[57] **CLAIM**

The ornamental design for an interlocking flume platform panel for animal confinement pens, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view taken from the top, left side and one end of an interlocking flume platform panel for animal confinement pens embodying my new design; FIG. 2 is a left side elevational view thereof; FIG. 3 is a top plan view thereof; FIG. 4 is a right side elevational view thereof; and FIG. 5 is a perspective view thereof taken from the bottom, left side and end opposite that shown in FIG. 1. The flume platform panel has been broken away in FIGS. 1 through 5 to indicate indeterminate length.

FIG. 1

FIG. 2
