[57] CLAIM

The ornamental design for a passageway joint for a small animal habitat or the like, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a passageway joint for a small animal habitat or the like showing our new design; FIG. 2 is a front elevational view thereof, the rear being the same as the front shown; FIG. 3 is a bottom plan view thereof; FIG. 4 is an end elevational view thereof, the opposite end being the same as the end shown; FIG. 5 is an exploded end elevational view thereof; and FIG. 6 is a top plan view of the bottom half thereof. It is to be understood that the claimed passageway joint is shaded to indicate transparency in all six views.
