[57] CLAIM

The ornamental design for a seat, as shown and de-
scribed.

DESCRIPTION

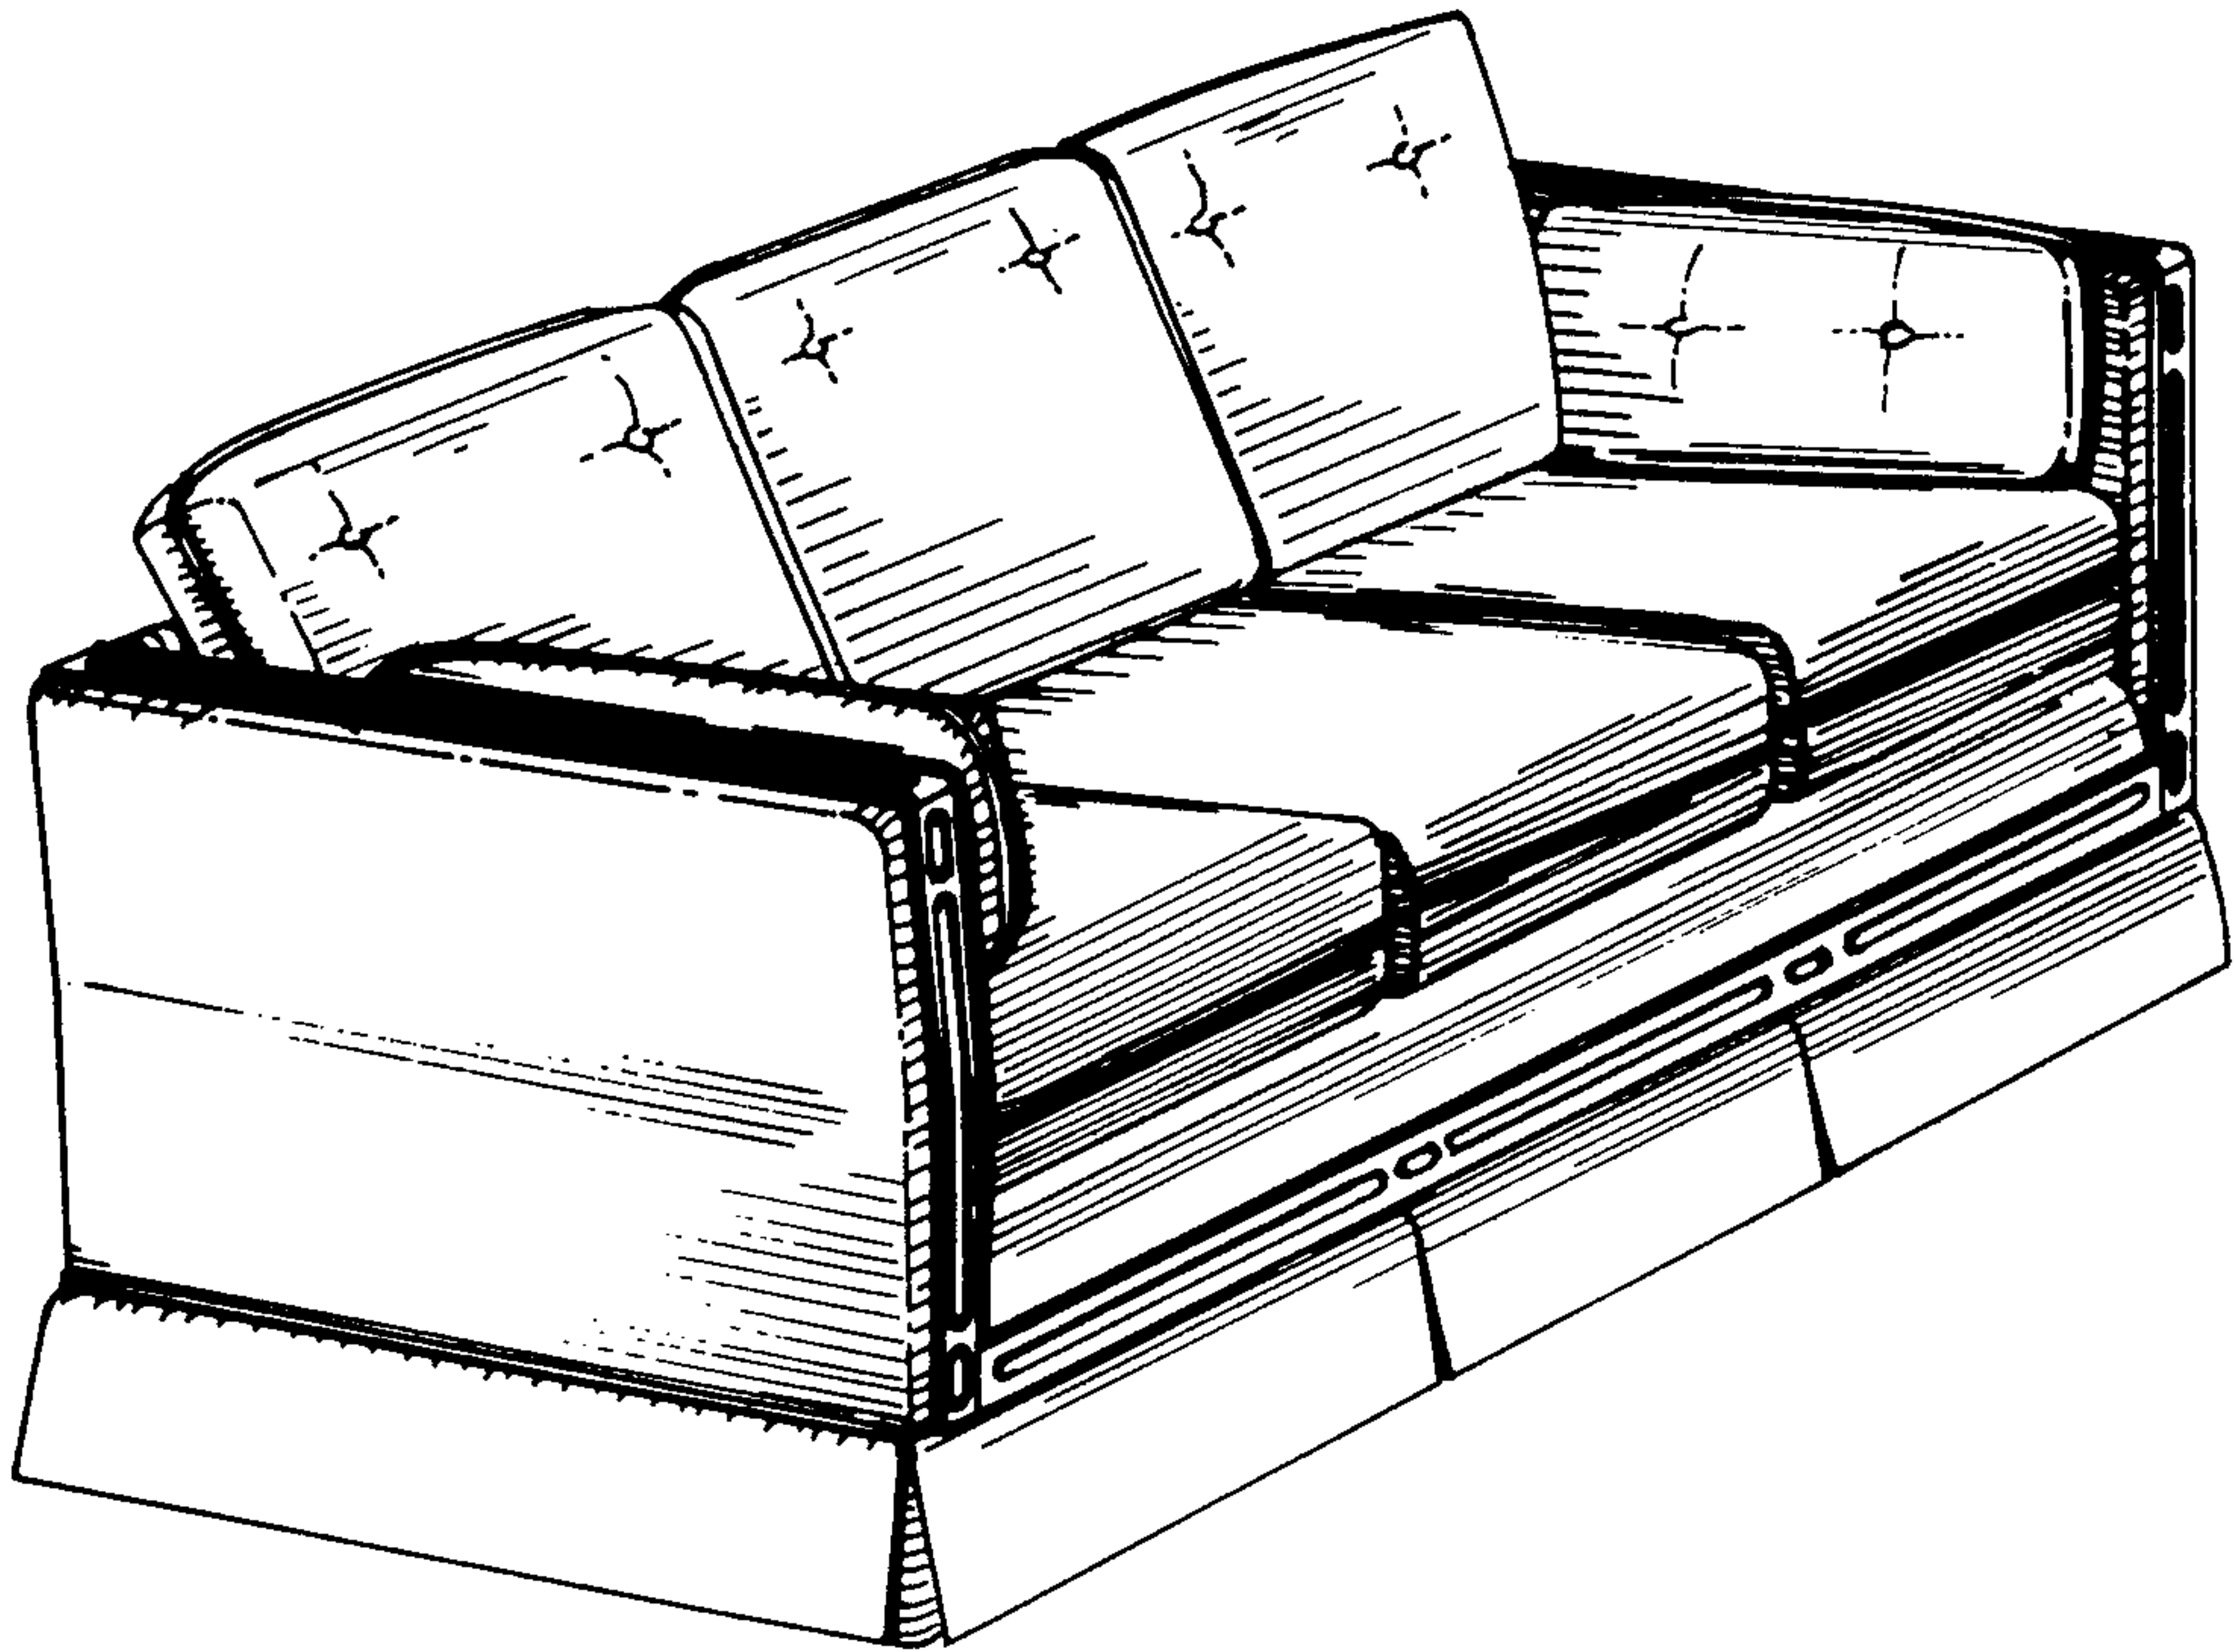

FIG. 1 is a front perspective view of a sofa illustrating
the design of the instant invention.

FIG. 2 is a front perspective view of a loveseat illustrat-
ing the design of the instant invention.

FIG. 3 is an oblique front perspective view of a chair
illustrating the design of the instant invention.

FIG. 4 is an oblique rear perspective view of a chair
illustrating the design of the instant invention.

The design shown is characterized by the decorative
strip which extends the full length of the top surface of
the side members and then downwardly along the front
faces thereof and across the lower front portion of the
sofa immediately above the skirt, all as best illustrated in
FIGS. 1 and 2.
