[57] **CLAIM**

The ornamental design of a surgical marking clip adapted for X-ray detection, and substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a surgical marking clip adapted for X-ray detection and showing my new design;
FIG. 2 is a view of one side thereof;
FIG. 3 is a view of the other side thereof;
FIG. 4 is a view of one edge thereof, the opposite edge view being a mirror image;
FIG. 5 is a top view thereof; and
FIG. 6 is a bottom view thereof.
