[57] **CLAIM**

The ornamental design for a portable radio transmitter and receiver housing, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a portable radio transmitter and receiver housing in accordance with my design; FIG. 2 is a rear view of said housing; FIG. 3 is a left side view of said housing; FIG. 4 is a right side view of said housing; and FIG. 5 is a top view of said housing. The bottom of said housing is substantially plain and undecorated.
