[57] **CLAIM**

The ornamental design for a deck of cards, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of the back of one of the cards in the deck of cards embodying my new design, the back of every card in the deck being the same;

FIG. 2 is a top plan view of the front of one of the bonus cards in the deck, there being four such cards;

FIG. 3 is a top plan view of the front of the ace of spades card, there being three additional, identically arranged cards for the aces of hearts, diamonds and clubs;

FIG. 4 is a top plan view of the front of the king of hearts card, there being three additional, identically arranged cards for the kings of spades, diamonds and clubs;

FIG. 5 is a top plan view of the queen of diamonds card, there being three additional, identically arranged cards for the queens of spades, hearts and clubs;

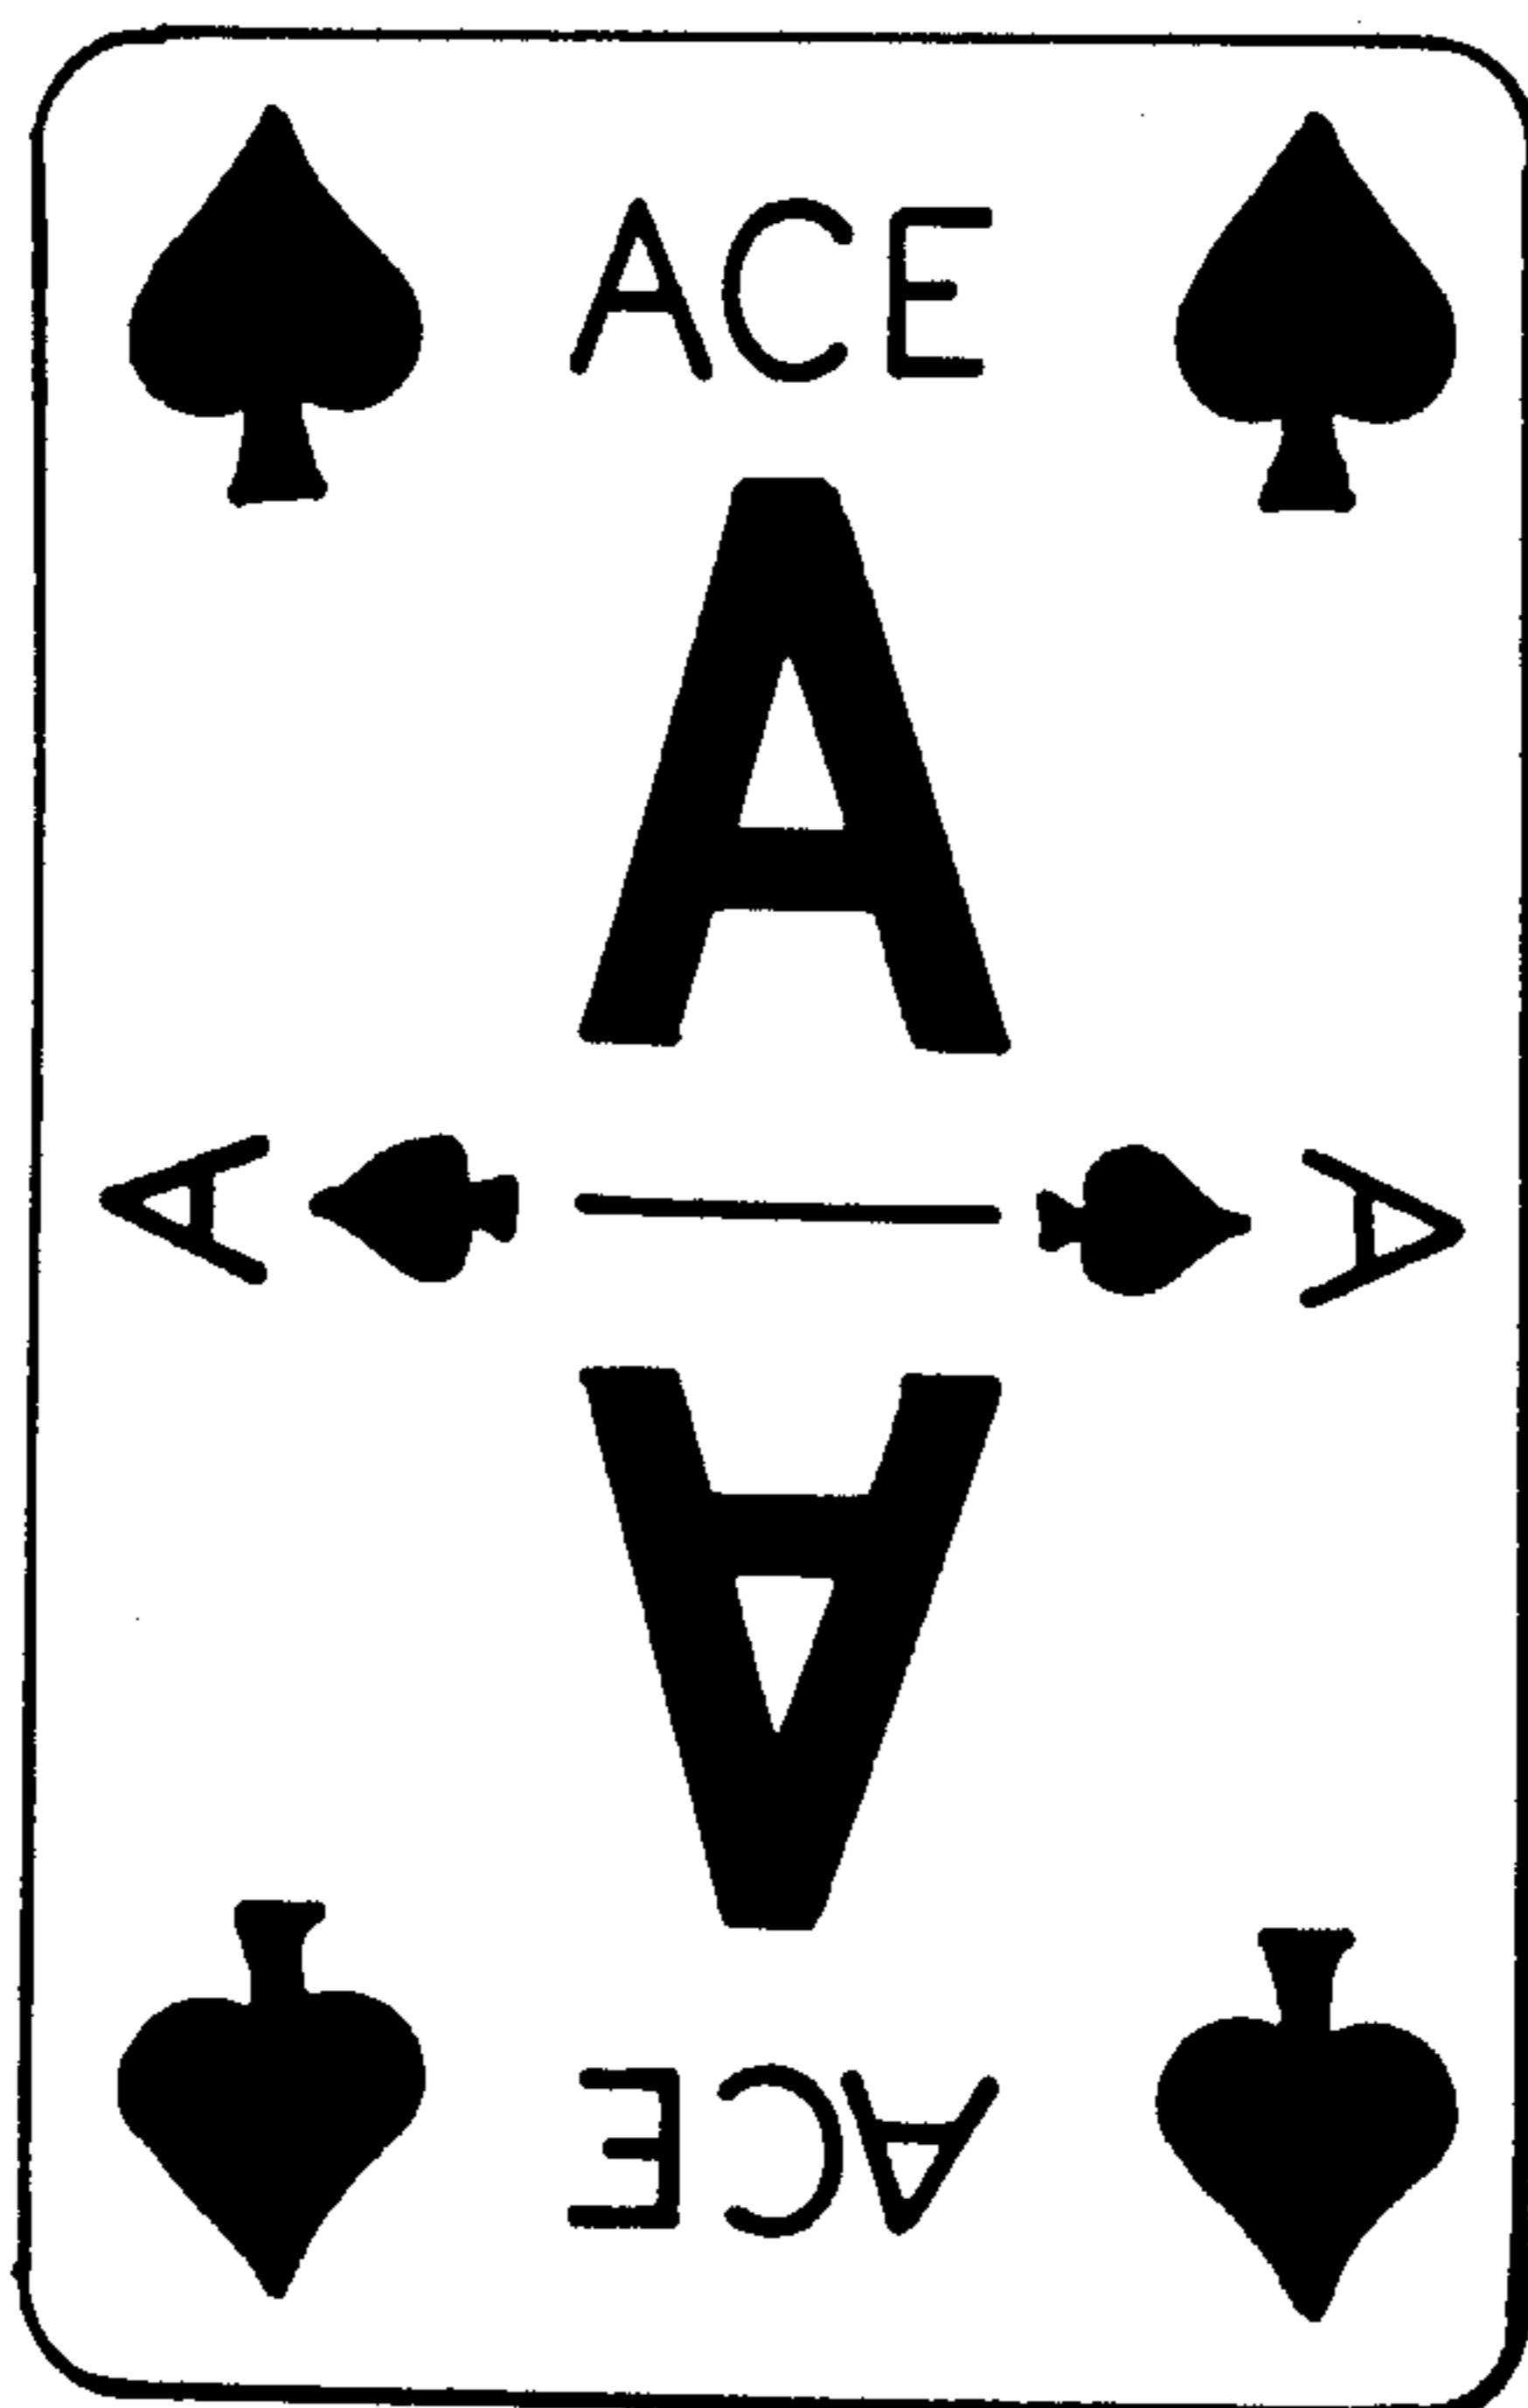

FIG. 6 is a top plan view of the jack of clubs card, there being three additional, identically arranged cards for the jacks of spades, hearts and diamonds;

FIG. 7 is a top plan view of the nine of spades card, there being additional, identically arranged cards for the duece through eight and ten of spades cards;

FIG. 8 is a top plan view of the eight of hearts card, there being additional, identically arranged cards for the duece through seven and nine and ten of hearts cards;

FIG. 9 is a top plan view of the seven of diamonds card, there being additional, identically arranged cards for the duece through six and eight through ten of diamonds cards; and

FIG. 10 is a top plan view of a six of clubs card, there being additional, identically arranged cards for the duece through four and seven through ten of clubs cards.
