[57] CLAIM

The ornamental design for a headgear mount for night vision goggles, as shown and described.

DESCRIPTION

FIG. 1 is a top front perspective view of a mount for night vision goggles in a fully closed position, showing my new design;  
FIG. 2 is a left side elevation thereof;  
FIG. 3 is a bottom plan view in a closed position;  
FIG. 4 is a rear elevation thereof; and  
FIG. 5 is a top front perspective view thereof, in a fully open position.
