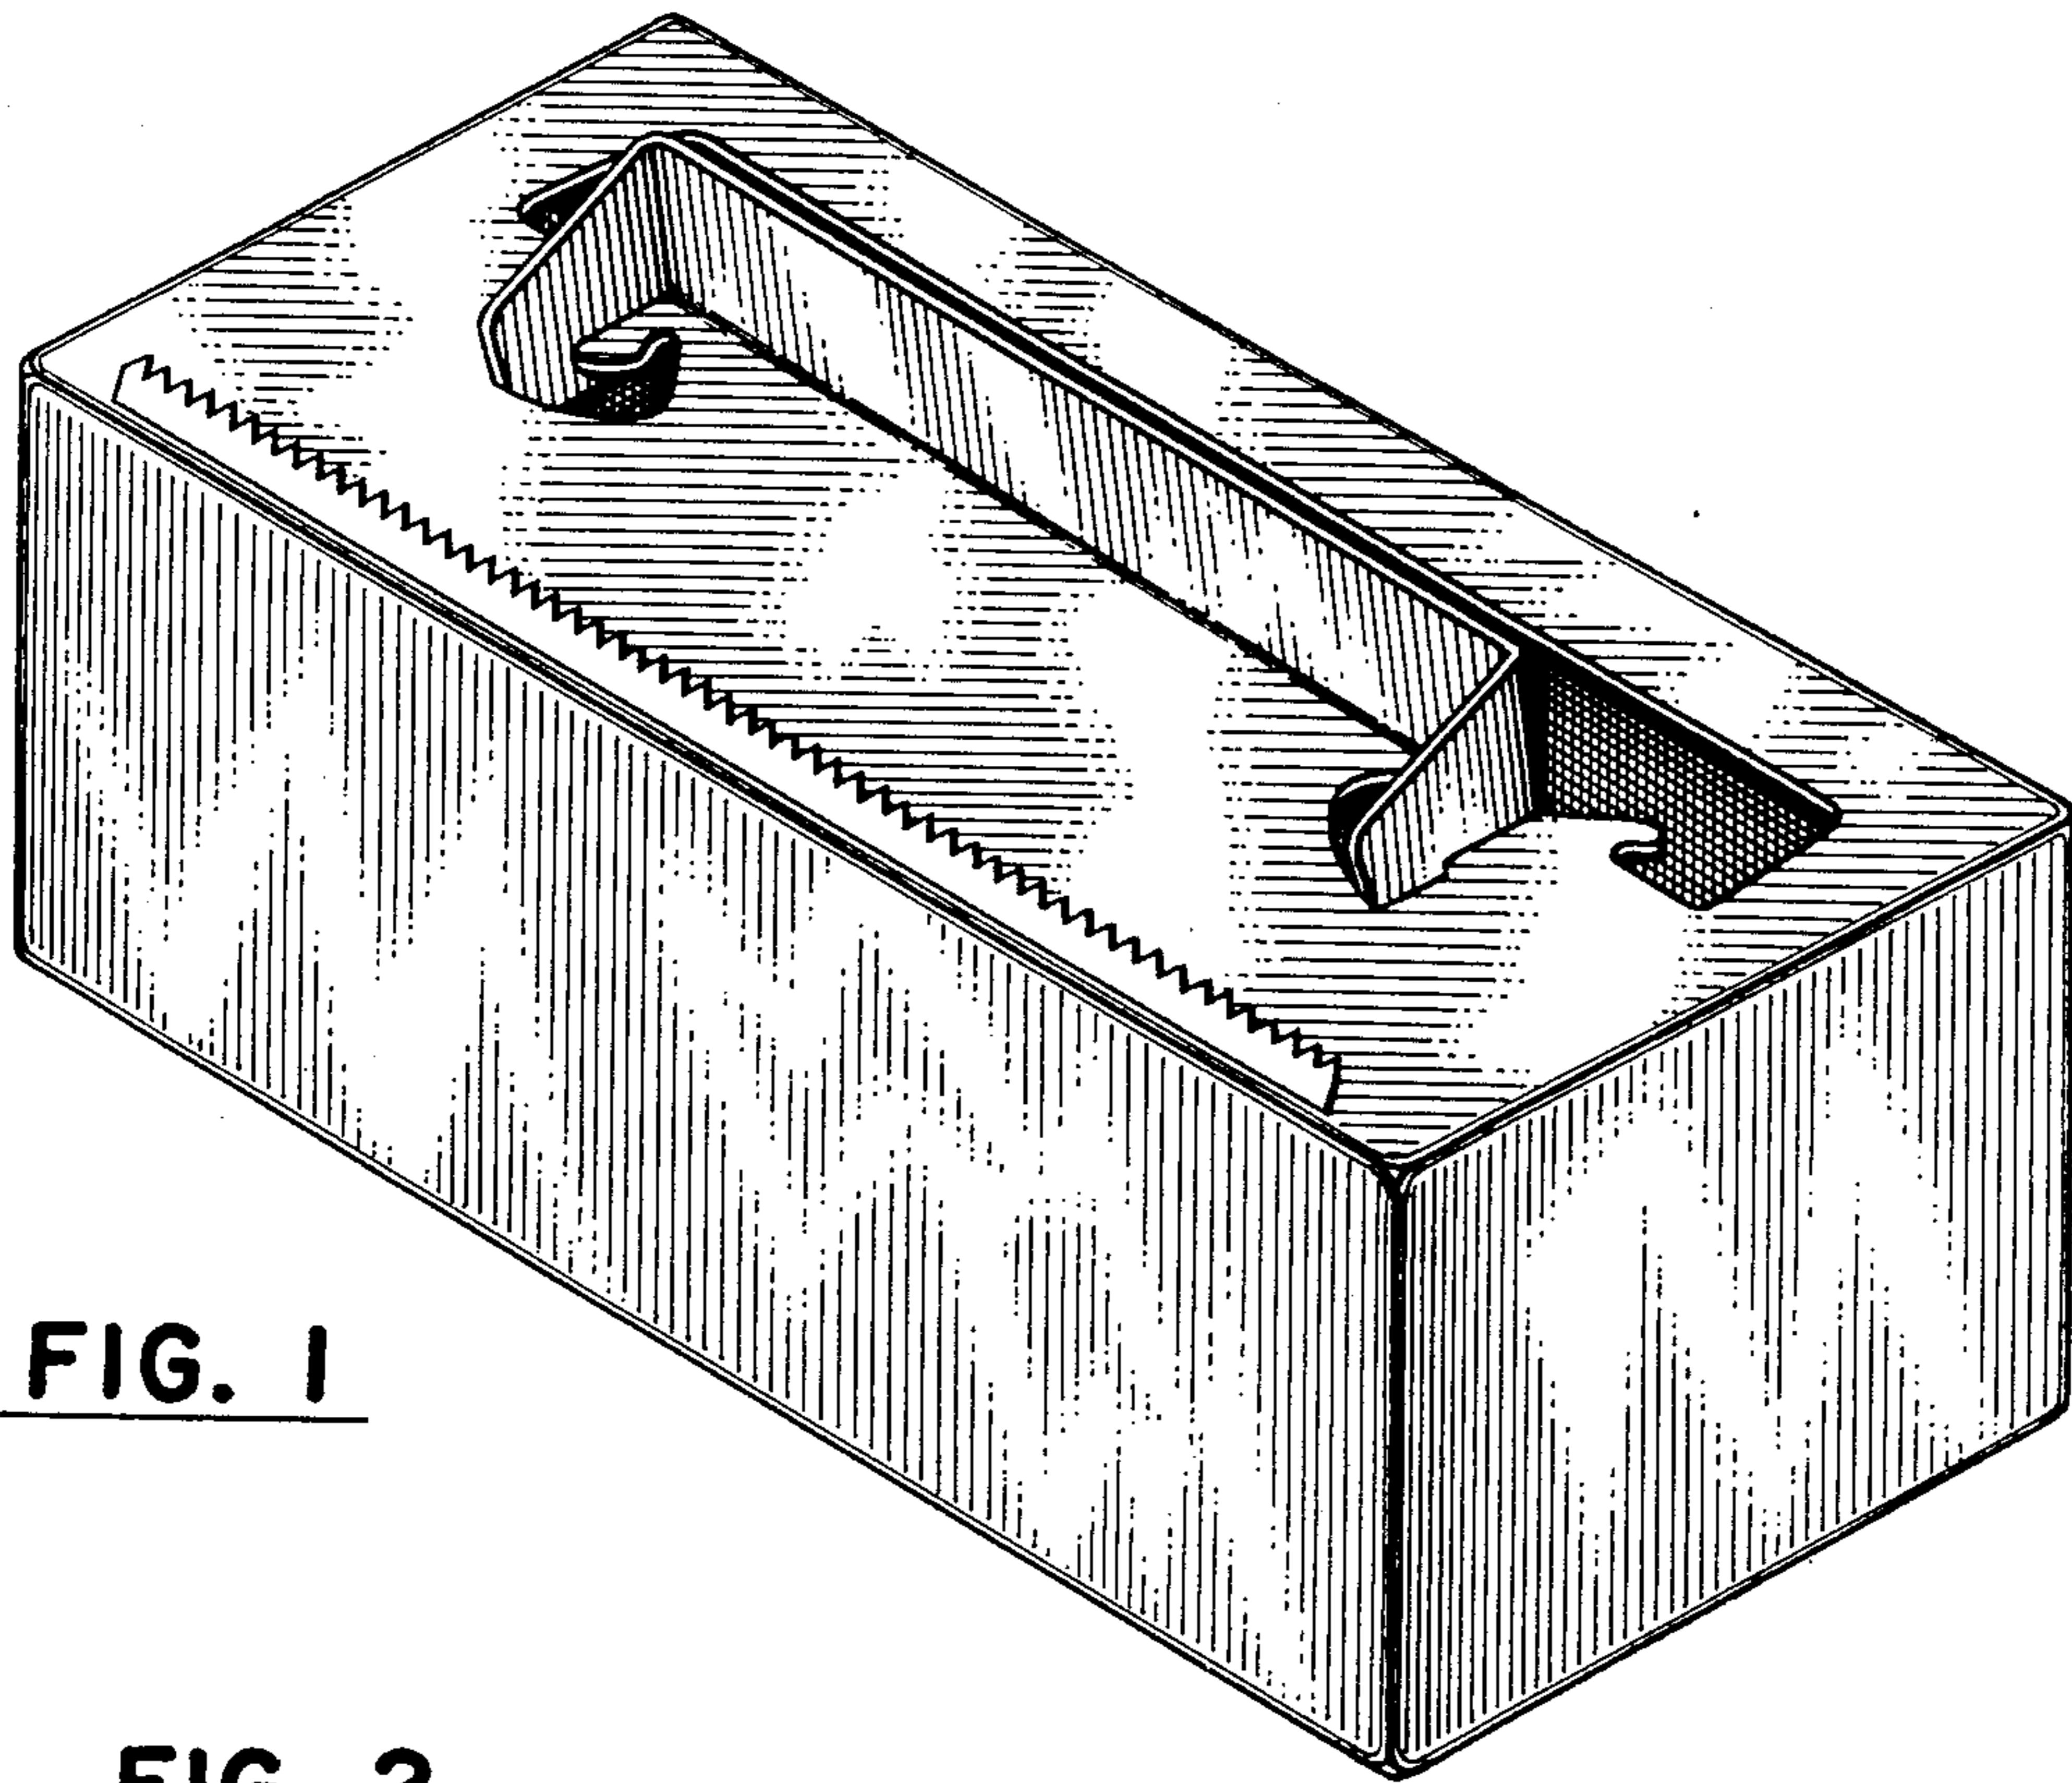

FIG. 1
