[57] **CLAIM**

The ornamental design for a display container for a handkerchief, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a display card for a handkerchief showing my new design;

FIG. 2 is a top plan view;

FIG. 3 is an elevational view looking from the left of FIG. 1;

FIG. 4 is an elevational view looking from the right of FIG. 1;

FIG. 5 is a bottom plan view; and

FIG. 6 is a rear elevational view.

For convenience of illustration, the thickness is slightly exaggerated in FIGS. 2, 3, 4 and 5.
