 Attorney, Agent, or Firm—Vincent G. Gioia; William J. O'Rourke, Jr.

[57] CLAIM

The ornamental design for a corrosion testing instrument, as shown and described.

DESCRIPTION

FIG. 1 is a left front perspective view of a corrosion testing instrument showing my new design; the right side being identical;

FIG. 2 is a front elevational view thereof, the rear being flat, plain and unornamented; and

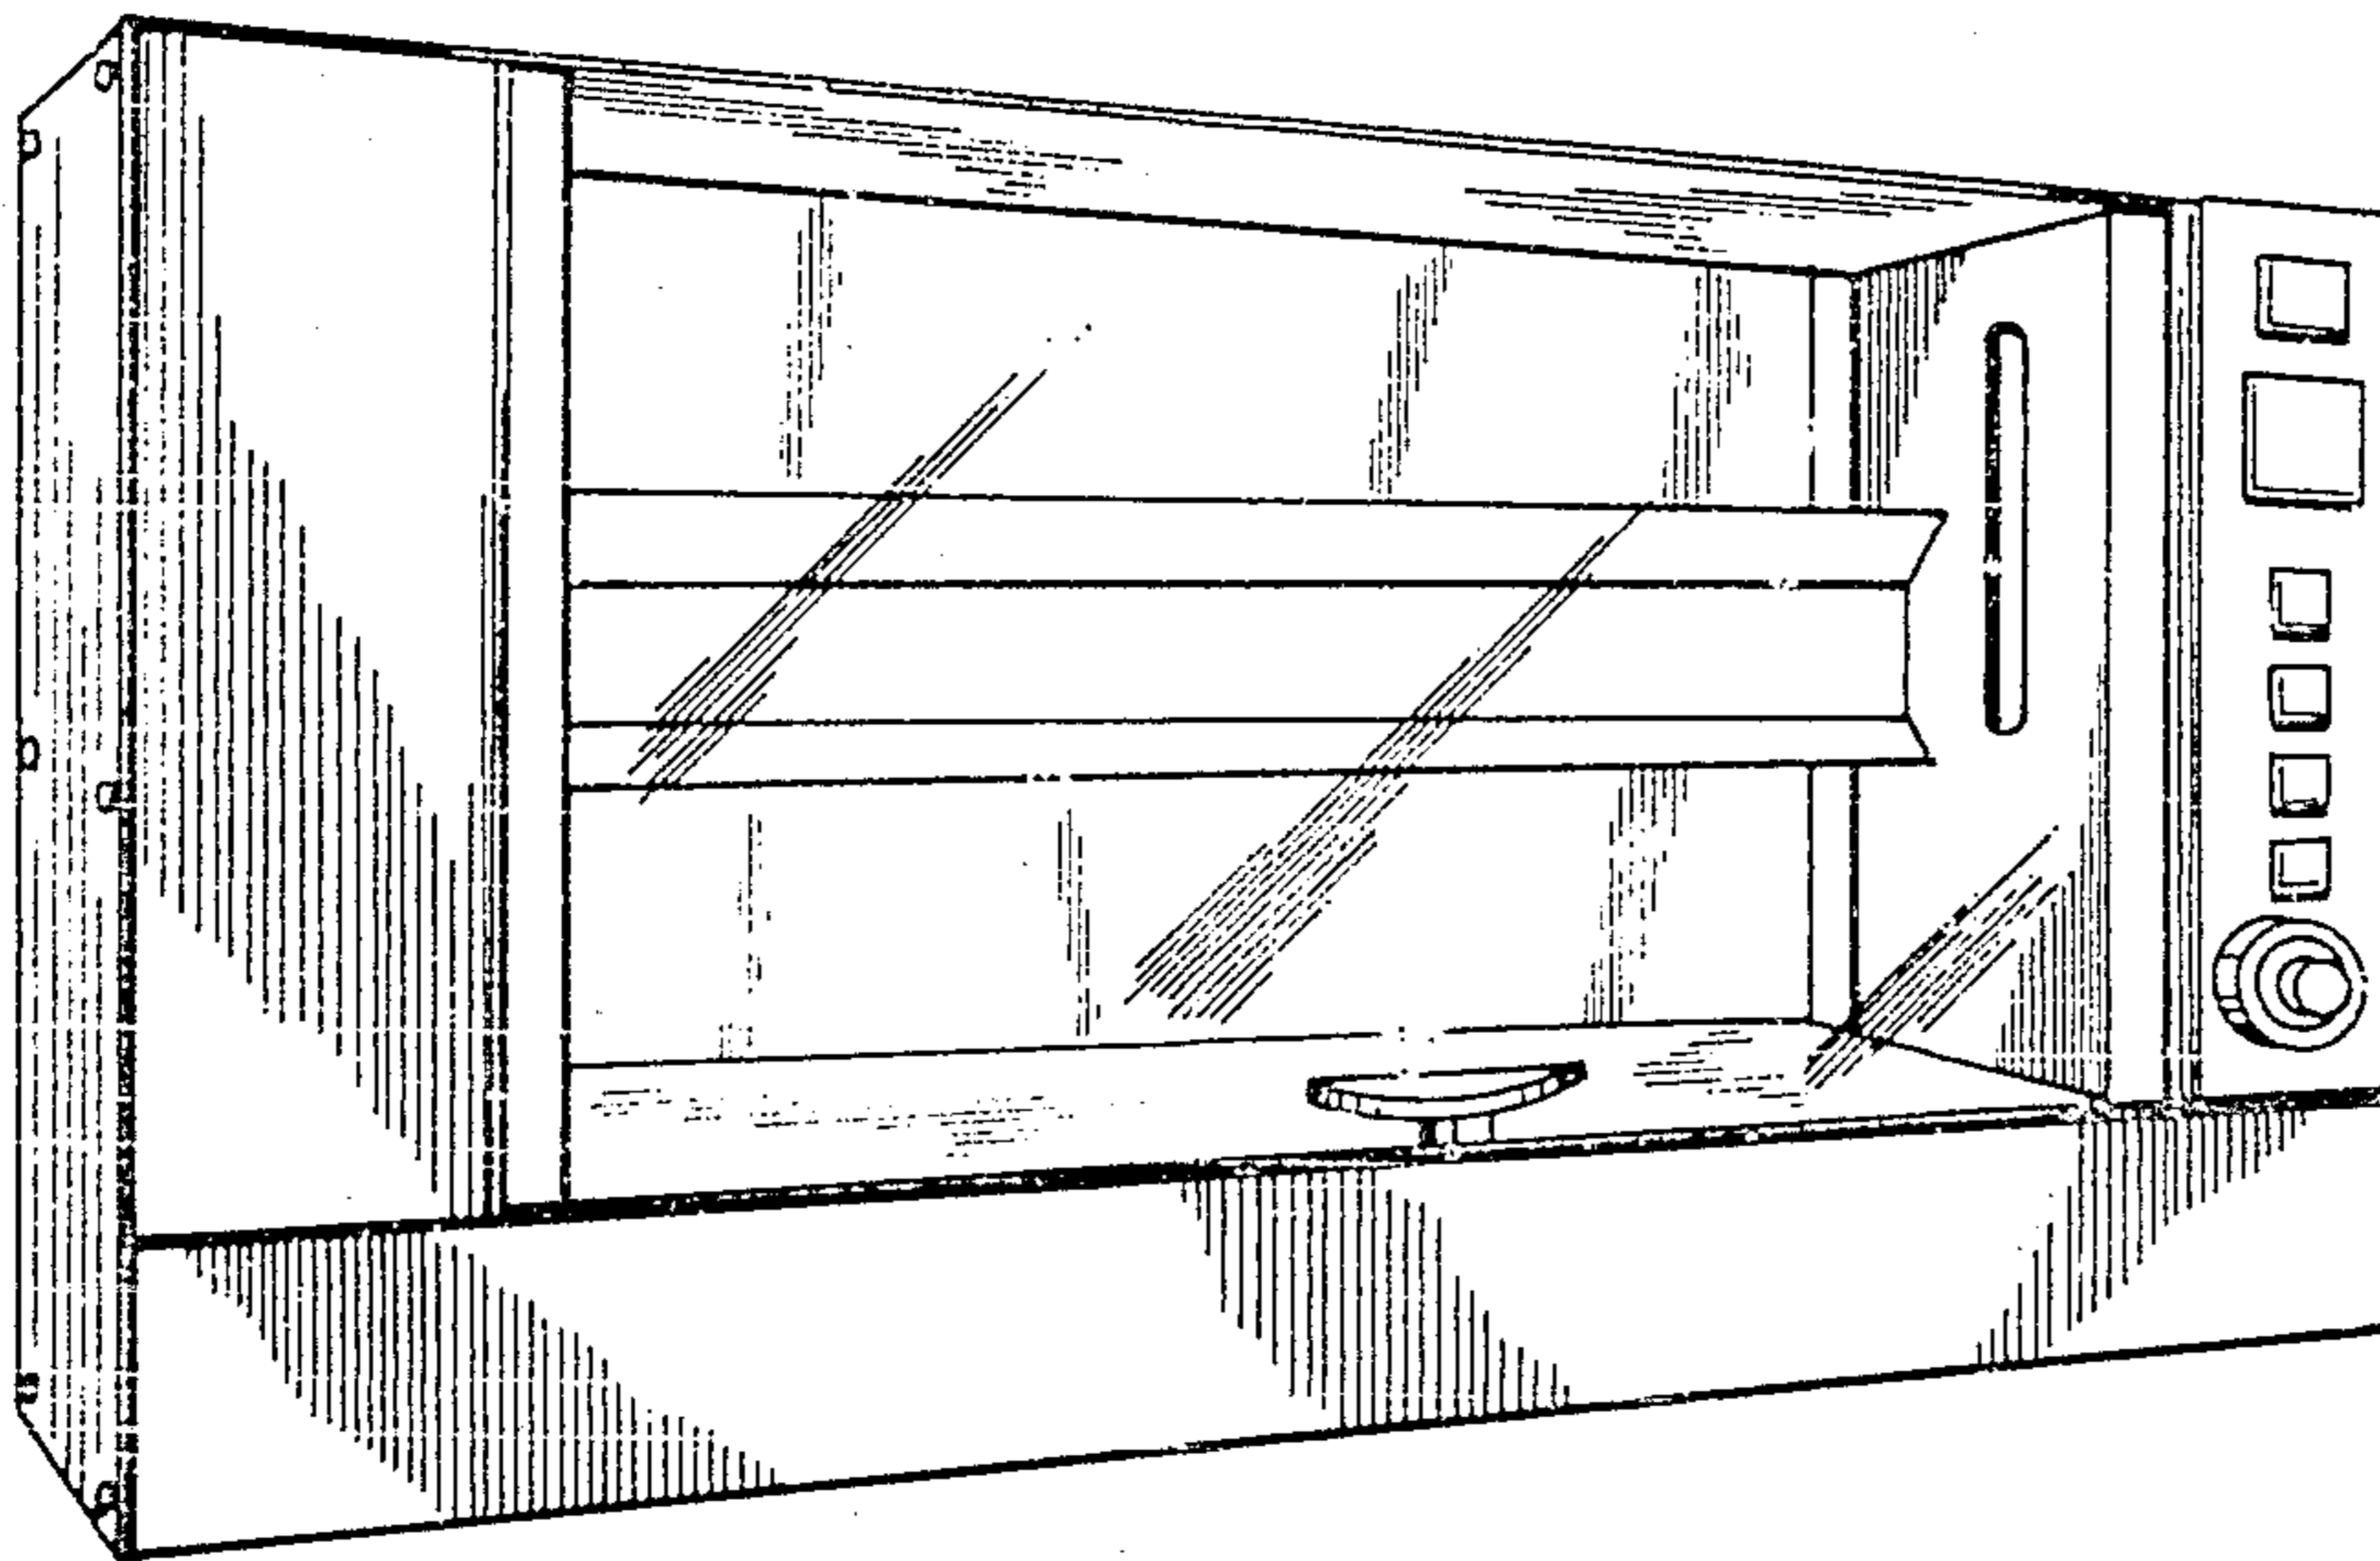

FIG. 3 is a cross-sectional view thereof as taken from line III—III of FIG. 2.

The top and bottom of the instrument are flat, plain, and unornamented.
