[57] **CLAIM**

The ornamental design for a multiposition peghook bracket, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the multiposition peghook bracket according to the invention showing the top, front and right side thereof;  
 FIG. 2 is a front elevation;  
 FIG. 3 is a right side elevation as seen from the right of FIG. 2, the left side elevation being a mirror image of this right side elevation;  
 FIG. 4 is a plan view of the top as seen from the top of FIG. 2; and  
 FIG. 5 is a section on section line 5—5.  
 The rear and base not shown are plain.

FIG. 1
