[57] CLAIM

The ornamental design for vehicle radar detector housing, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a vehicle radar detector housing of my new design, illustrating the front, top, and left side thereof;
FIG. 2 is a right side view thereof;
FIG. 3 is a front view thereof; and
FIG. 4 is a perspective view, on a reduced scale illustrating the rear, top, and left side thereof;
FIG. 5 is a right side elevational view thereof.
