[57] CLAIM

The ornamental design for a height adjustment means for selective spacing between circular cooking grill and hanging fire grate, as shown and described.

DESCRIPTION

FIG. 1 is an environmental perspective view of a height adjustment means for selective spacing between circular cooking grill and hanging fire grate showing my new design;

FIG. 2 is a top plan view;

FIG. 3 is a bottom plan view;

FIG. 4 is an interior side elevational view;

FIG. 5 is a side elevational view opposite FIG. 4;

FIG. 6 is an end elevational view of which the opposite side is a mirror image.

The broken line disclosure of a grill and fire grate in FIG. 1 is for illustrative purposes only and forms no part of the claimed design.
