[57] **CLAIM**

The ornamental design for a circuit testing connector head, substantially as shown and described.

**DESCRIPTION**

FIG. 1 is a top plan view of a circuit testing connector head showing my new design;  
FIG. 2 is a right side elevational view thereof, the left side being a mirror image thereto;  
FIG. 3 is a front elevational view thereof, the rear being a mirror image thereto;  
FIG. 4 is a bottom plan view thereof, it being understood that the dash-dot lines indicate a continuation of the openings shown on both sides thereof.

FIG. 1

FIG. 2

FIG. 3

FIG. 4
