[57] **CLAIM**

The ornamental design for a fireplace screen, as shown and described.

DESCRIPTION

FIG. 1 is a top front perspective view of a fireplace screen, showing my new design;

FIG. 2 is a bottom rear perspective view thereof, shown on a smaller scale.

The right edge view of the invention is identical to the left edge view thereof.

The wire mesh pattern which is shown fragmentarily in both views for ease of illustration is understood to repeat continuously and uniformly across the indicated area.

FIG. 1

FIG. 2
