[57] CLAIM

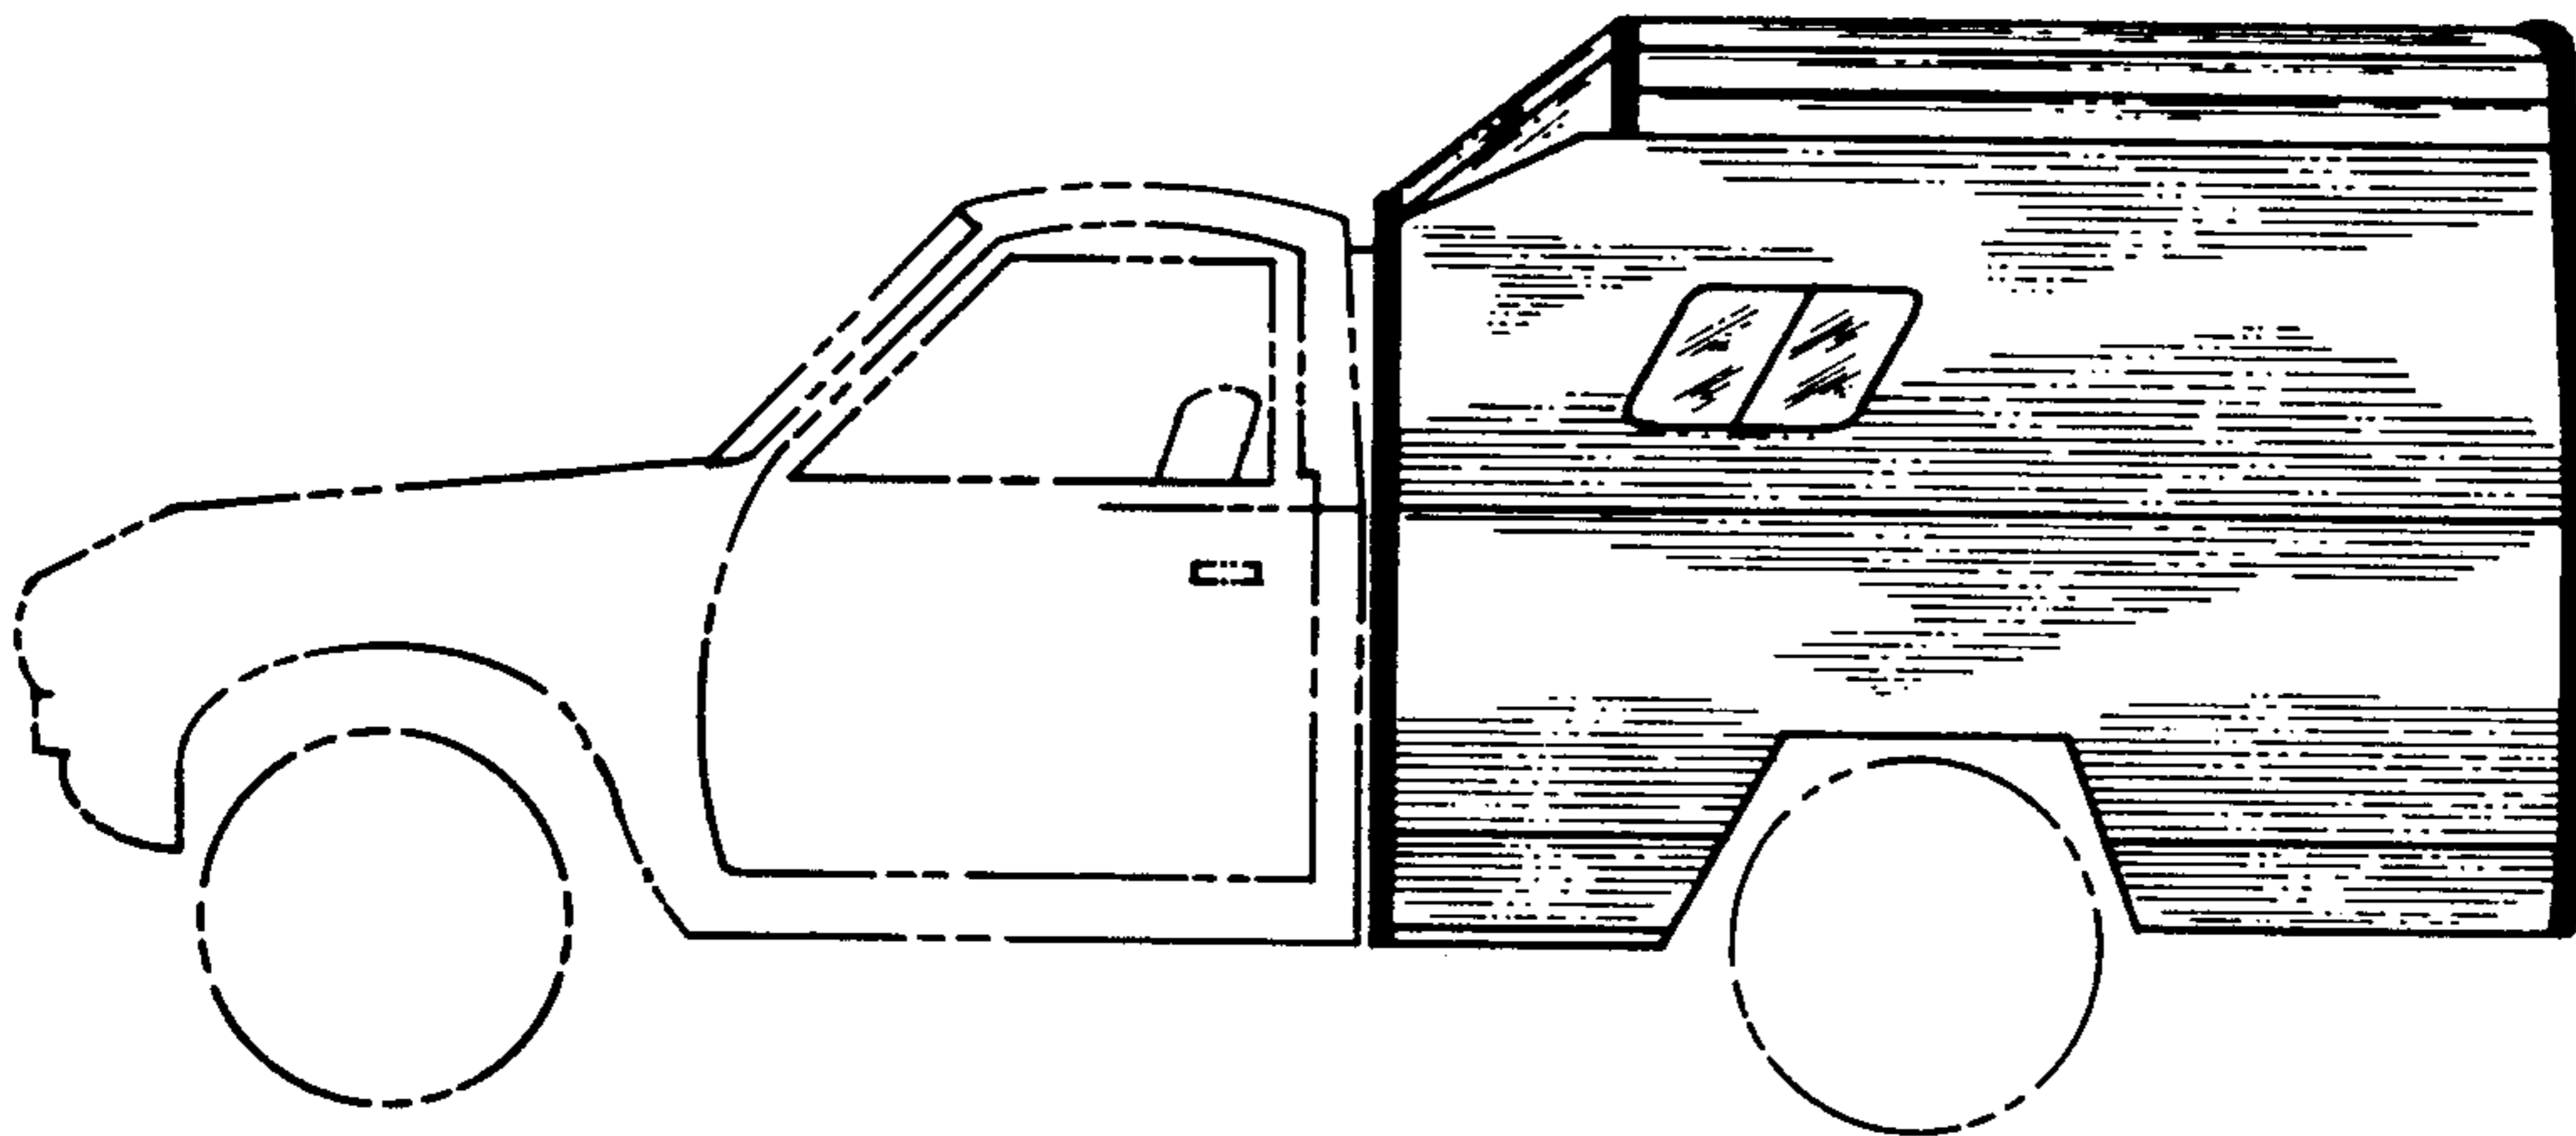

The ornamental design for a van unit, substantially as shown and described.

DESCRIPTION

FIG. 1 is a side elevational view of a van unit showing my new design, it being understood that the broken lines are for illustrative purposes only;

FIG. 2 is a rear elevational view thereof;

The side of the van unit opposite to that shown in FIG. 1 is a mirror image thereof and the top of the unit is understood to be plain and unornamented while the front of said unit is open.
