[57] CLAIM

The ornamental design for a solar oven, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a solar oven, showing my new design and shown with the reflector folded; FIG. 2 is a rear perspective view thereof;

FIG. 3 is a right side elevational view thereof; the left side elevational view is a mirror image thereof;

FIG. 4 is a front perspective view thereof showing the solar oven in the first position with the reflector unfolded;

FIG. 5 is a partial front perspective view showing the oven compartment with the door thereto open;

FIG. 6 is a left side elevational view of my design showing my solar oven in a second position with the reflector unfolded; the right side elevational view is a mirror image thereof;

FIG. 7 is a rear view thereof along an axis perpendicular to the plane defined by the perimeter of the reflector.
