DESCRIPTION

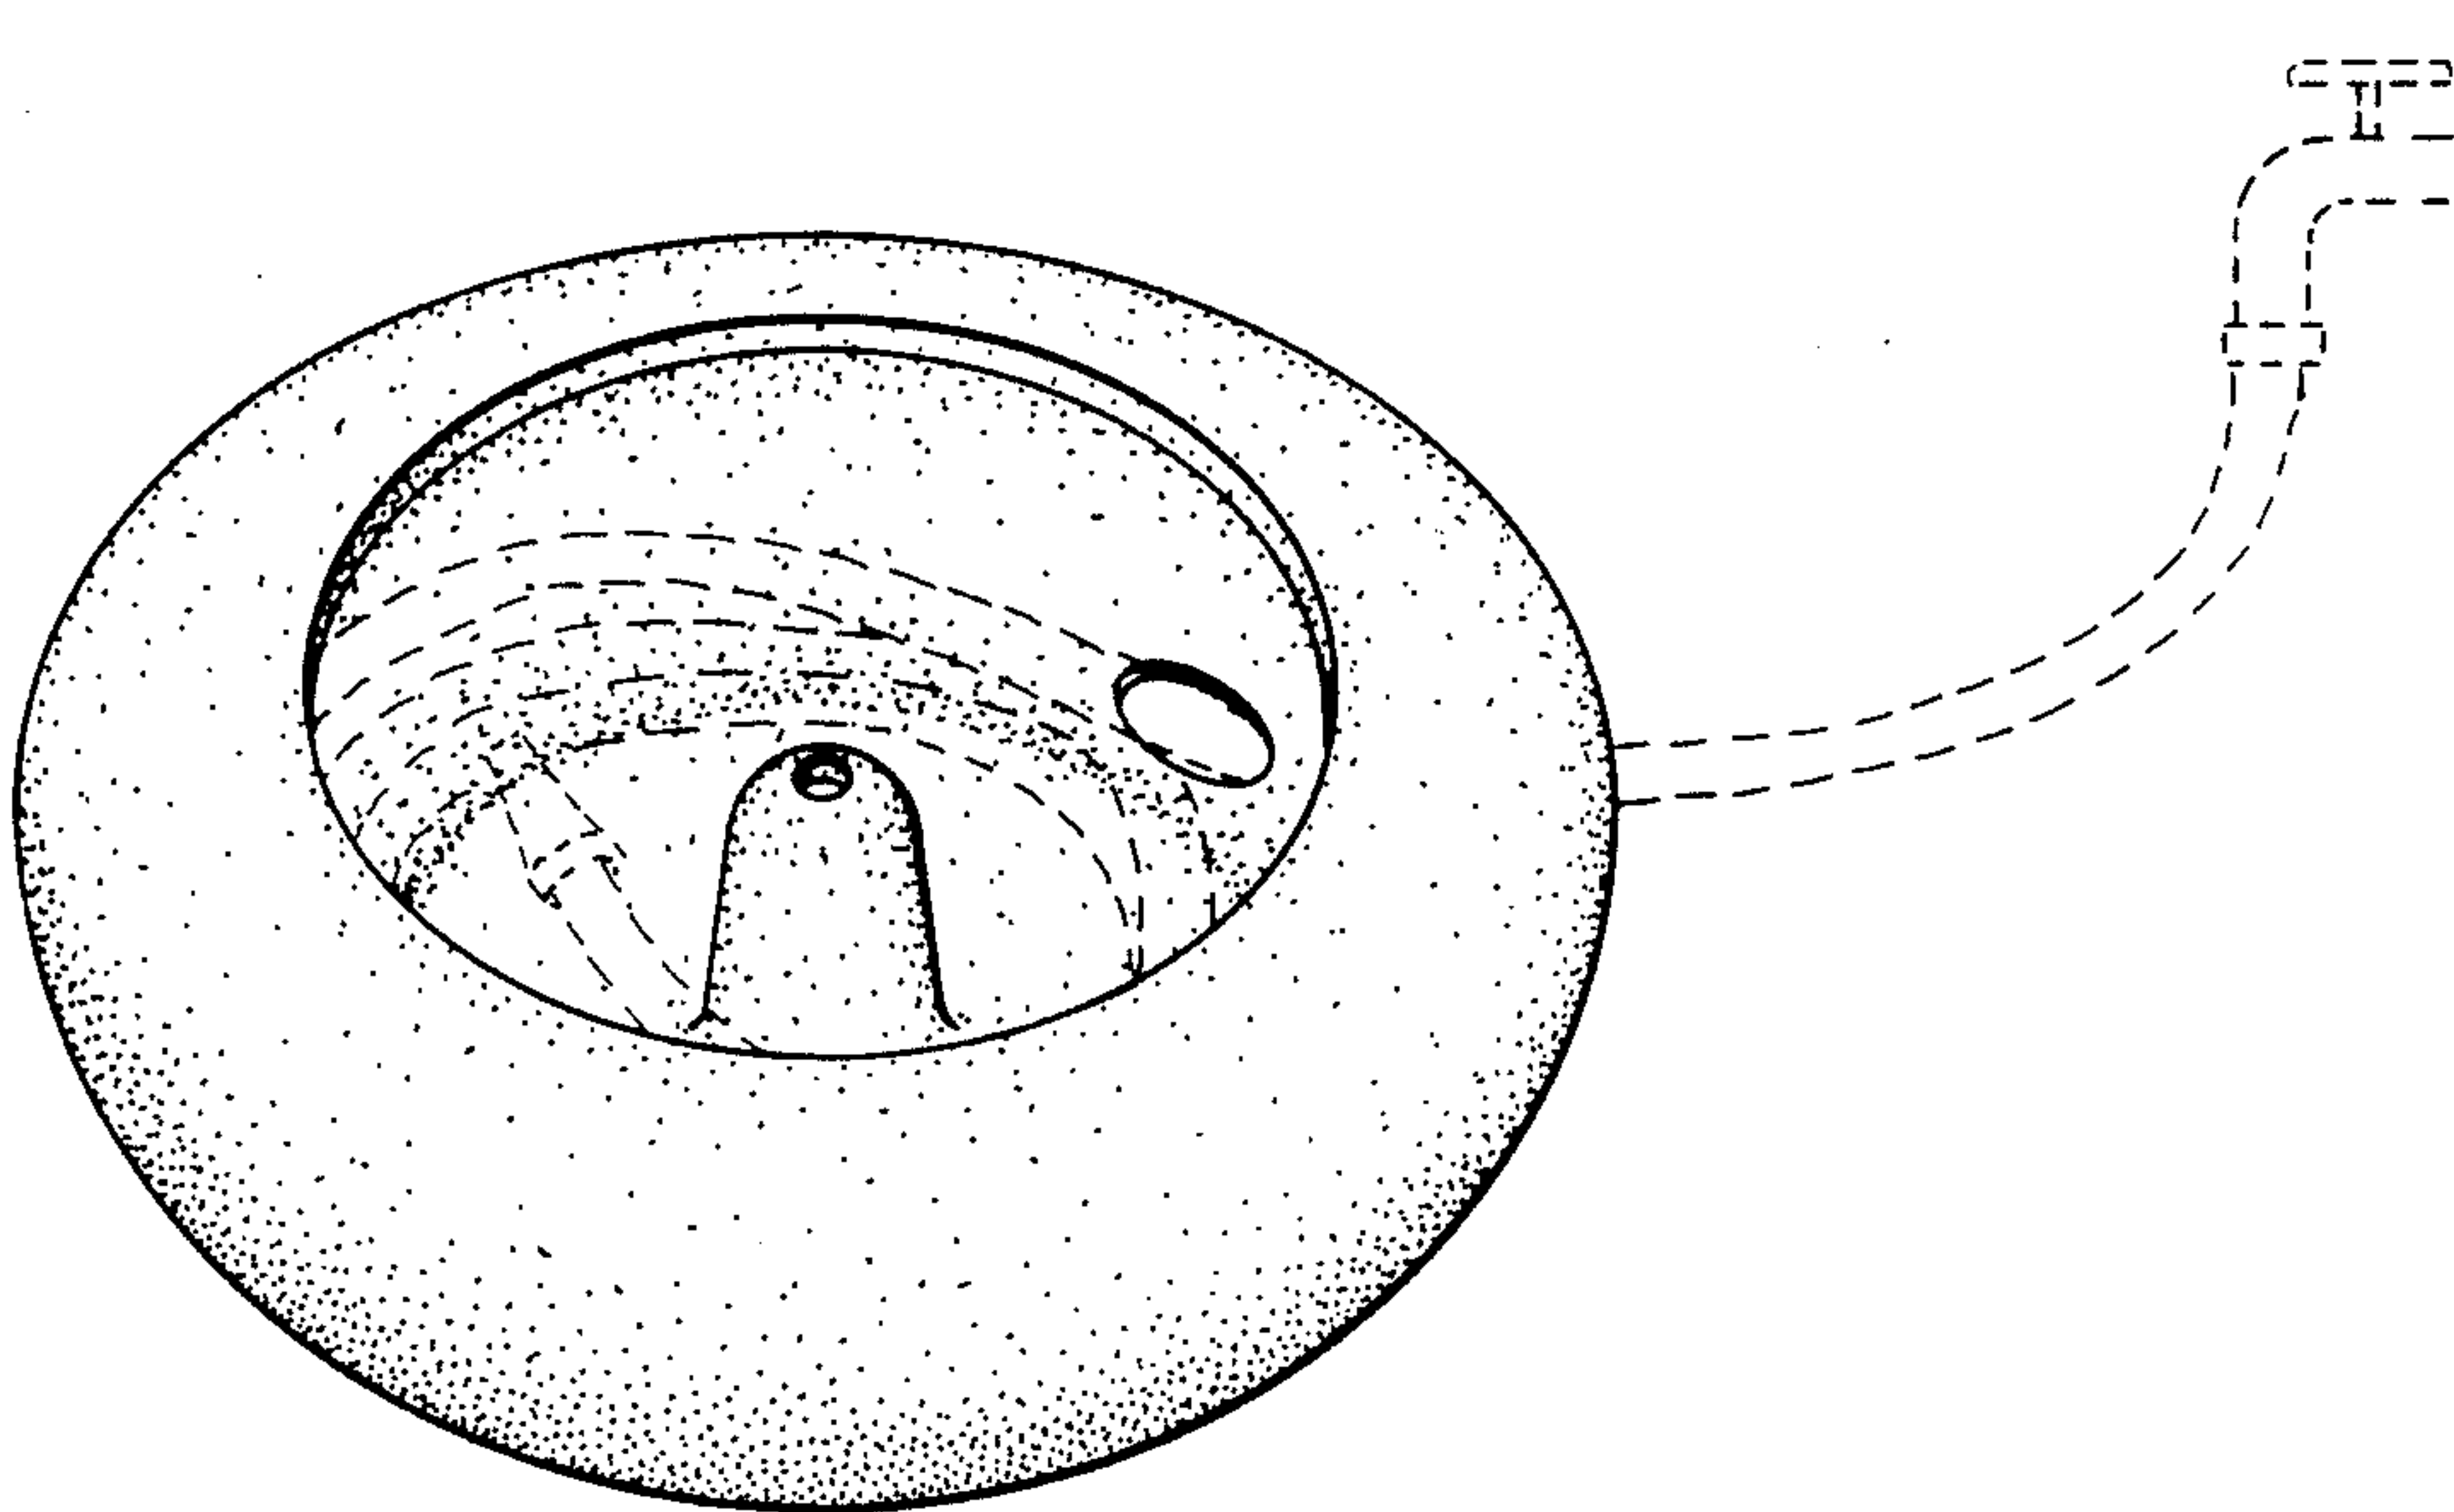

FIG. 1 is a perspective view of a garden hose coiling device, showing my new design, the broken line showing of the hose and related environmental structure being for illustrative purposes only.

FIG. 2 is a vertical sectional view thereof, to more clearly bring out the design;

FIG. 3 is a representational side elevation view thereof, with other side elevational views being substantially the same;

FIG. 4 is a top plan view thereof; and

FIG. 5 is a bottom plan view thereof.

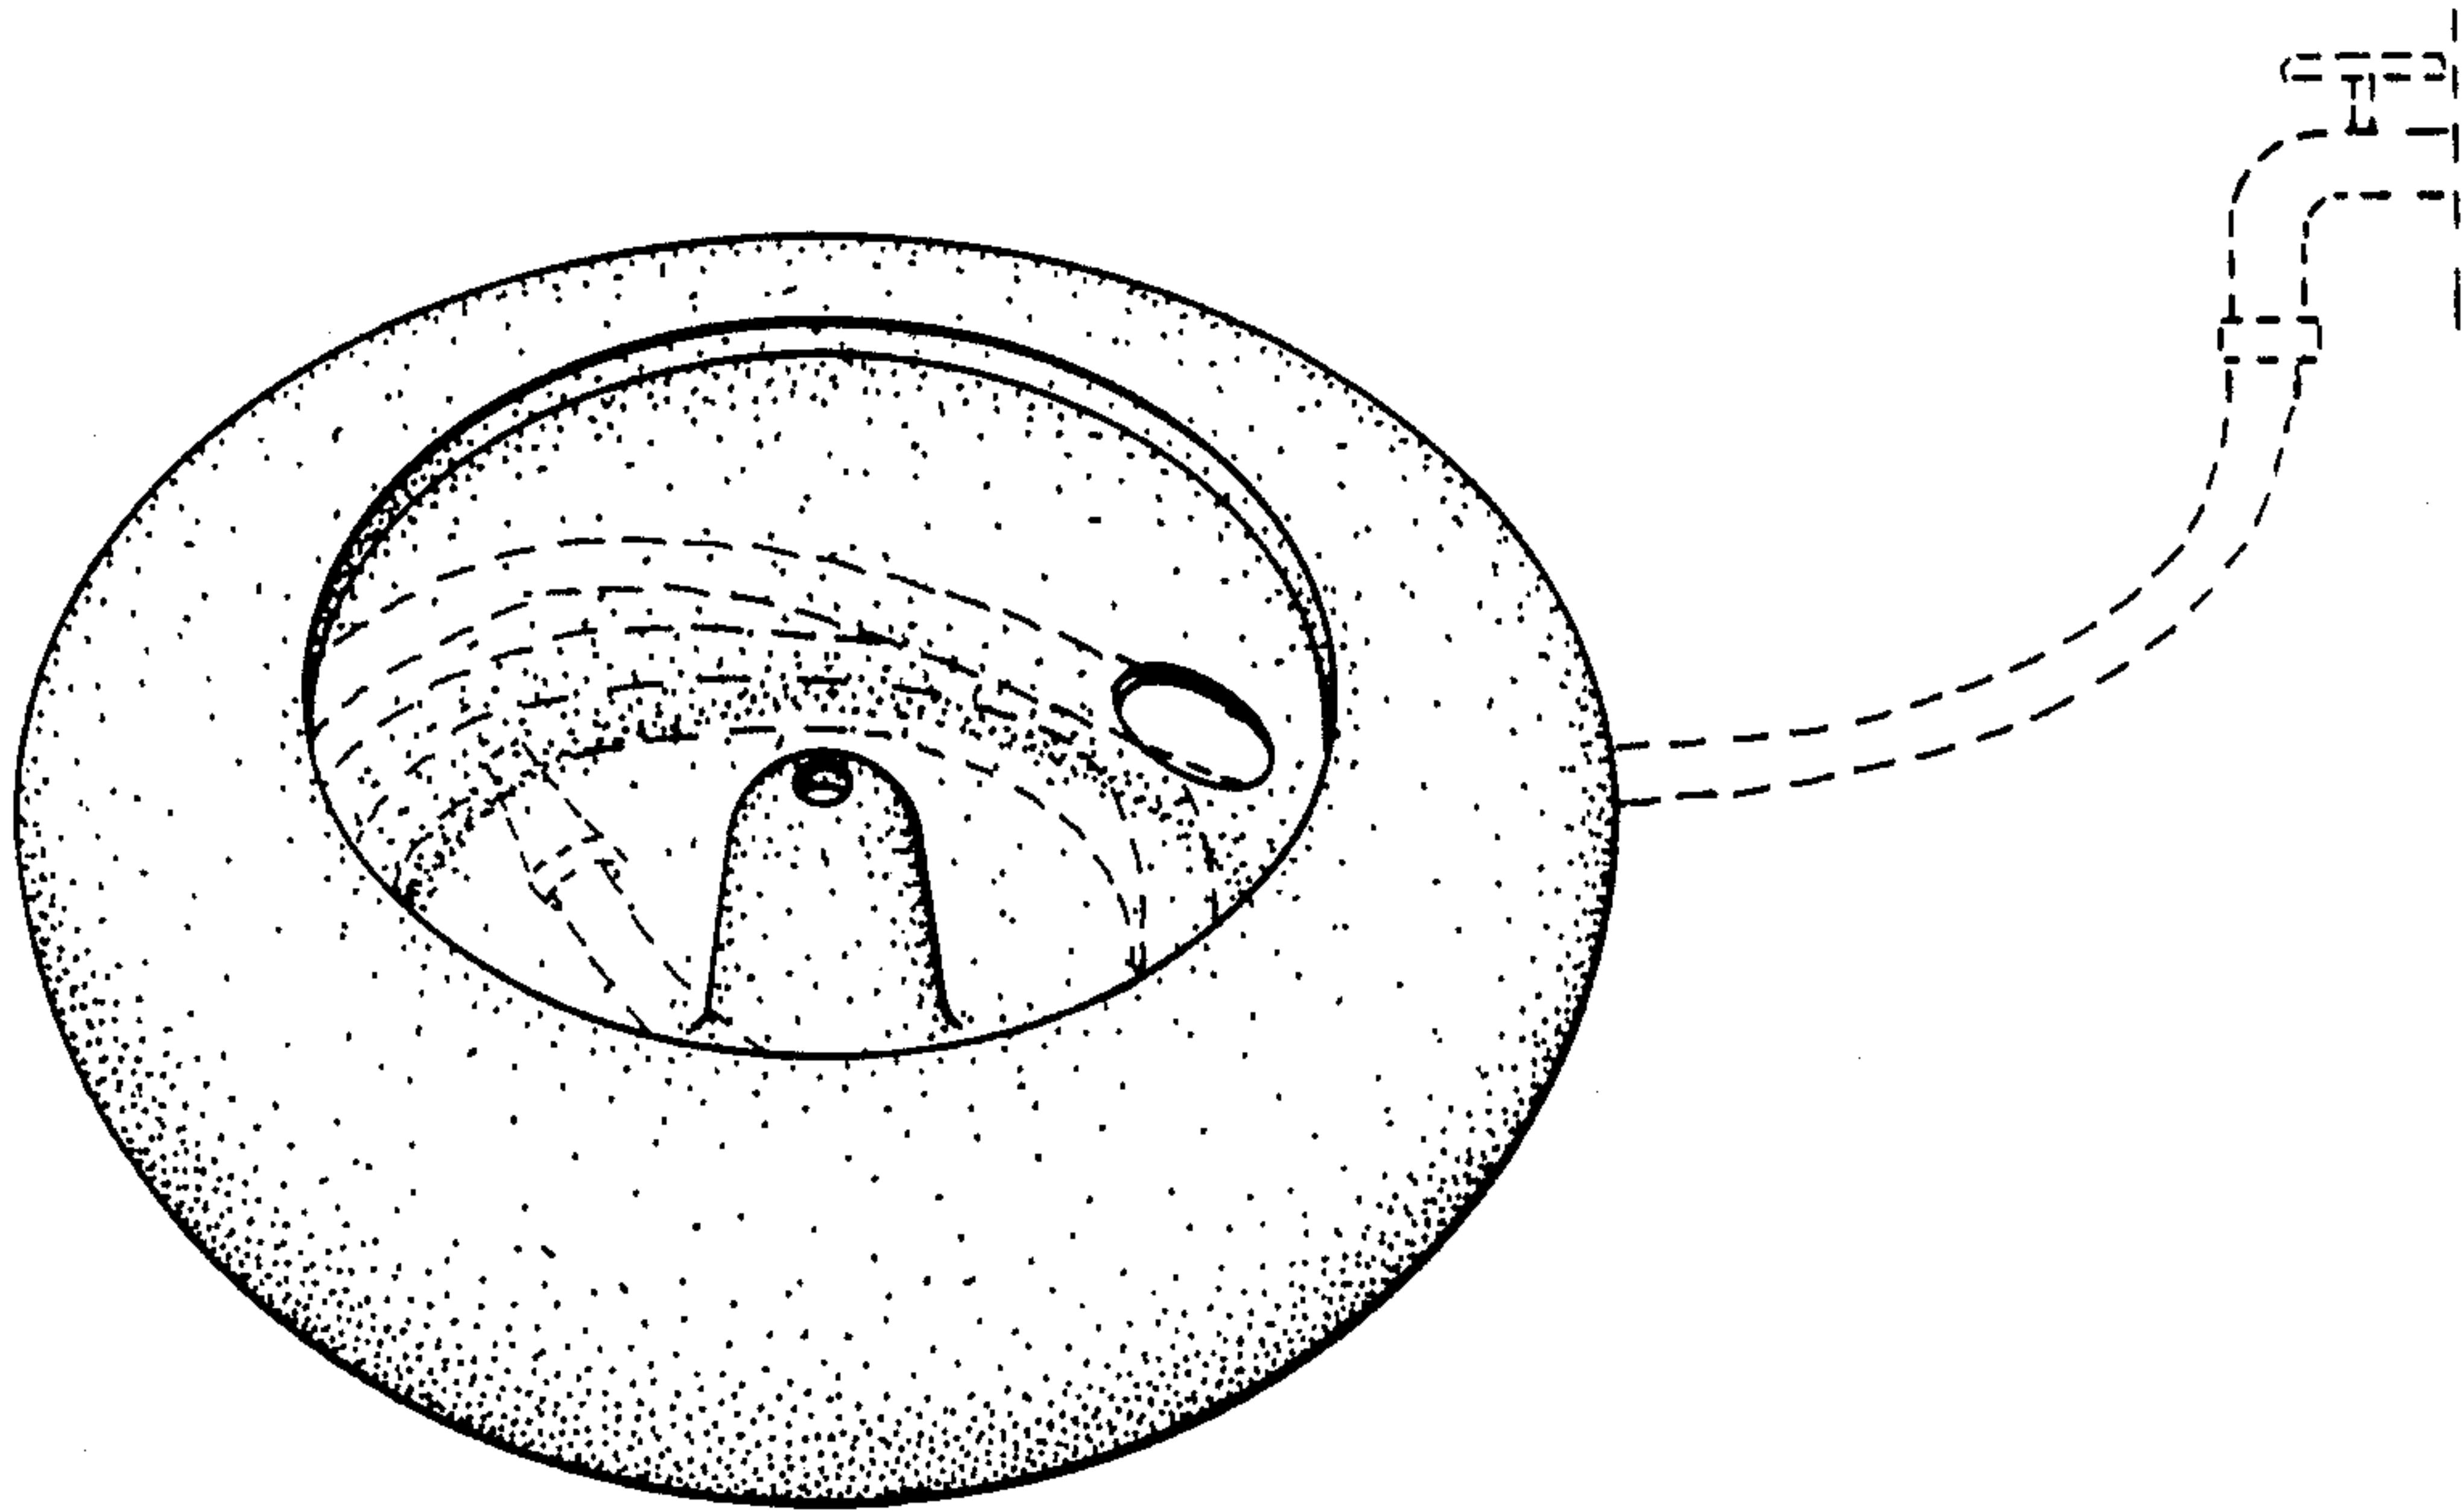

FIG. 1
