[57] CLAIM

The ornamental design for a racket stringing network, as shown and described.

DESCRIPTION

FIG. 1 is a front, elevation view of the stringing network of the invention, with the environmental racket frame structure shown in broken lines; and FIG. 2 is an expanded, cut-away detail of the stringing network of FIG. 1, showing the positioning of the stringing relative to each other.

The environmental racket frame structure which bounds and supports the stringing network of the invention is shown in broken lines and is not part of the design sought to be patented.
