[57] **CLAIM**

The ornamental design for a transparent cover for a medical disinfectant housing or similar article, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a transparent cover for a medical disinfectant housing or similar article showing a housing.

FIG. 2 is a top view thereof;

FIG. 3 is a bottom view thereof; and

FIG. 4 is a cross-sectional view taken through line 4—4 of FIG. 2 to particularly show the shape of the cover.

In both FIG. 1 and FIG. 2, the numbers run from 1—31, however for ease of illustration the numbers are only partially shown in FIG. 2 and are intentionally entirely omitted from FIG. 1.

The housing shown in dashed line configuration in FIG. 1 is for illustrative purposes only and does not form part of my claimed design.
