[57] CLAIM

The ornamental design for a combined electric lamp and mirror, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a combined electric lamp and mirror showing my new design; FIG. 2 is a rear perspective view, the electric lamp being omitted for convenience of illustration; and FIG. 3 is a side elevational view thereof on an enlarged scale, the mounting bolt being fragmentarily shown for convenience of illustration.

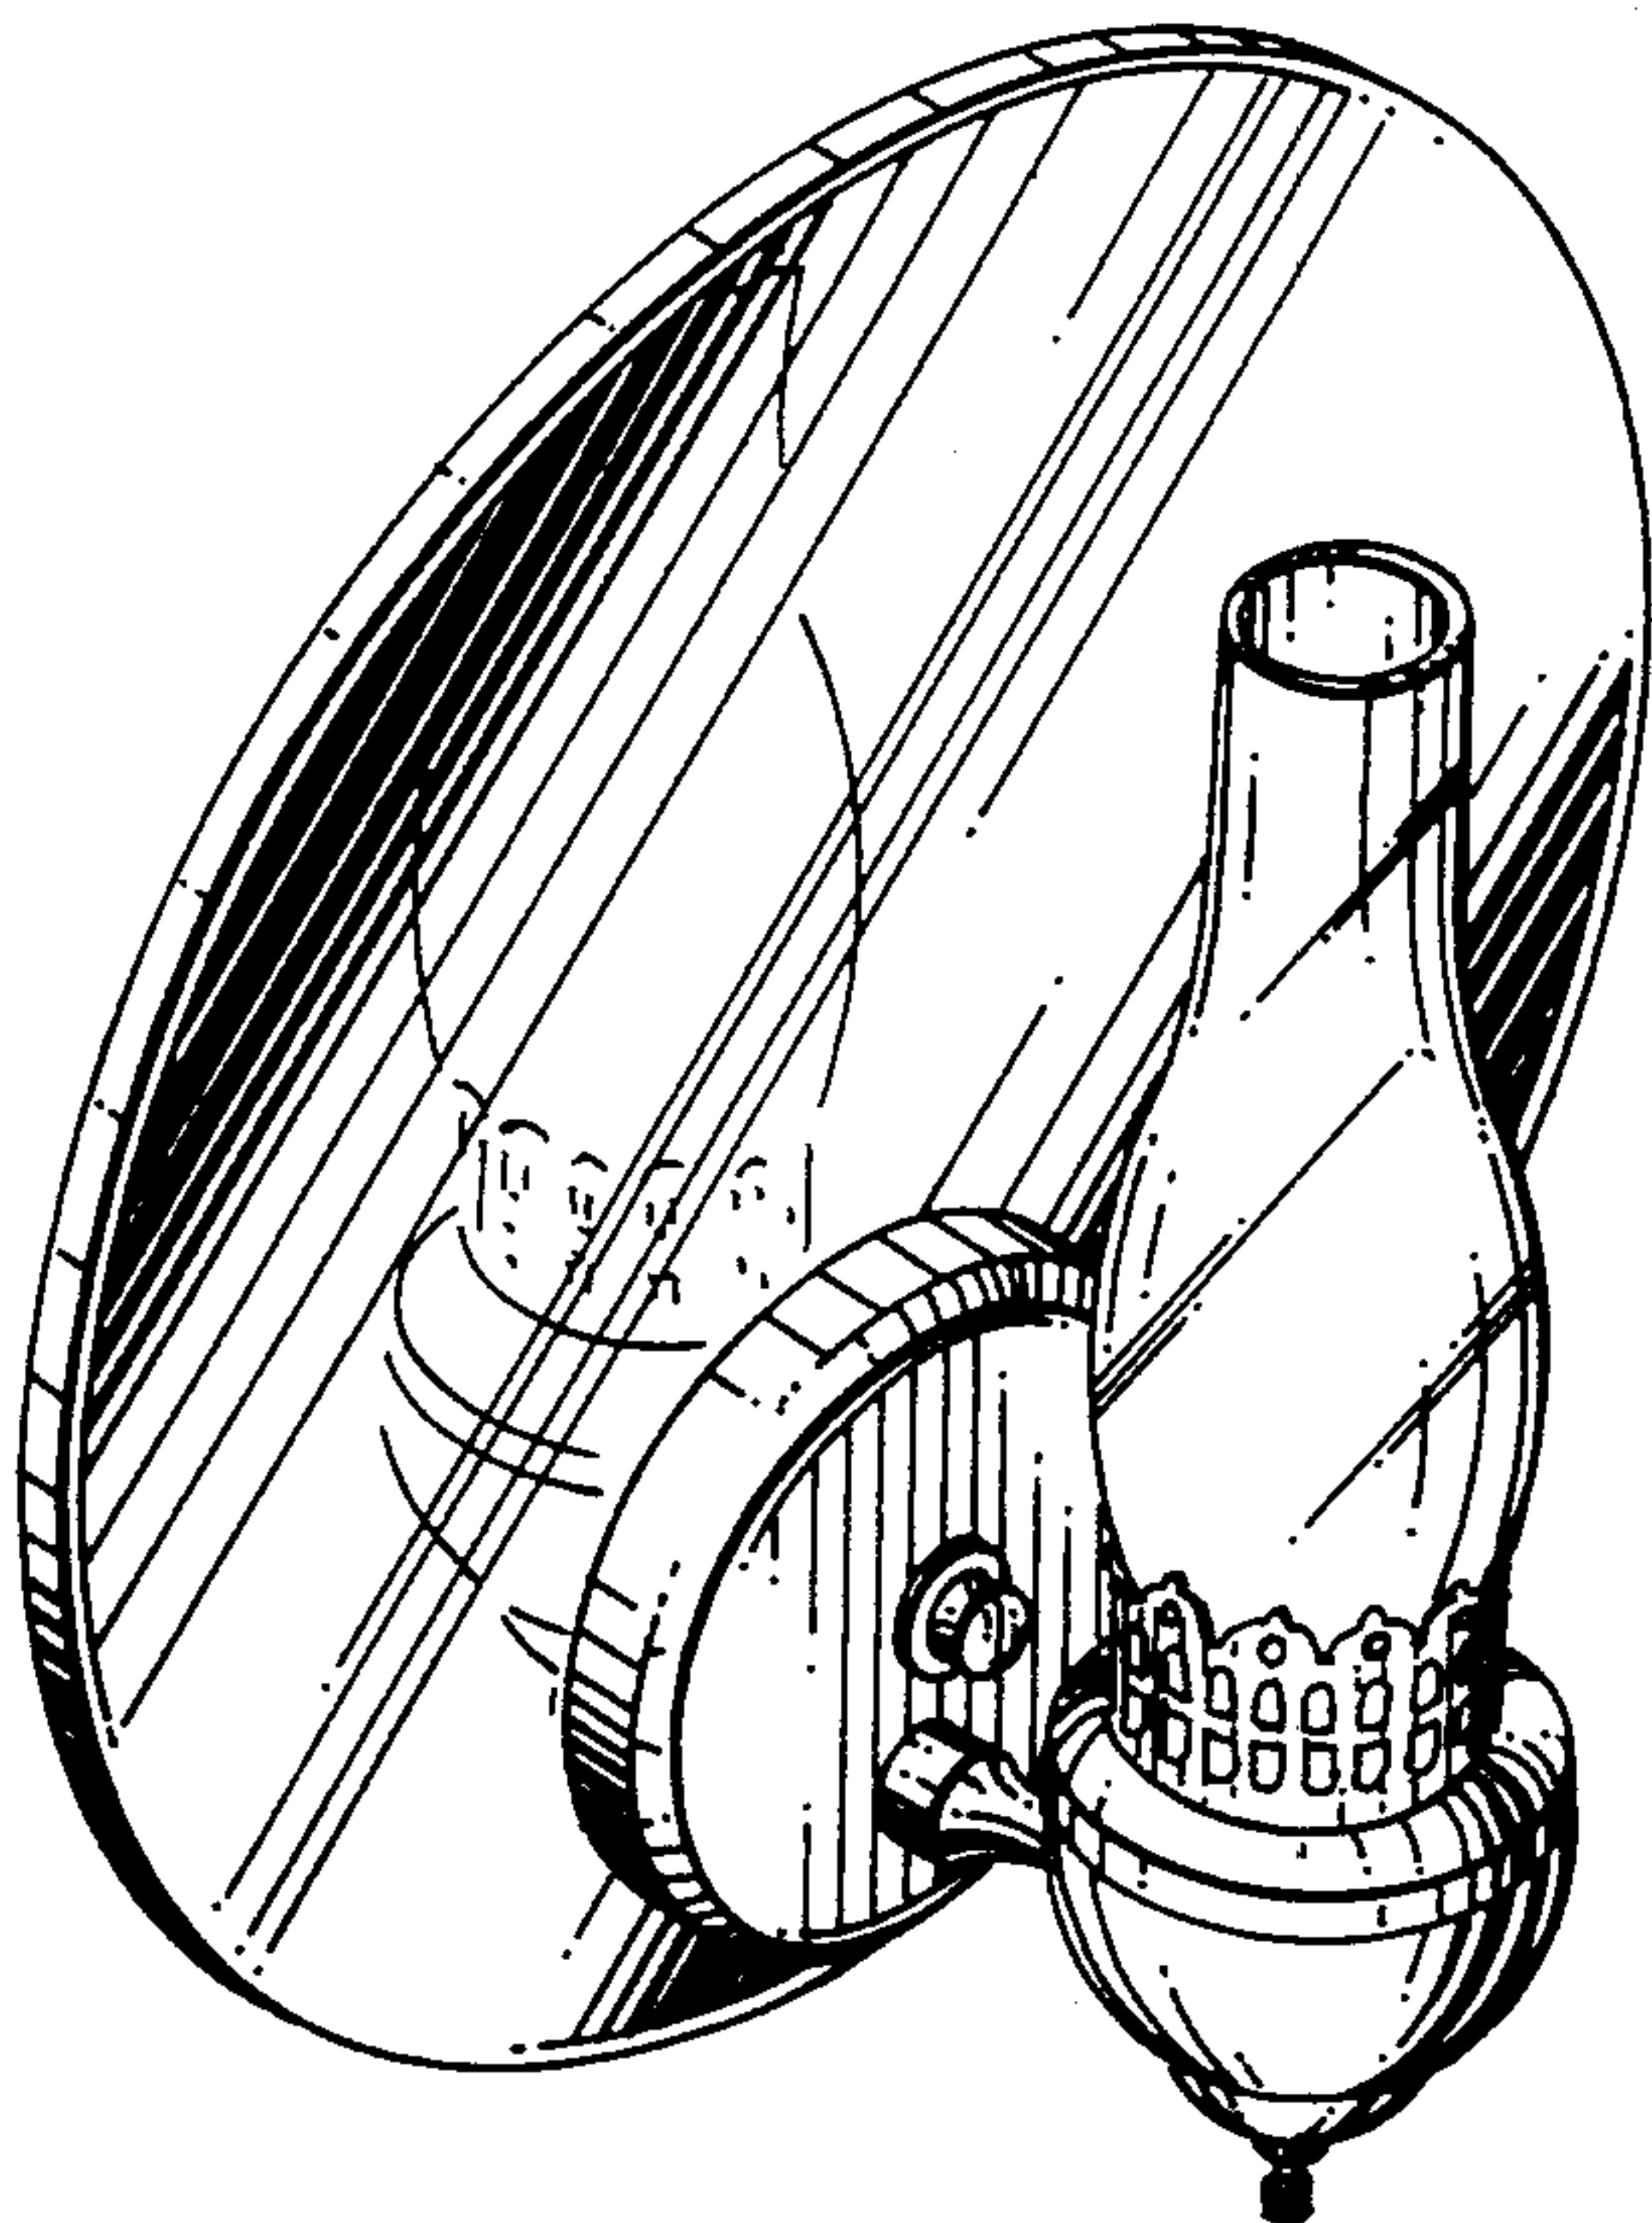

FIG. 1

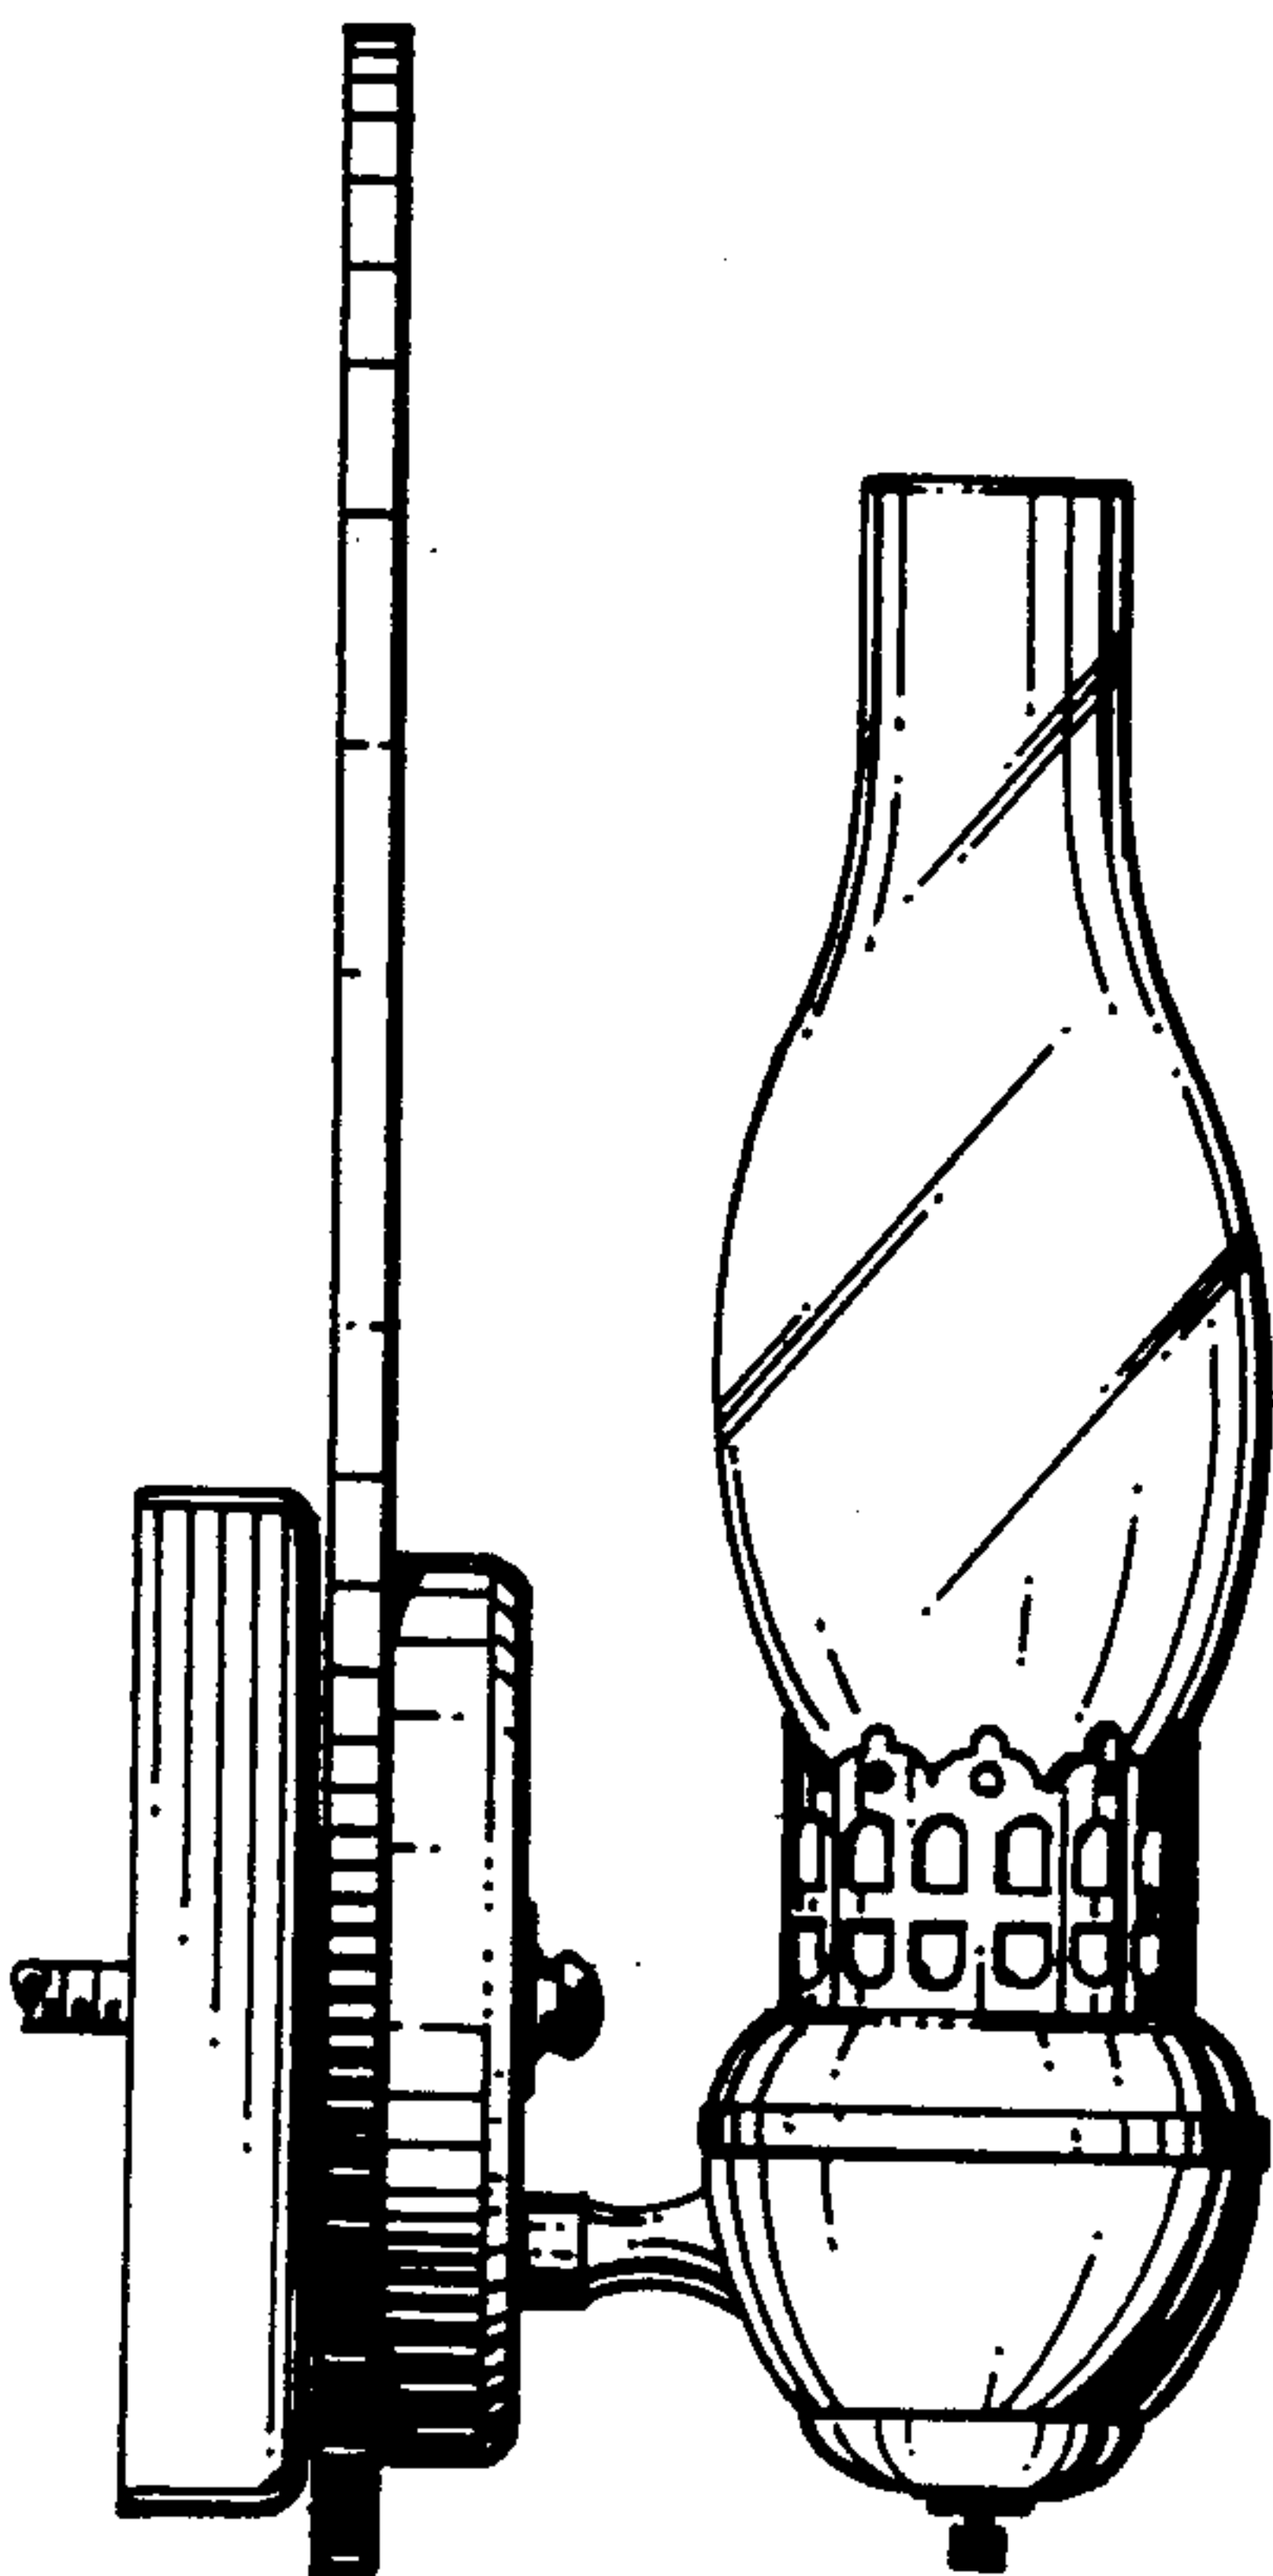

FIG. 3

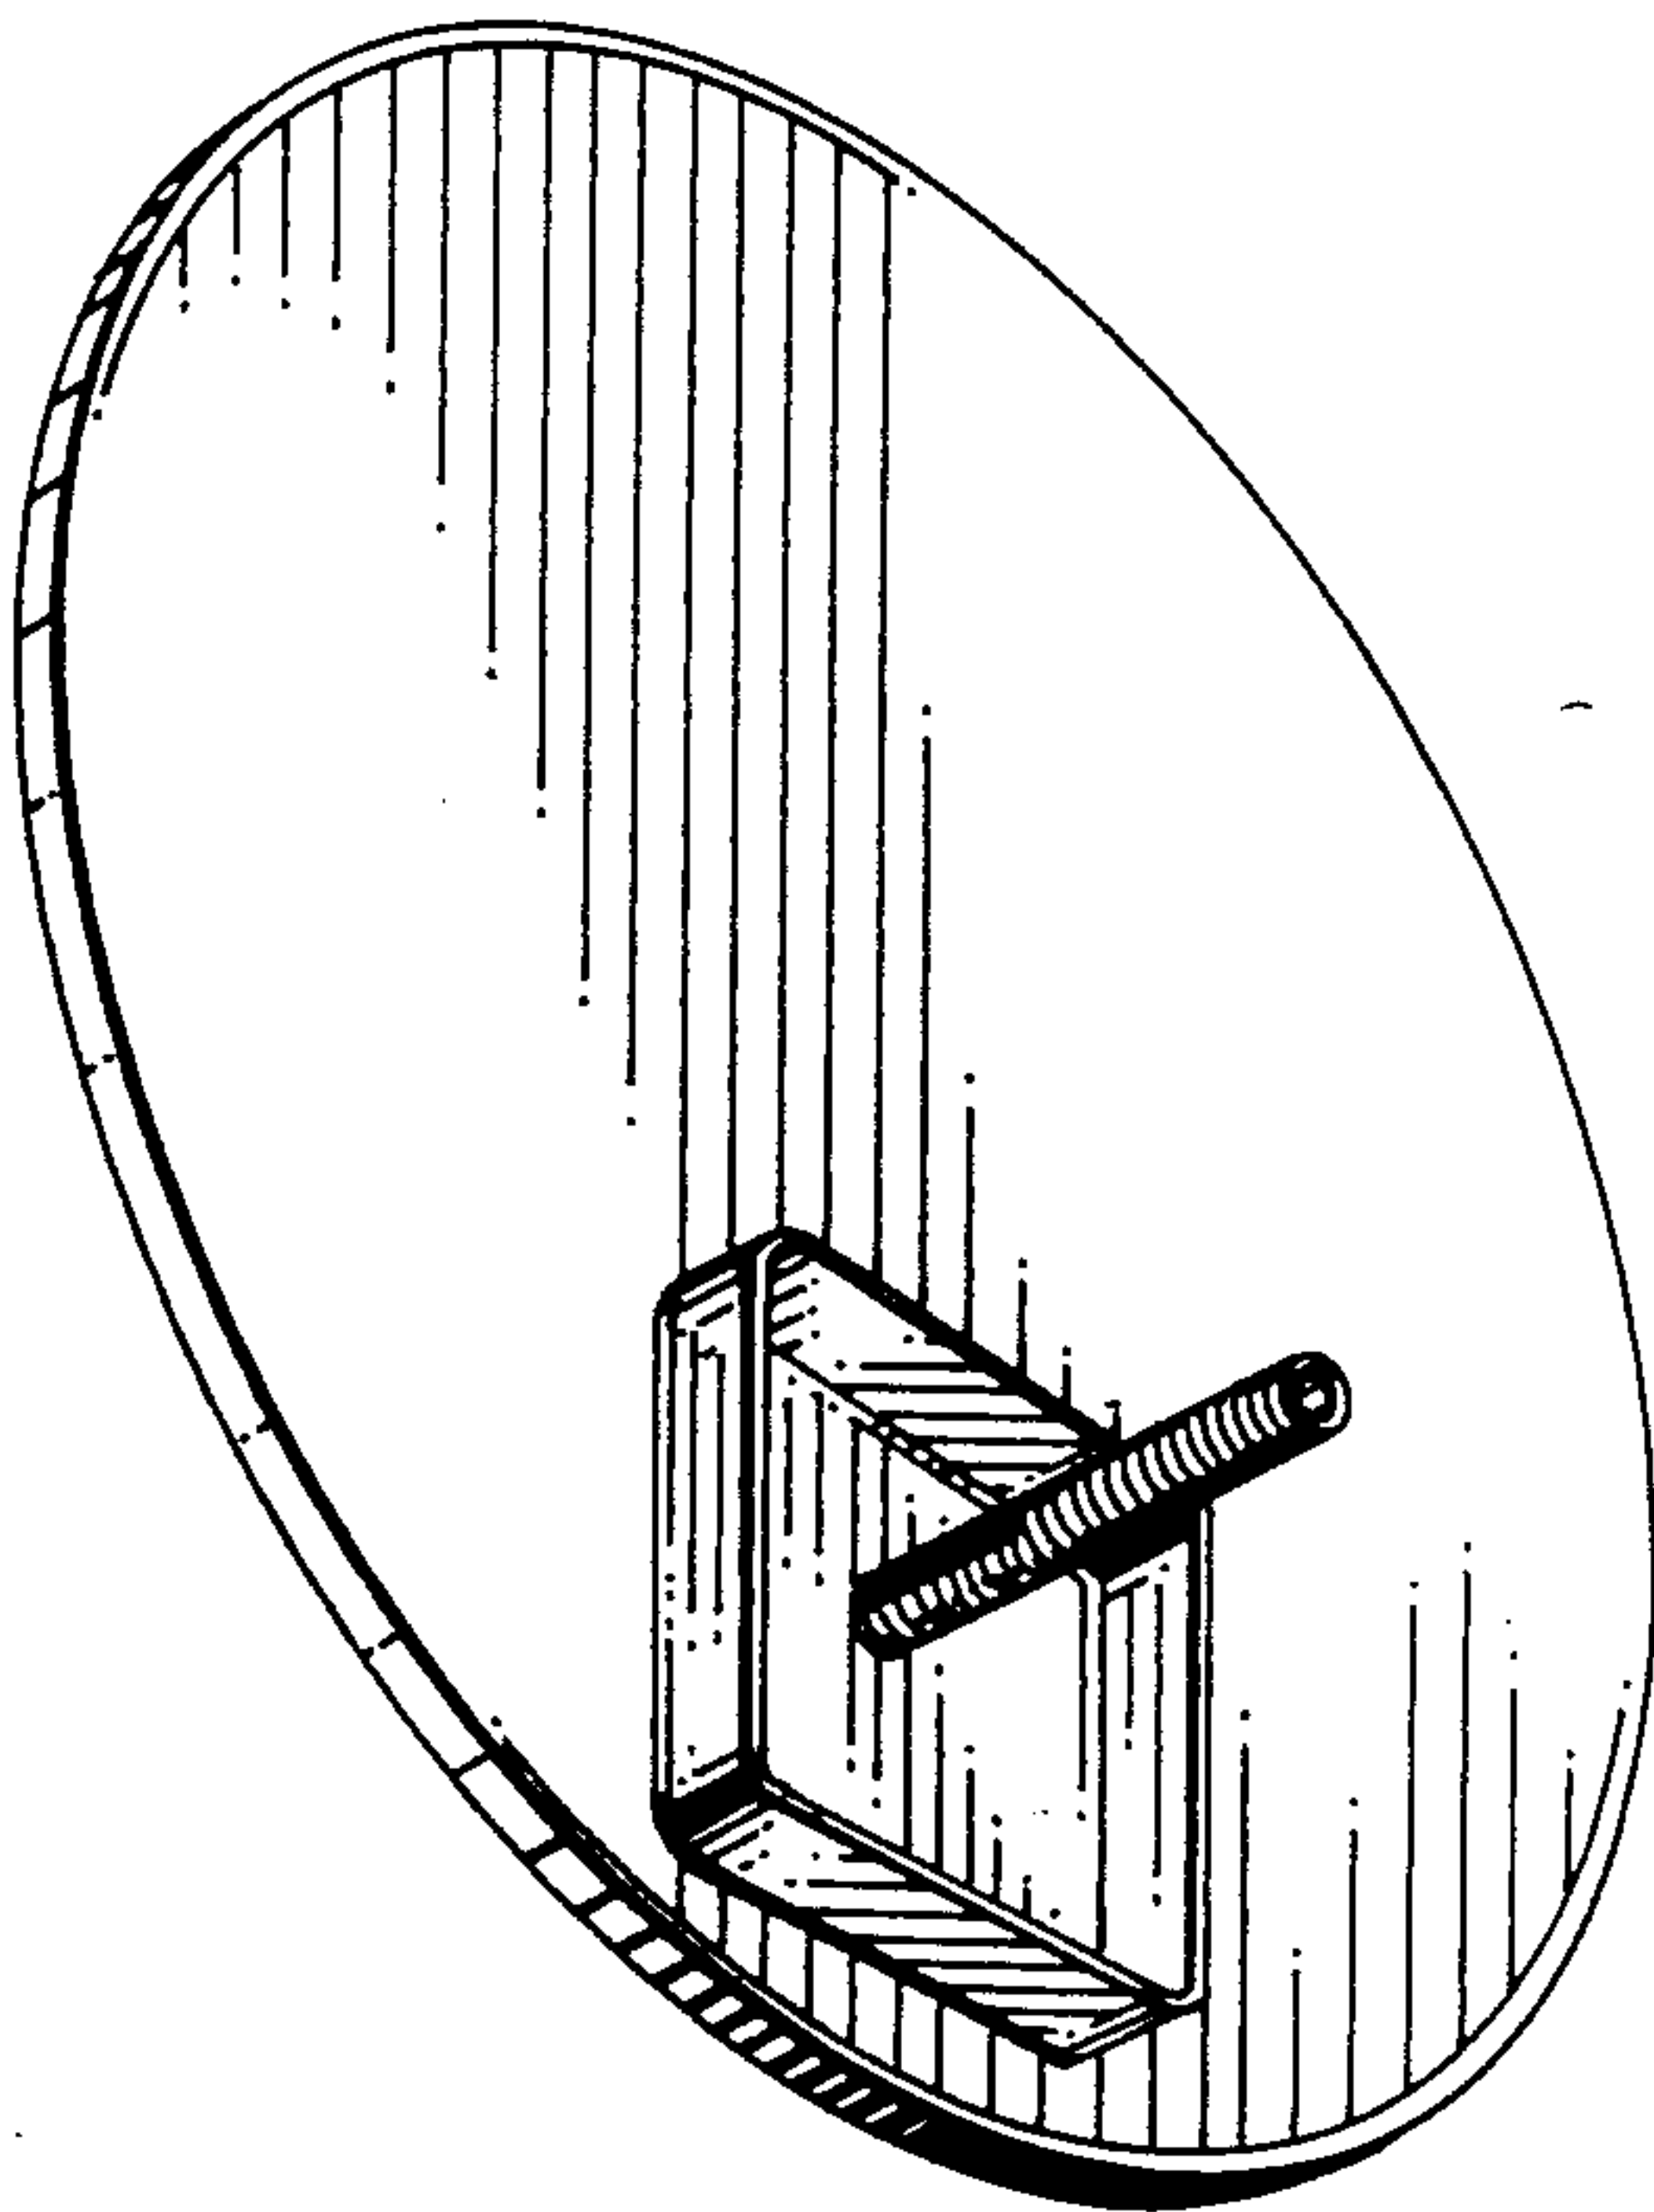

FIG. 2
