[57] **CLAIM**

The ornamental design for a food temperature sensing probe assembly, as shown and described.

**DESCRIPTION**

FIG. 1 is a side perspective view of a view of a food temperature sensing probe assembly showing my new design with portions broken away to illustrate indeterminate length;

FIG. 2 is a left end elevational view of the sensing probe portion of FIG. 1;

FIG. 3 is a typical side elevational view of the plug portion of FIG. 1;

FIG. 4 is a right end elevational view of the plug portion of FIG. 1;

FIG. 5 is a typical side elevational of the plug portion of FIG. 1.
