[57] CLAIM

The ornamental design for a sealing disc for tire retreading, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a sealing disc for tire retreading showing my new design;

FIG. 2 is a bottom plan view thereof;

FIG. 3 is a side elevational view thereof;

FIG. 4 is a cross sectional view thereof taken along line 4-4 in FIG. 1; and

FIG. 5 is an enlarged top perspective view thereof.

The characteristic feature of my design resides in a sealing disc having a peripheral flange extending angularly upwardly and outwardly from the main body portion of the disc.

The broken line showing in FIGS. 1 and 4, of a tire in association with the sealing disc, is for purposes of illustration only.

FIG. 1

FIG. 2

FIG. 3
